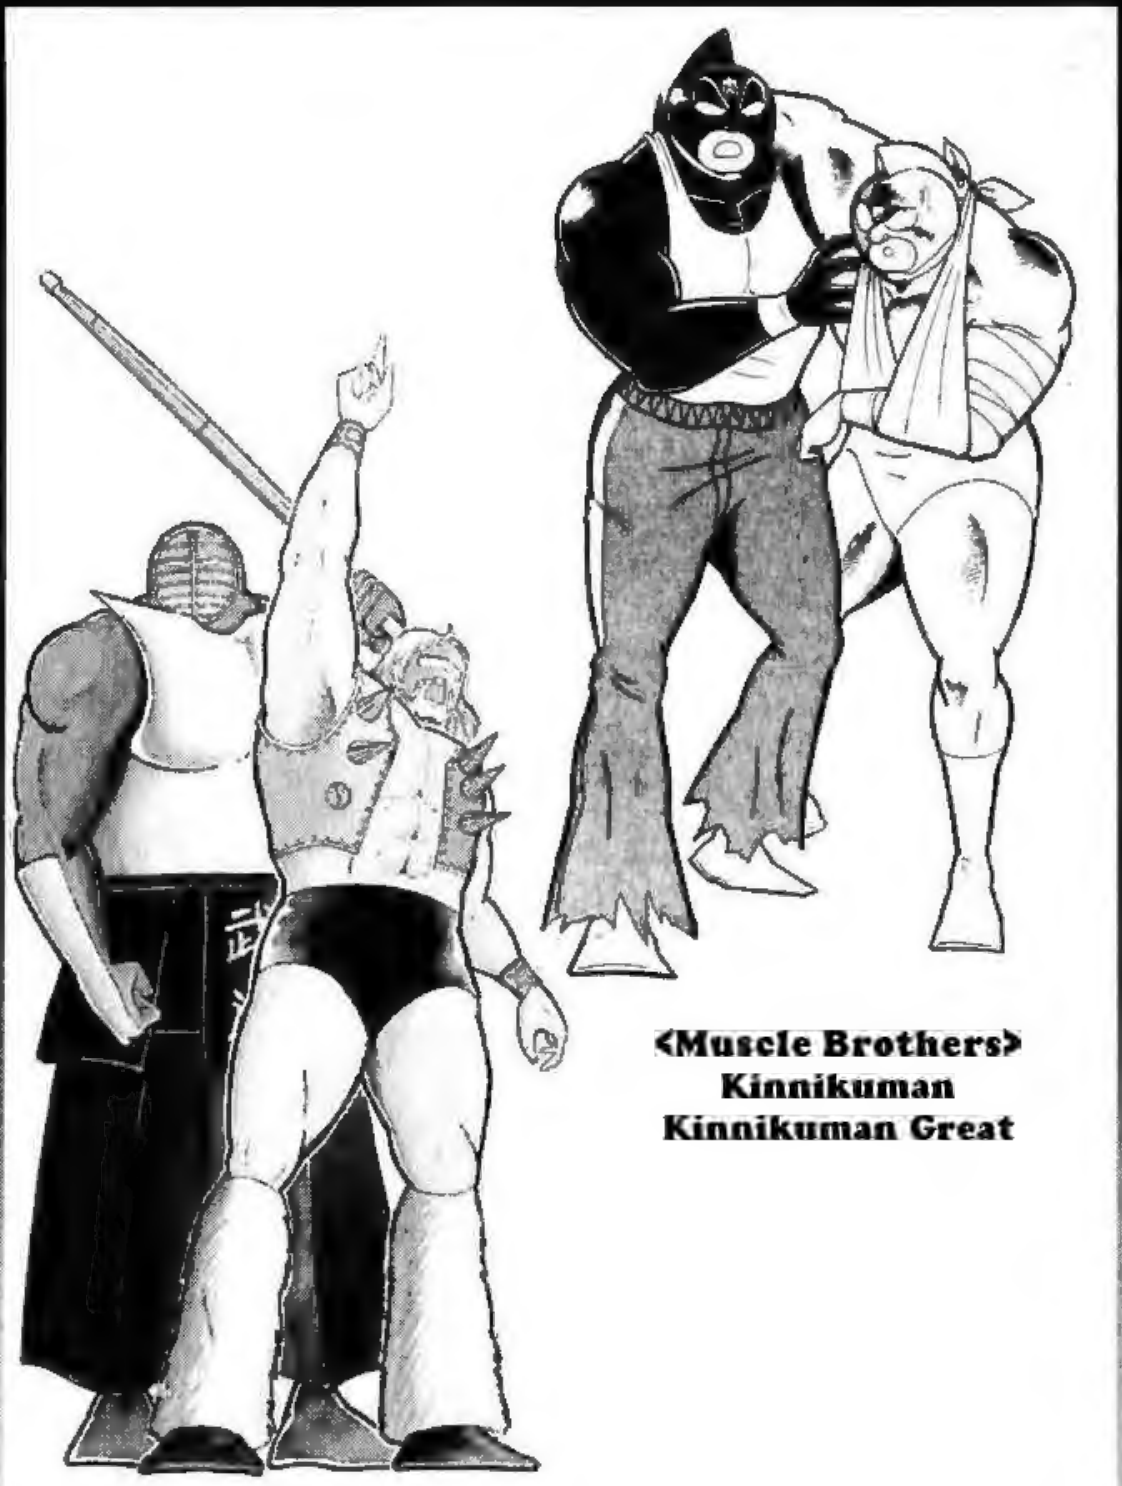
YUDETAMAGO

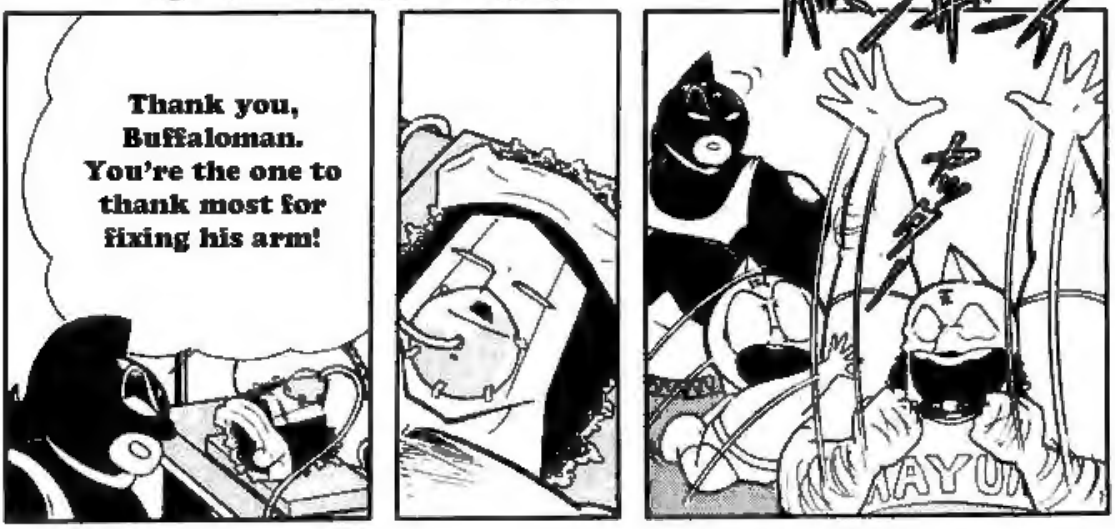
Character Introduction



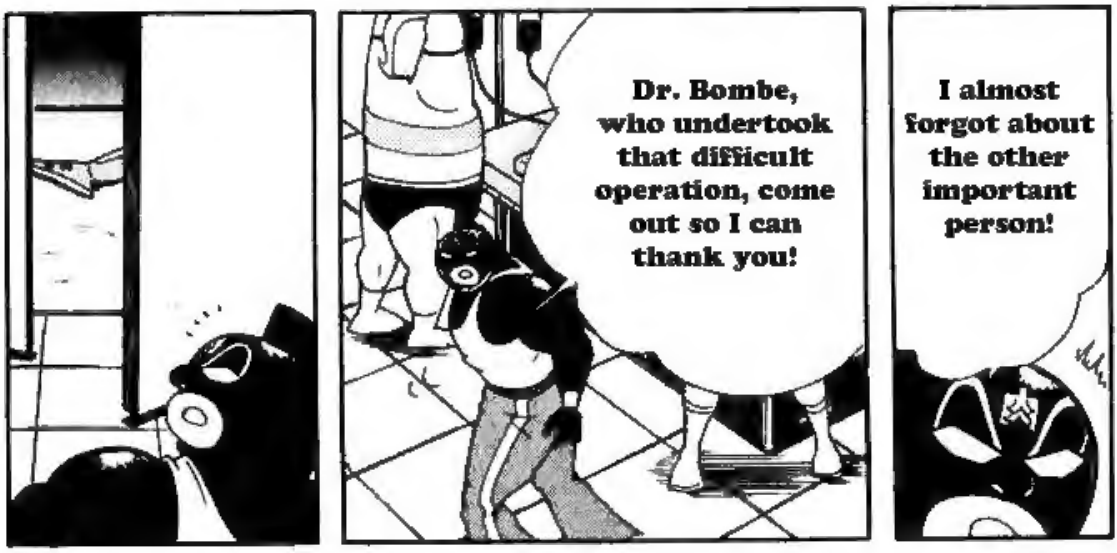
<Muscle Brothers>
Kinnikuman
Kinnikuman Great

<Hell Missionaries>
Neptuneman
Big The Budo

Now we just need to wait for him to wake up!
Suguru's left arm is back to normal, just in time for the Tag Tournament Finals!
キン肉マン



Thank you, Buffaloman. You're the one to thank most for fixing his arm!

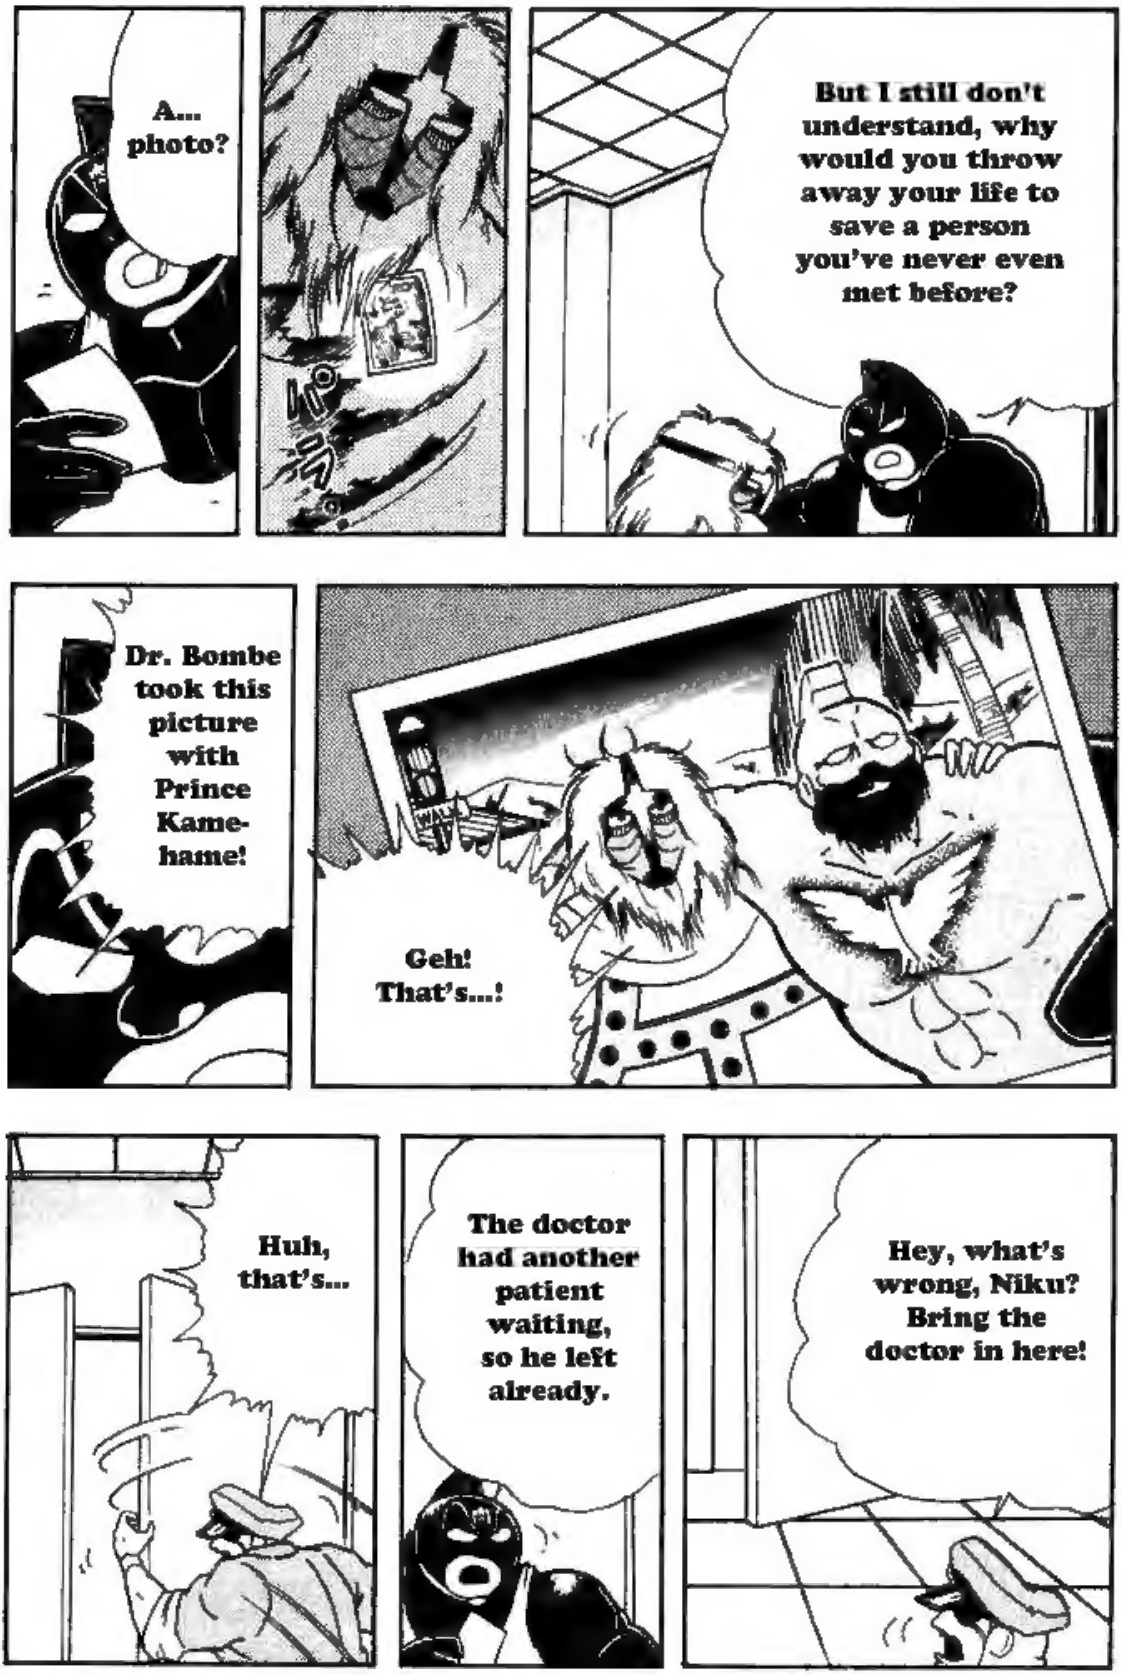


Dr. Bombe, who undertook that difficult operation, come out so I can thank you!
I almost forgot about the other important person!

Dream Chojin Tag Arc 47

Miraculous Recovery!

He's... dead!
This operation must have been hard for you...
Judging by the coughed up blood on your shirt, you must have had some sort of serious illness...
That's the face of a man who finished his final mission...
Even so, he had a peaceful face in death!



A... photo?
But I still don't understand, why would you throw away your life to save a person you've never even met before?
Dr. Bombe took this picture with Prince Kame-hame!
Geh! That's...!
Huh, that's...
The doctor had another patient waiting, so he left already.
Hey, what's wrong, Niku? Bring the doctor in here!

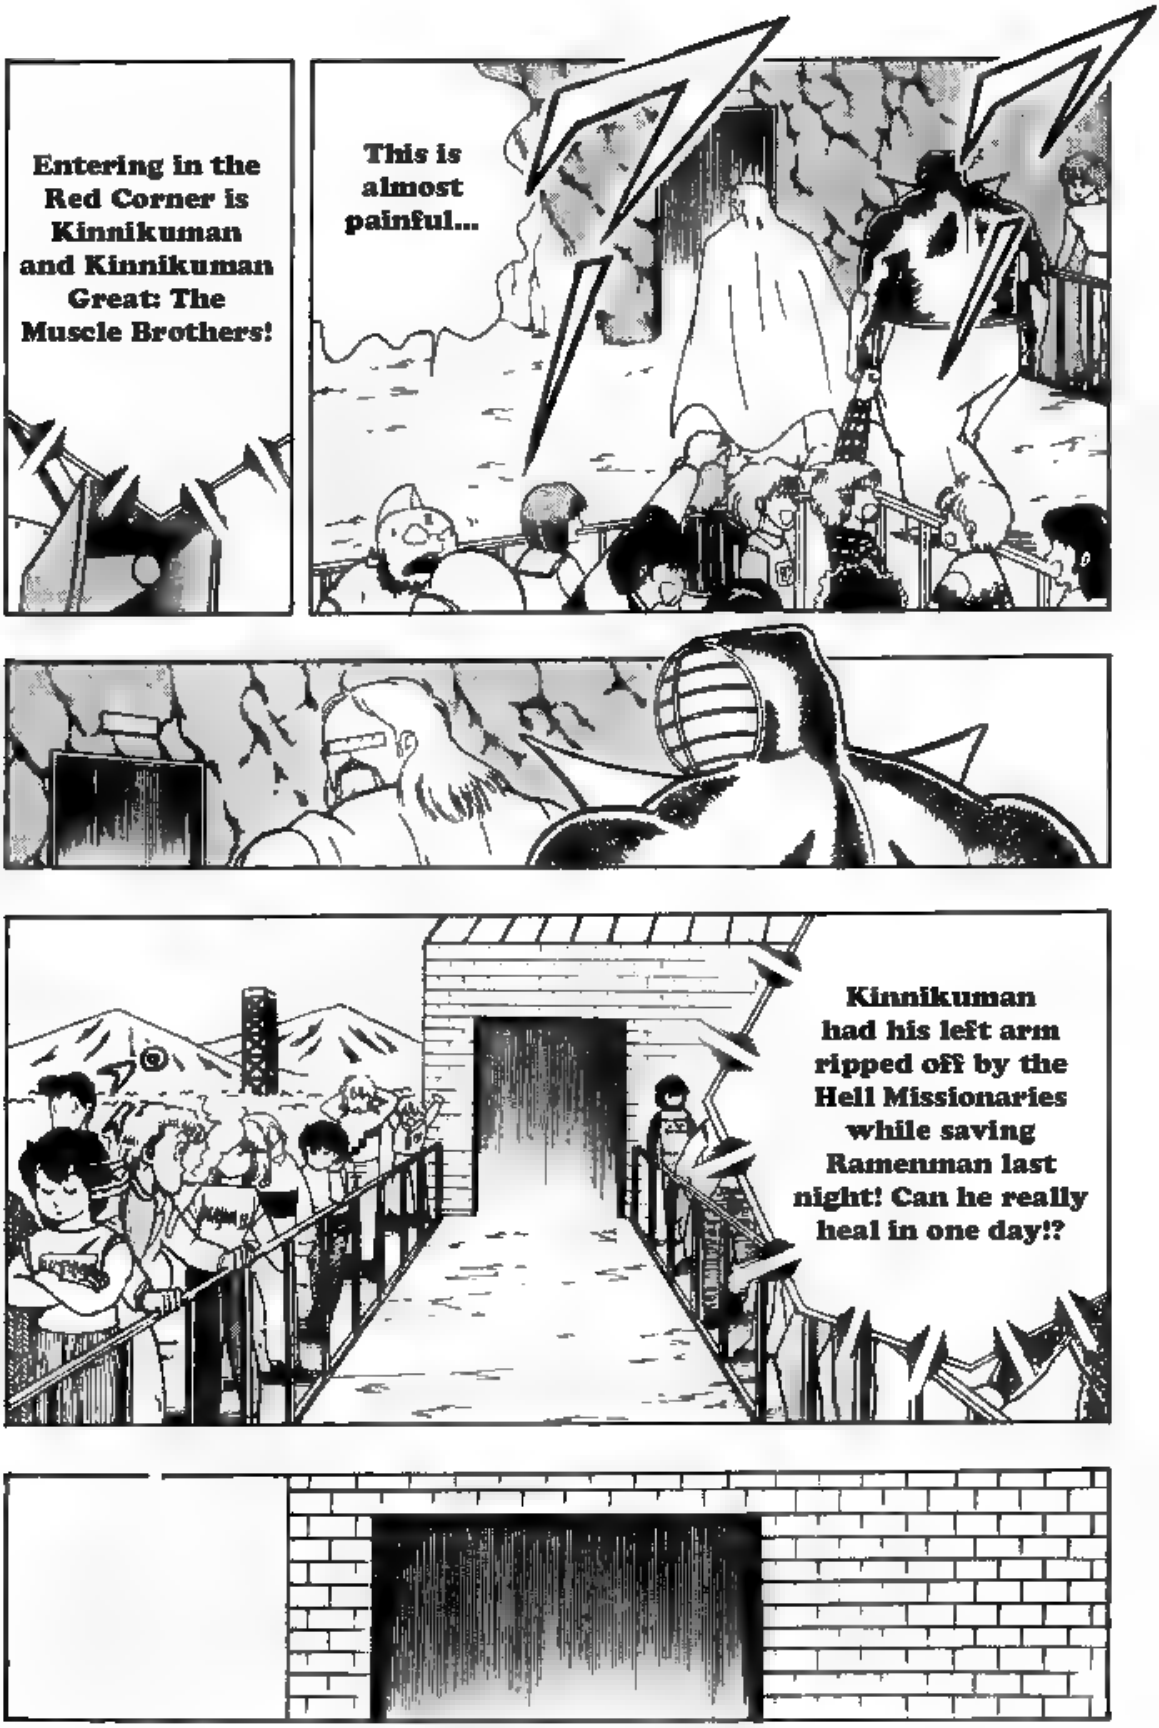
It's fine, I'll tell him you're all greatful for the operation!
Perhaps Dr. Bombe is a guardian angel summoned by the first Kinnikuman Great, Prince Kamehame...
...thank you too, Doctor Bombe!
Thanks, Kame-hame!

We will stand at the summit of Tournament Mountain!
Even though your age is over, Kinnikman and I will hold onto your unweakened friendship power!
That's all I can promise, now...
Doctor, I'll be sure to bury you with Kamehame...
No, I do have one other thing...

Well, the Universal Chojin Tag Tournament, after several exciting matches, has finally reached it's climax!
Will the team to pull out the trophy 3776 meters above ground be the Muscle Brothers or the Hell Missionaries!?

I'm worried. Kinnikuman still hasn't woken up, so how will he be able to enter the arena?
The fighters will now enter the arena!
Well, that's good...
Kinnikoman is a wrestler by nature. When he hears the crowd, he'll get up immediately!
It will be fine.
Entering in the blue corner, Neptuneman and Big the Budo: The Hell Minlemarlen!
Now, for the finals of the first Universal Chojin Tag Tournament!
The Minlemarlen are entering in a foreboding style! I'm sure it's a message that they're going to send the Muscle Brothers to hell!

Budo!
Kyaa! Neptune-man!
NUMBER ONE!
For some reason, most of the audience seems to be rooting for the Hell Missionaries!
It looks like this is the era of the Perfect Chojin!
PERFE
After they crushed Warsman, Robin Mask, Ramenman and Buffaloman, who were said to be the strongest of the Justice Chojin, it's no wonder the audience has shifted sides to the Perfect Chojin!



Entering in the Red Corner is Kinnikuman and Kinnikuman Great: The Muscle Brothers!
This is almost painful...
Kinnikuman had his left arm ripped off by the Hell Missionaries while saving Ramenman last night! Can he really heal in one day!?

There's no doctor that can reattach them all!
No matter how many Chojin face me, I'll rip off all their arms!
That shadow...
Kinnikuman Great is entering alone!
Lord Neptune-man!
MAYUMI

It can't be!

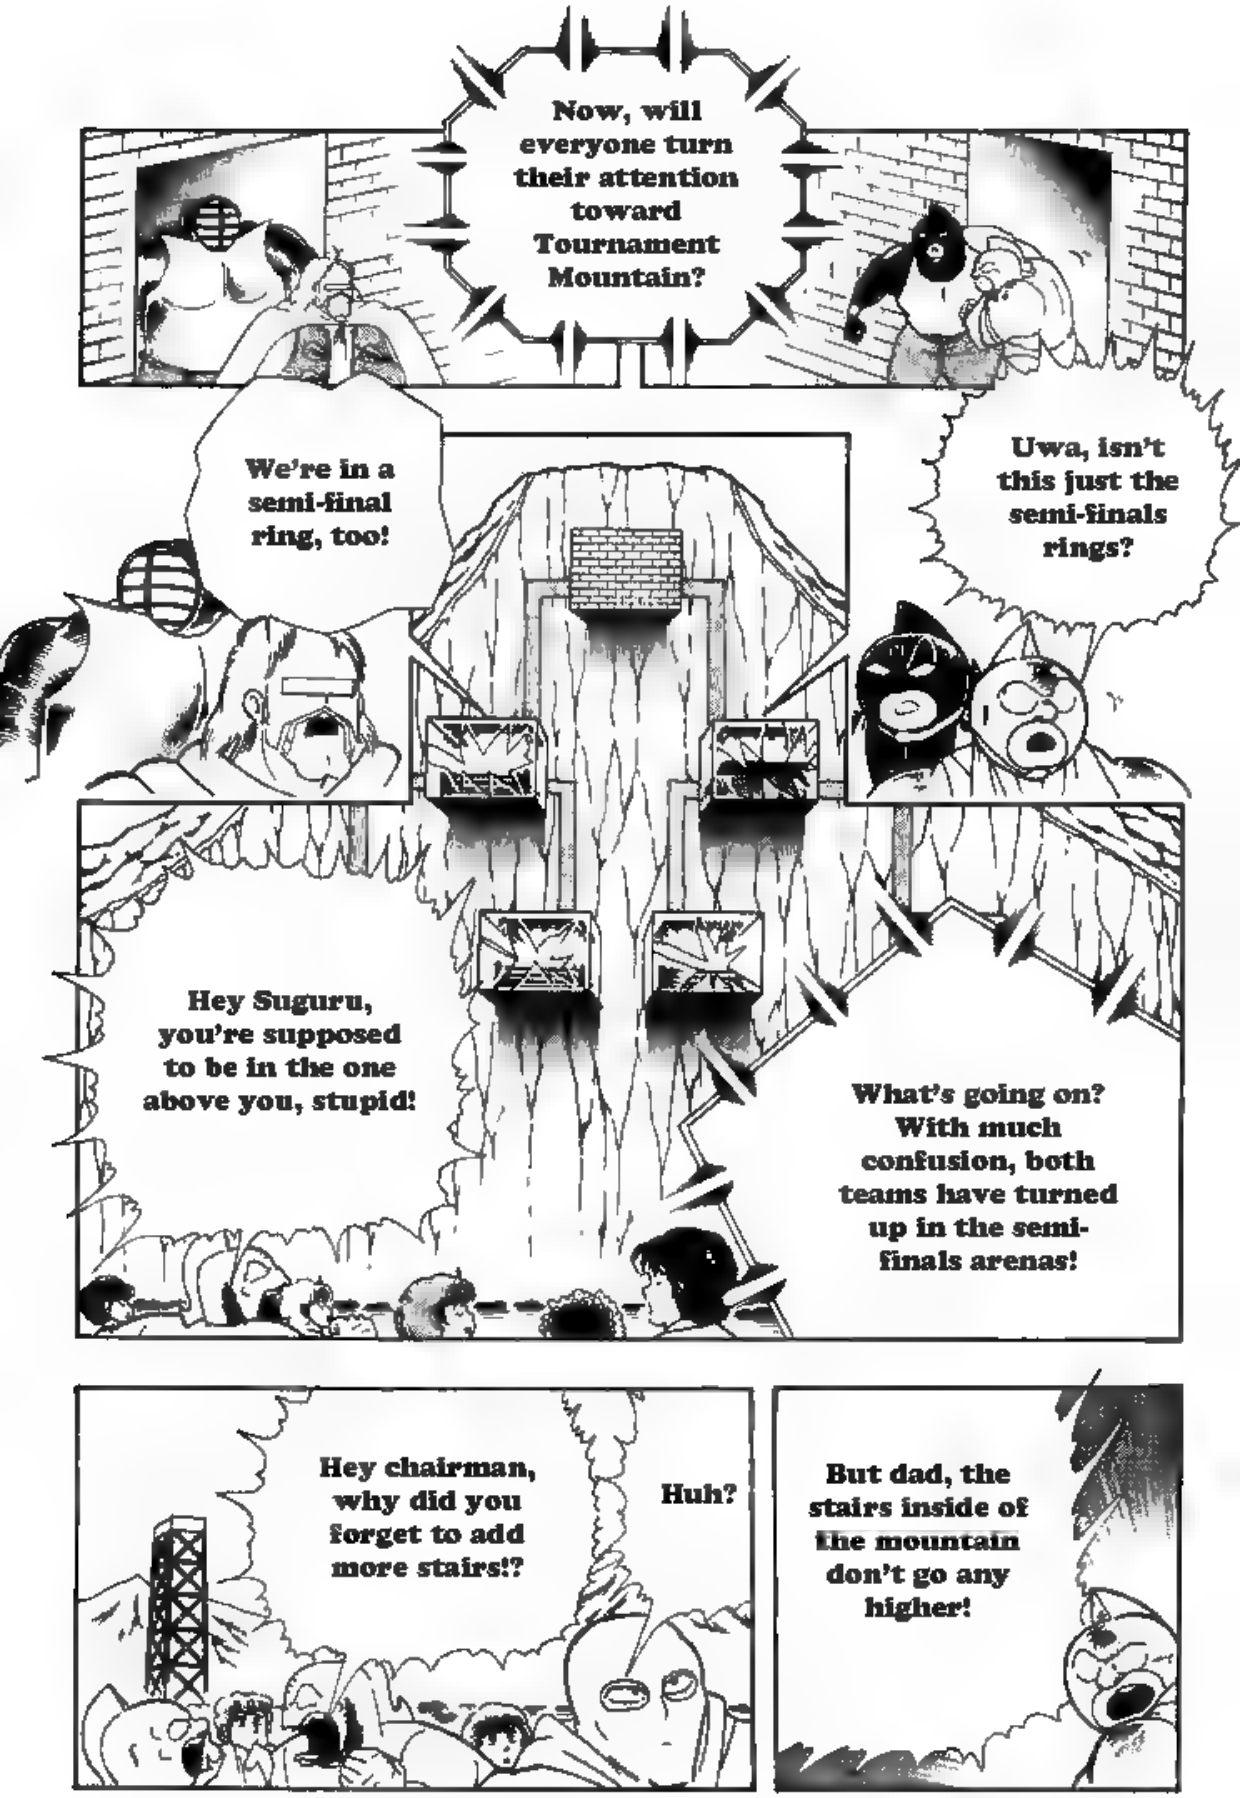
Did you forget, Perfect Chojin!? Suguru is a Chojin that can summon miracles!
MAYUMI

It seems we spoke too soon! Kinnikuman is together with him! The Muscle Brothers have arrived!

This is no miracle! This is the result of Doctor Bombe and Buffaloman risking their lives!

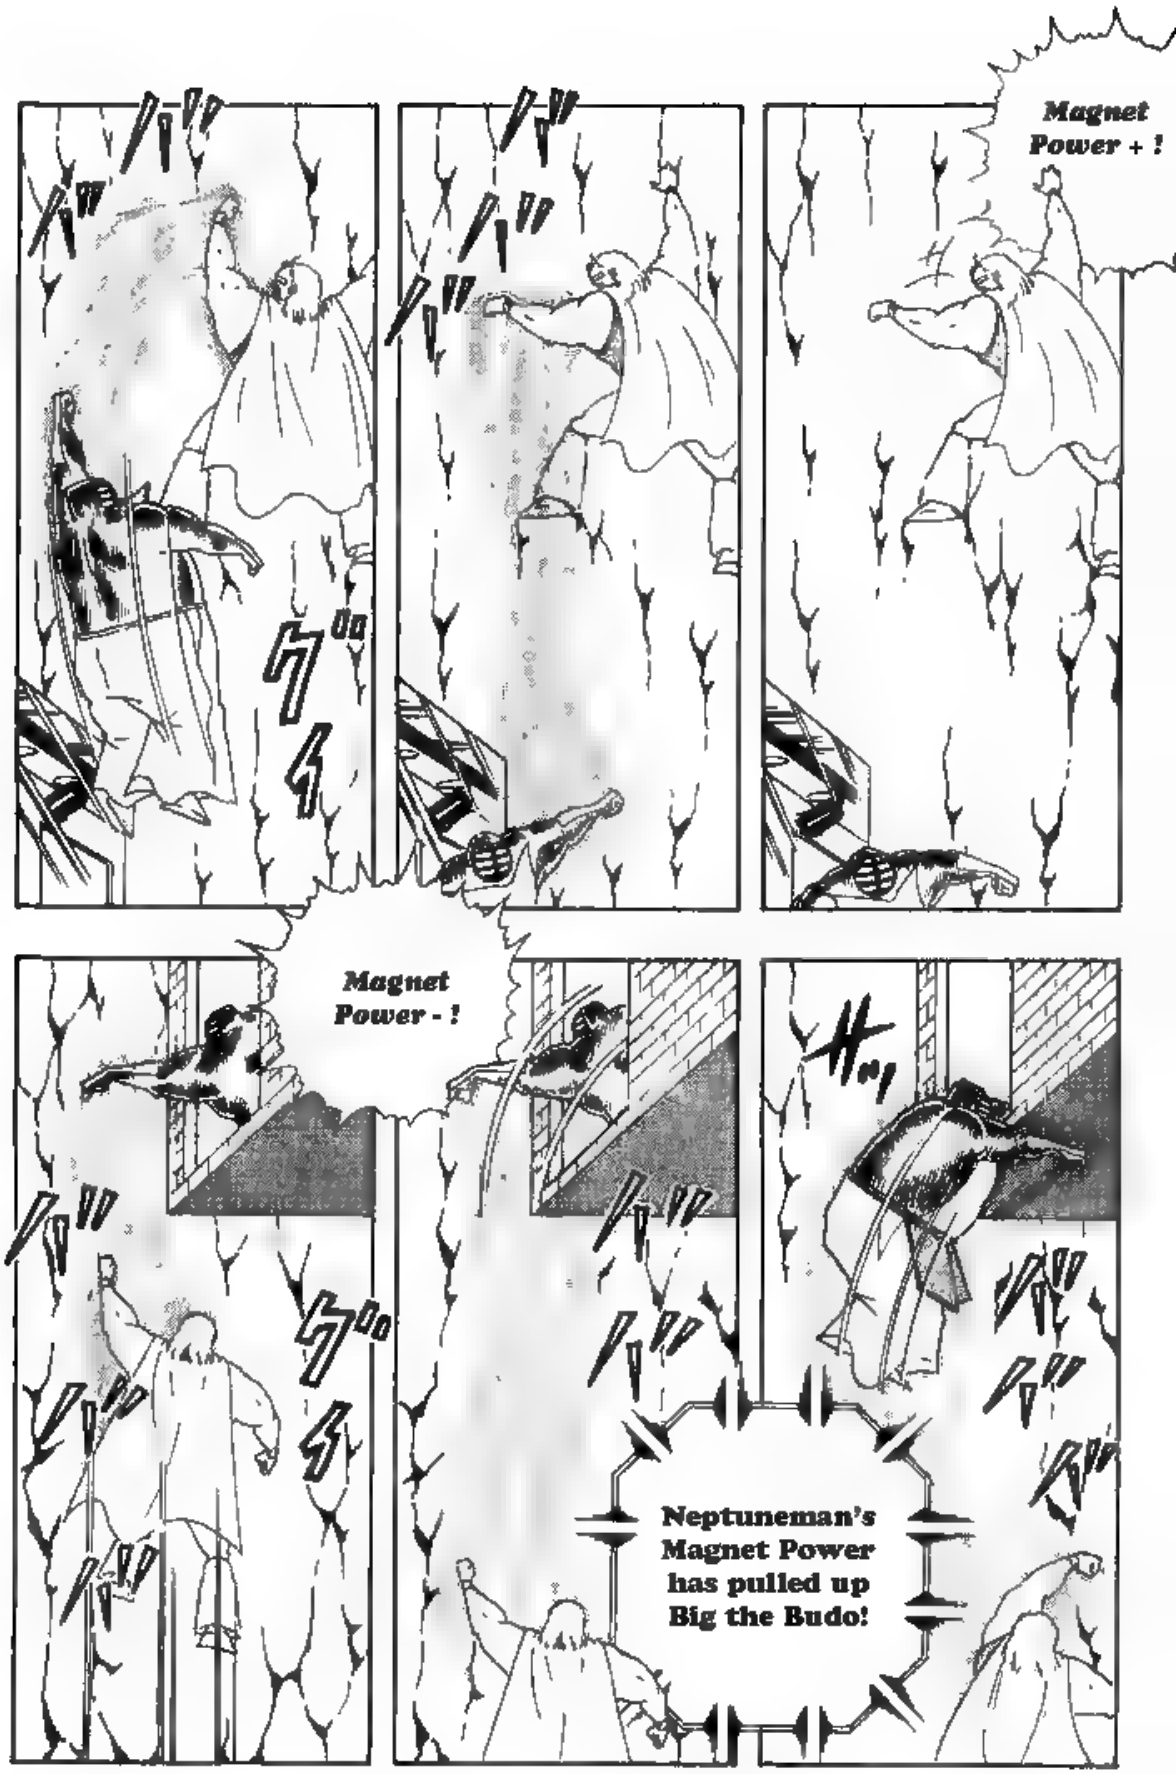
Is this a real miracle? After losing a limb, he's recovered in just one night! How amazing!

I will hold the golden trophy in their honor!
This body isn't just mine anymore! I'm carrying the souls of Buffaloman and Doctor Bombe with me!
Until today, I've never seen that kind of Friendship Power in action...
Even if nobody cheers for you, we'll always be there!
Will both of the competing teams please enter Tournament Mountain immediately!
!!
I don't know how you did it, but it looks like you managed to get some drastic treatment in only one night...



Now, will everyone turn their attention toward Tournament Mountain?
We're in a semi-final ring, too!
Uwa, isn't this just the semi-finals rings?
Hey Suguru, you're supposed to be in the one above you, stupid!
What's going on? With much confusion, both teams have turned up in the semi-finals arenas!
Hey chairman, why did you forget to add more stairs!?
Huh?
But dad, the stairs inside of the mountain don't go any higher!

Muscle Brothers and Hell Missionaries, you only got this far due to your great teamwork!
Without using stairs, you'll grapple your way up to the finals arena with teamwork!
Huh?
I didn't forget, it's part of the finals!
Right! We'll go, too!
Got it. We have to open our own destinies...
Owa, I'm afraid of heights!
Both teams have started to climb the mountain to the final ring!



Magnet Power + !
Magnet Power - !
Neptuneman's Magnet Power has pulled up Big the Budo!

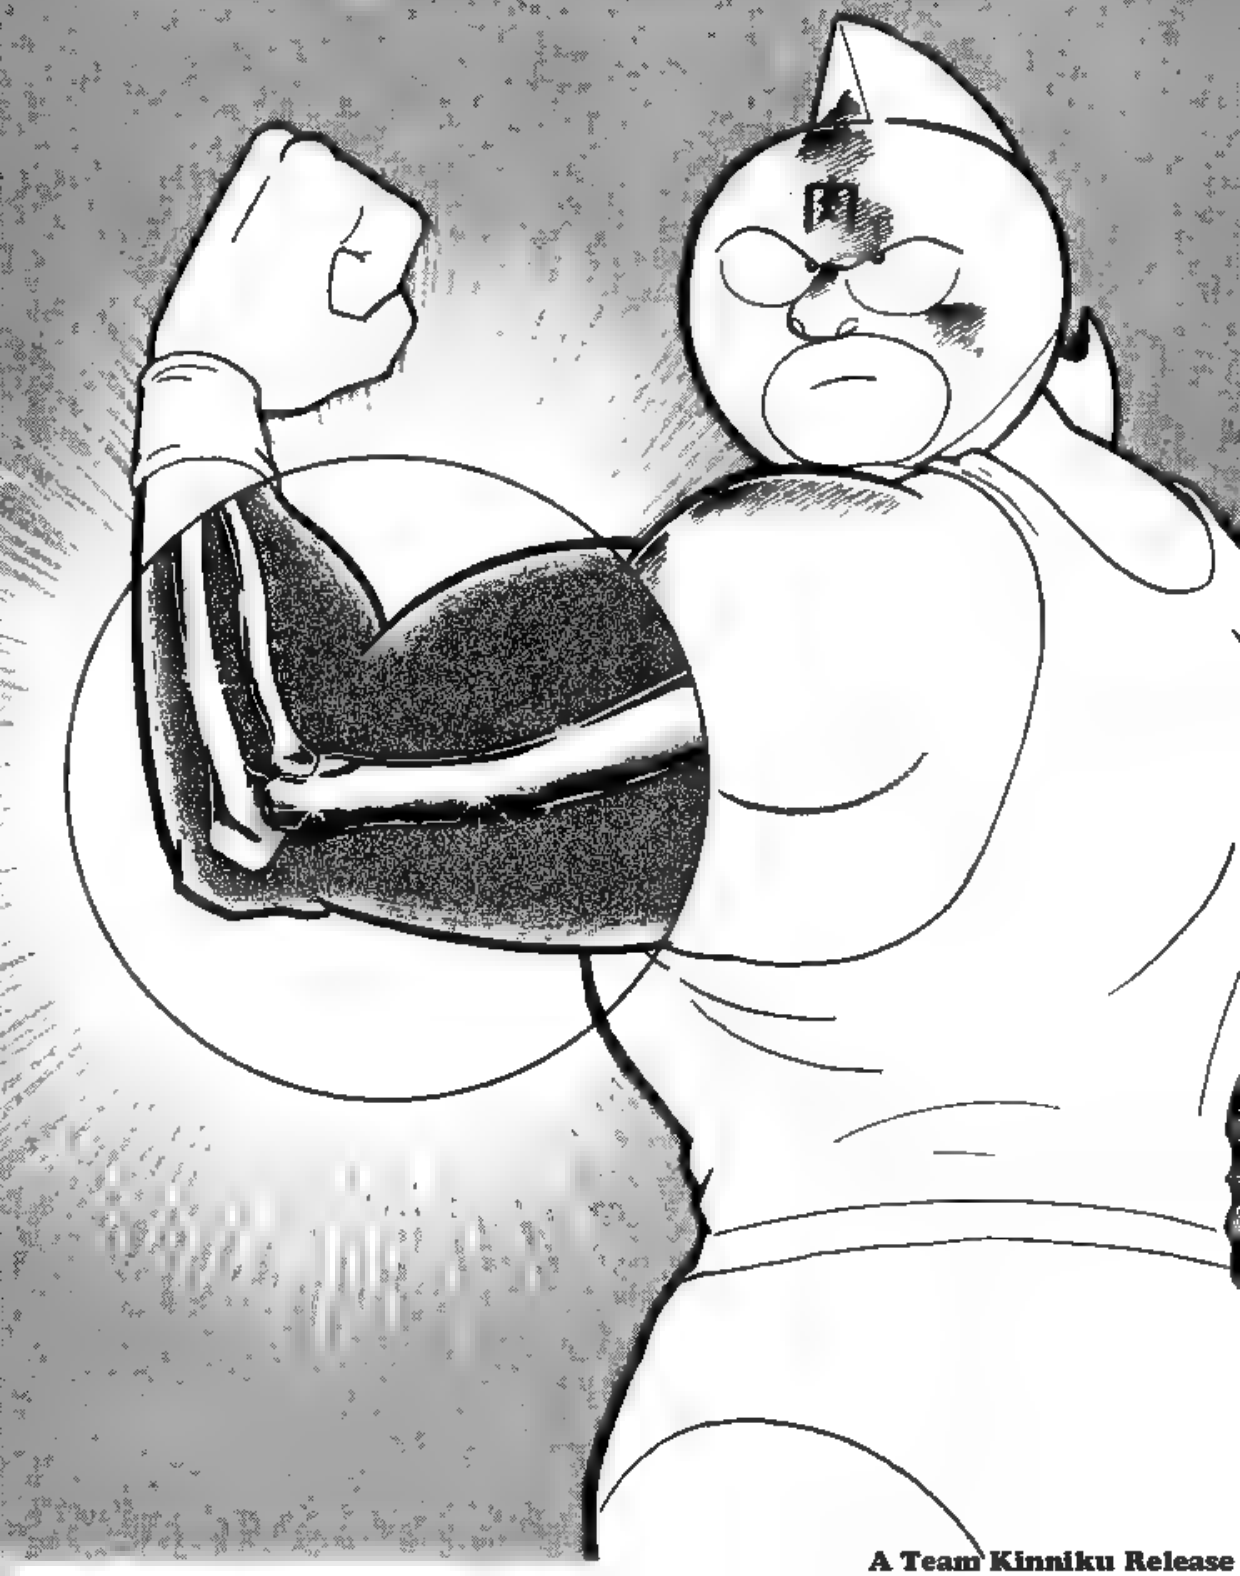
You can do this, Muscle Brothers!
The Missionaries quickly form a splendid connection!
Thanks.
Kinnikuman, grab on.
Third is Kinnikuman Great in the finals box!
Uwa!
Heh heh heh... Climbing a mountain with one arm is hard. Let's have some fun.
Uwa!

Kinnikuman is falling off Tournament Mountain!
Kinniku-man!
Uoooh!

OOOOOH!
Somehow Kinnikuman has caught himself by smashing his left arm into the side of Tournament Mountain!
Buffaloman, your Longhorn saved me!
How did his arm become that strong!?

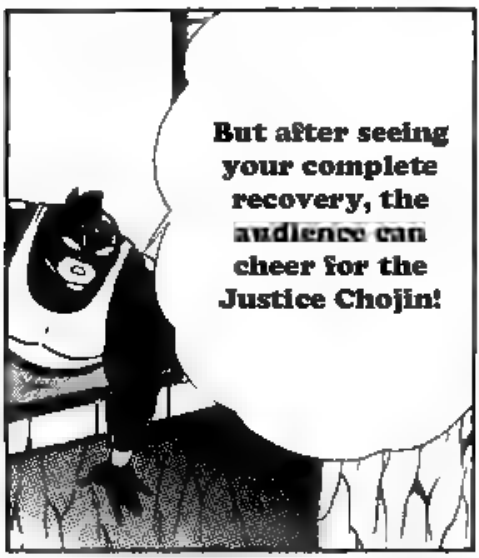
Dream Chojin Tag Arc 48

Terrifying Sword Deathmatch!

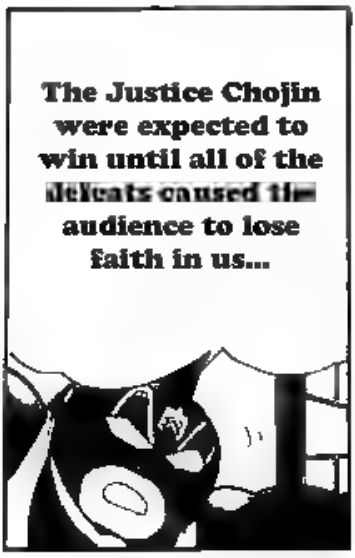


あ
あ
お。
お。
Kinnikuman's previously damaged left arm has completely healed overnight!

We always believed in your recovery!
We knew Kinnikuman's Burning Inner Strength made him invincible!



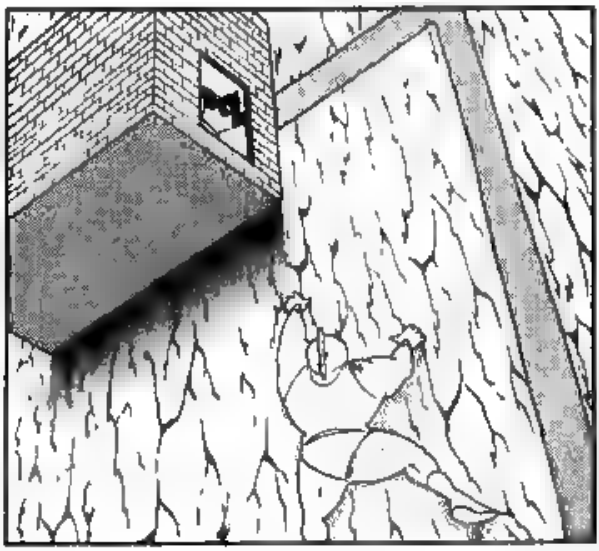
But after seeing your complete recovery, the audience can cheer for the Justice Chojin!



The Justice Chojin were expected to win until all of the defeats caused the audience to lose faith in us...

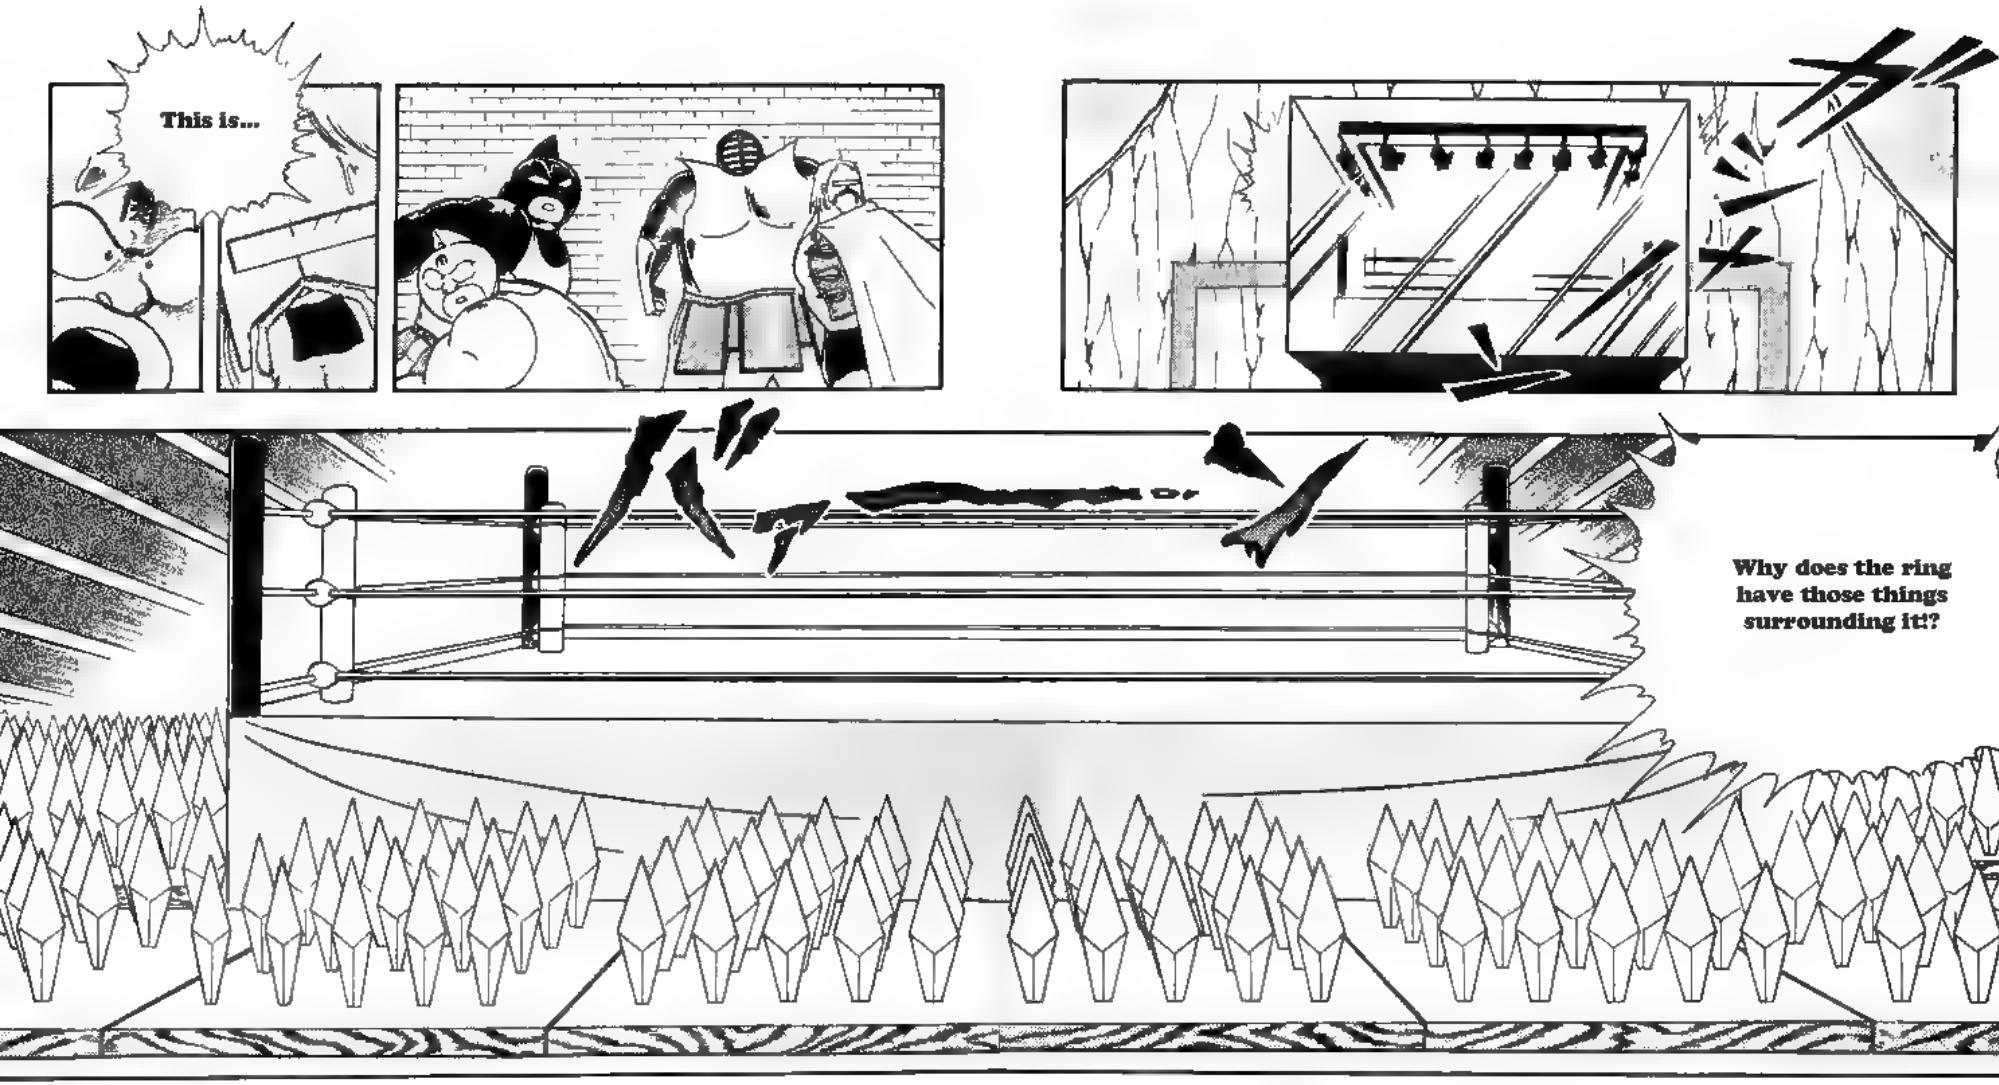
Everyone's cheering for me...

MUSCLE!
MUSCLE!

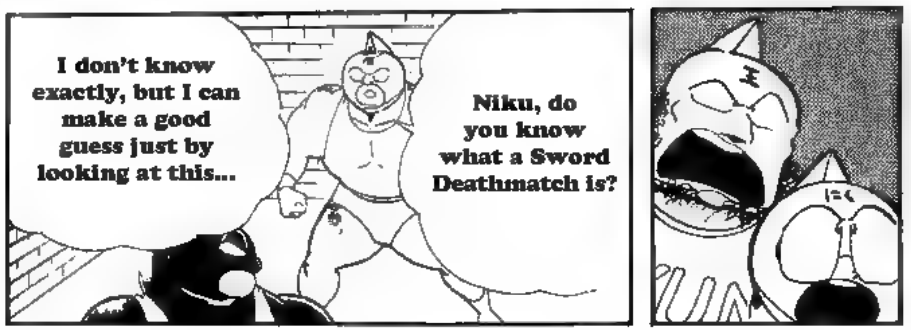


The audience that was supporting the Missionaries just a moment ago are now chanting as if calling them out!
MUSCLE!
MUSCLE!
Unless Kinnikuman didn't intend to save himself...
I don't understand! When Kinnikuman was kicked, his face wasn't the face of someone who was ready to save himself!
I saw it with my own eyes! As he was falling from Tournament Mountain, his left arm..
Huh!? Are you saying that Kinnikuman's arm has a mind of it's own!?

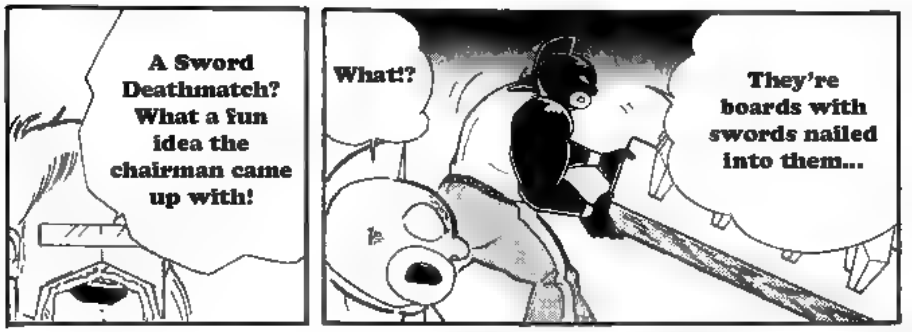
Huh!
If we don't pay attention to that arm during the match...
And caught his fall!
Moved on it's own...
Kinniku-man is entering the finals box!
Heh heh heh... It's time we revealed the perfect stage for the final match!
ゴゴゴゴゴゴ



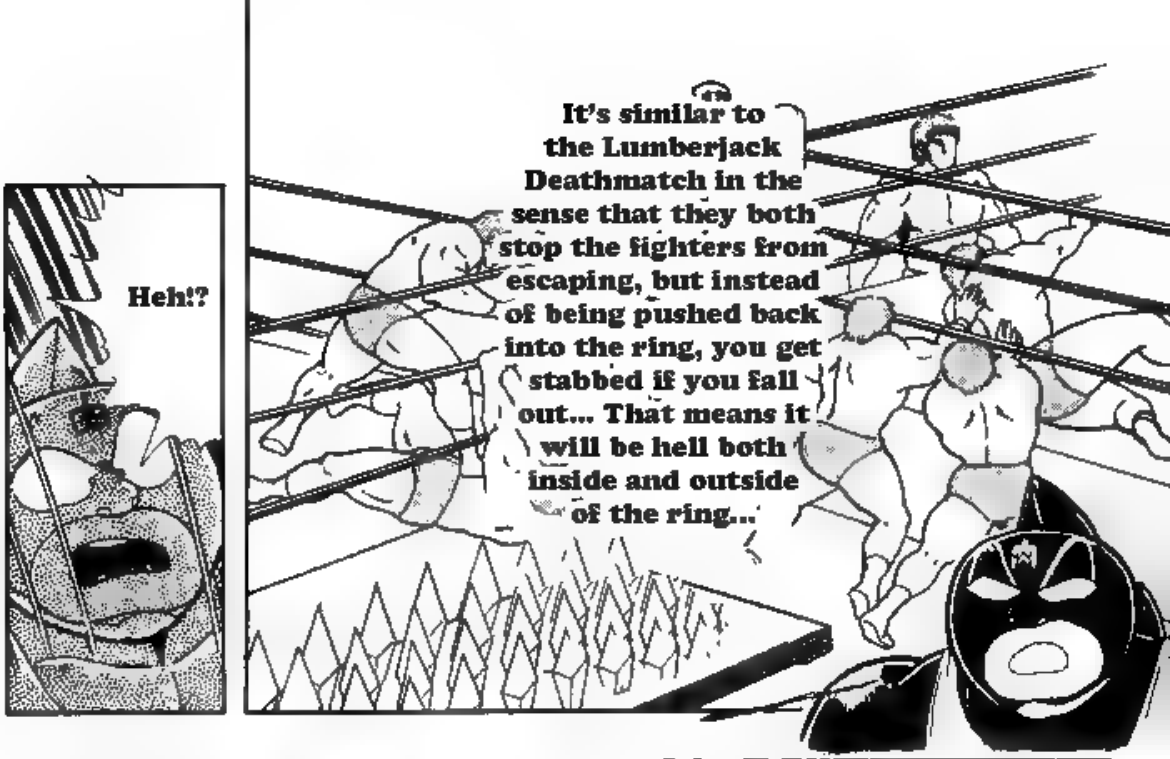
This is...
Why does the ring have those things surrounding it!?



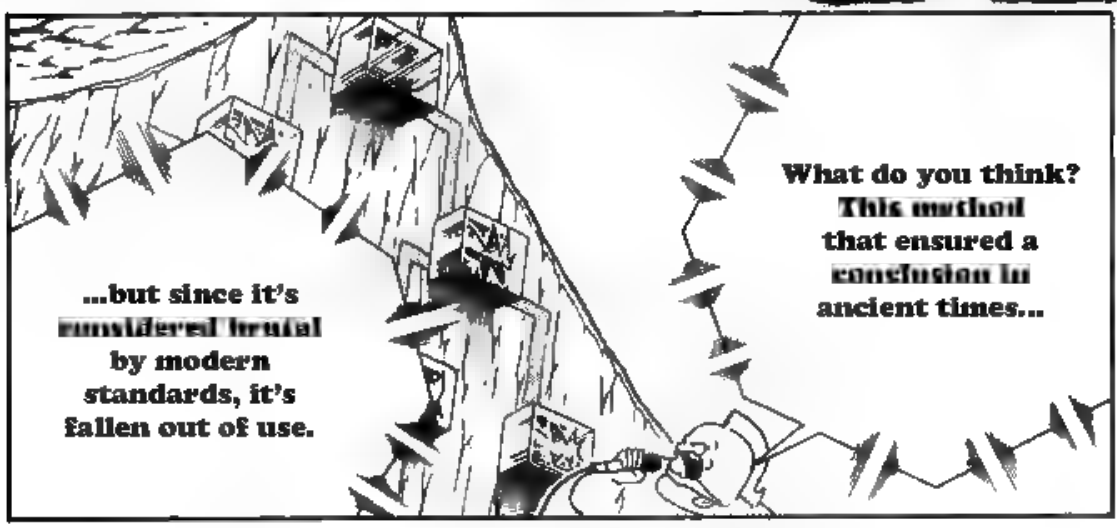
I don't know exactly, but I can make a good guess just by looking at this...
Niku, do you know what a Sword Deathmatch is?



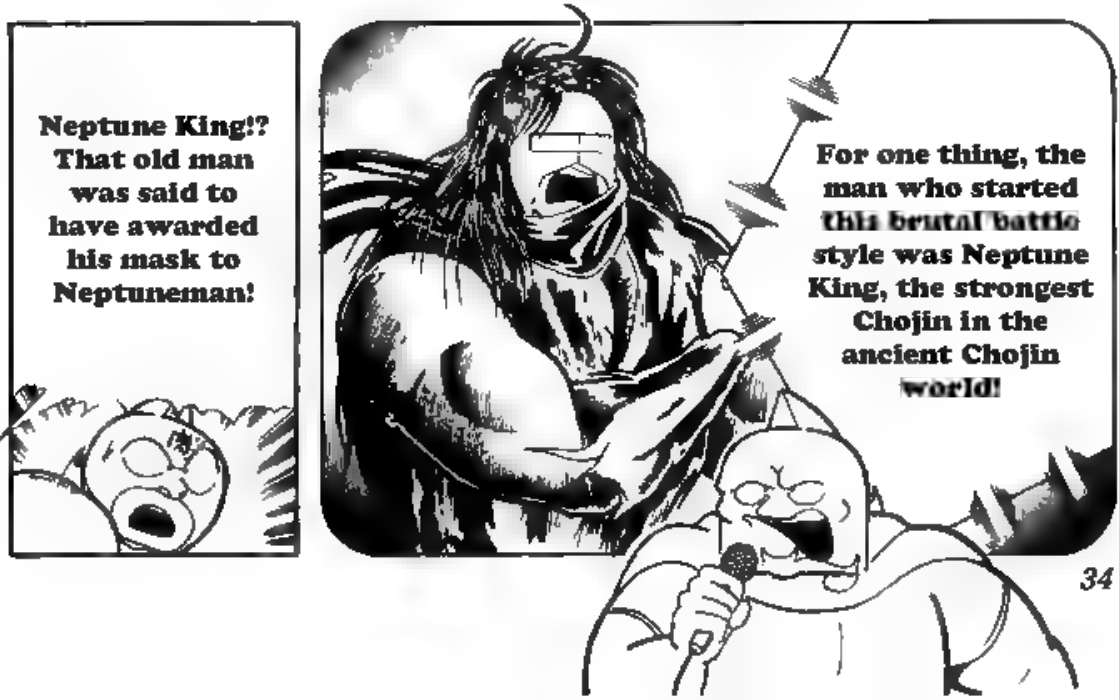
A Sword Deathmatch? What a fun idea the chairman came up with!
What!?
They're boards with swords nailed into them...



Heh!?
It's similar to the Lumberjack Deathmatch in the sense that they both stop the fighters from escaping, but instead of being pushed back into the ring, you get stabbed if you fall out... That means it will be hell both inside and outside of the ring...

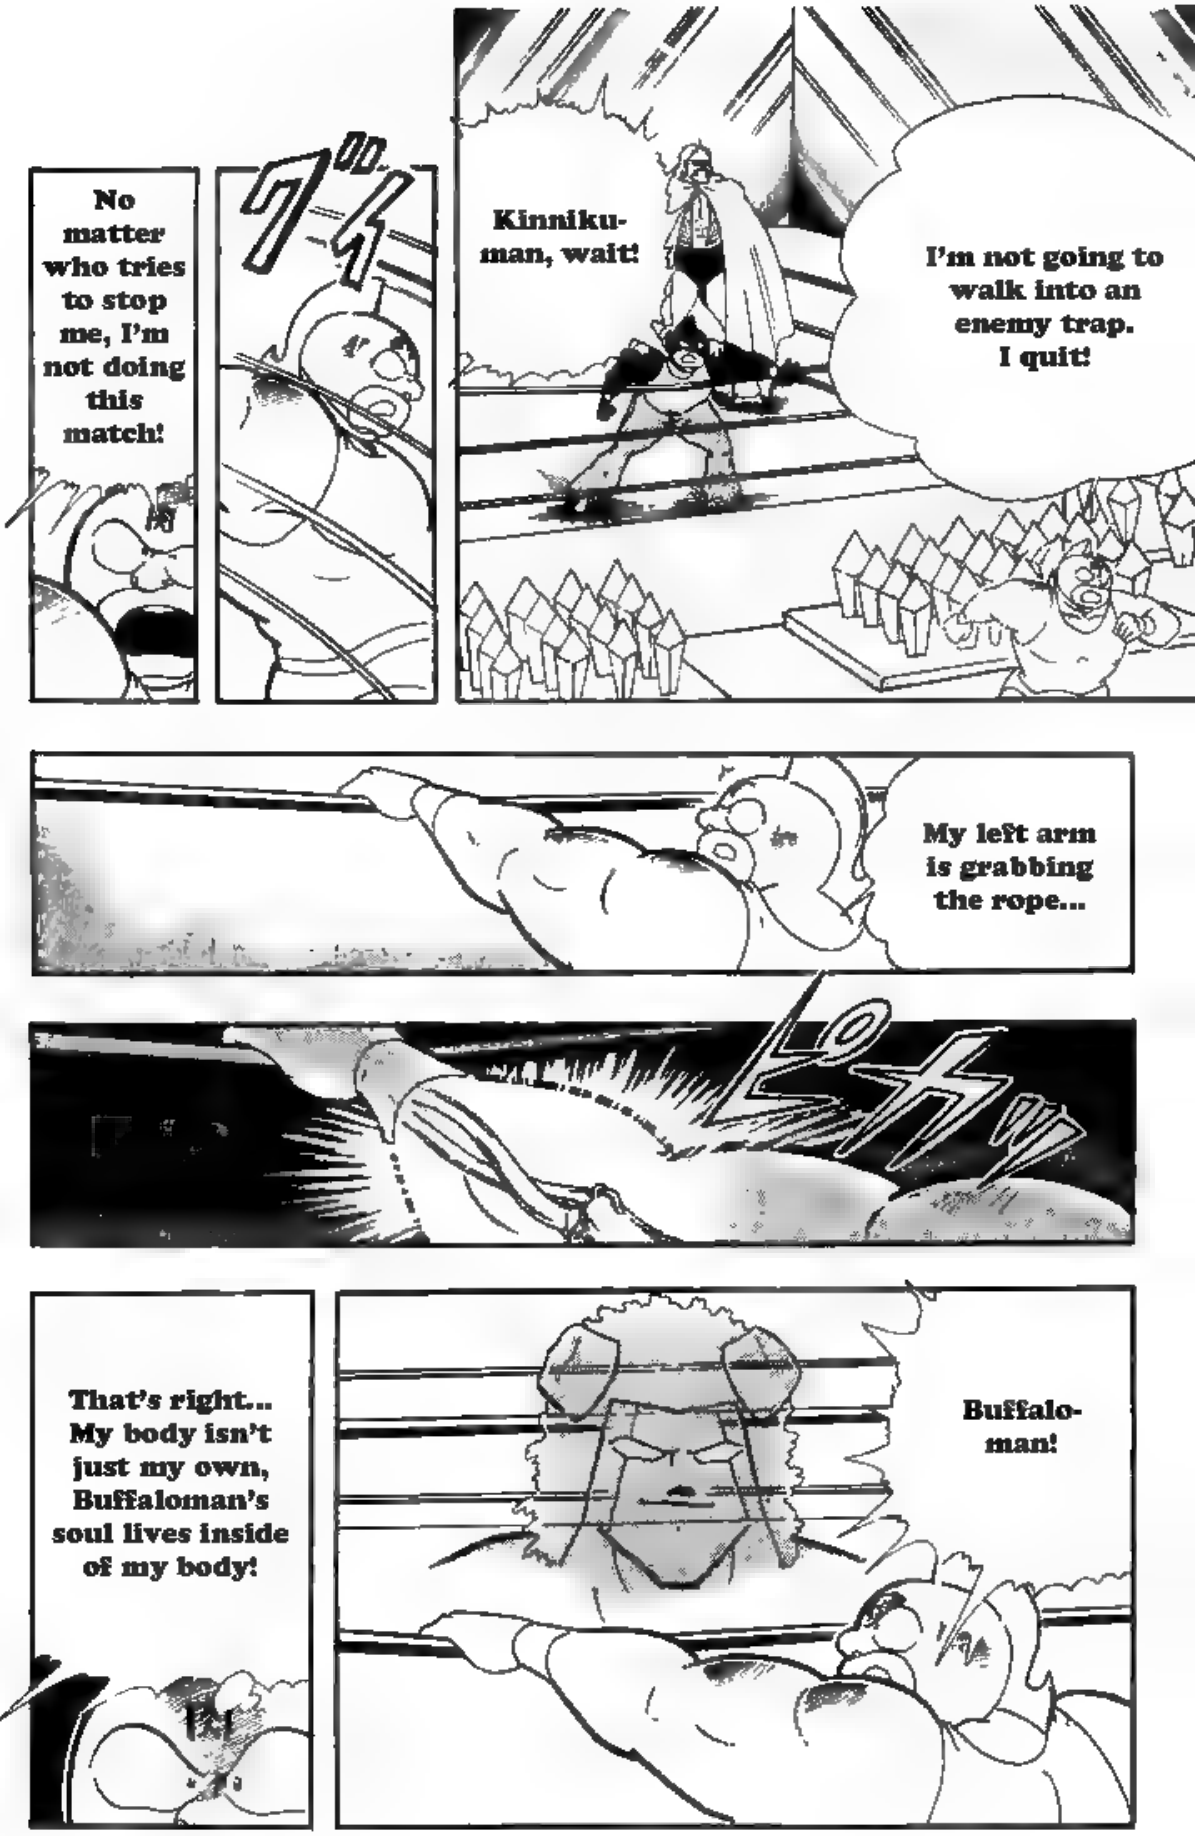


What do you think? This method that ensured a conclusion in ancient times...
...but since it's considered brutal by modern standards, it's fallen out of use.



Neptune King!? That old man was said to have awarded his mask to Neptuneman!
For one thing, the man who started this brutal battle style was Neptune King, the strongest Chojin in the ancient Chojin world!

The basis of fighting is to kill or be killed. Based on this belief, Lord Neptune King invented the Sword Deathmatch!
Lord Neptune King bound Chojin wrestling to the rules, fearing that it would otherwise be turned into a sport!
If we don't accept it, then you two...
How about it, Muscle Brothers?
A deathmatch guided by my master at heart, Neptune King, will be fun!
Neptuneman, you're a coward! If your master, Neptune King, is a master at this deathmatch, then doesn't that mean that you inherited that along with his mask!?
...will get the gold trophy.

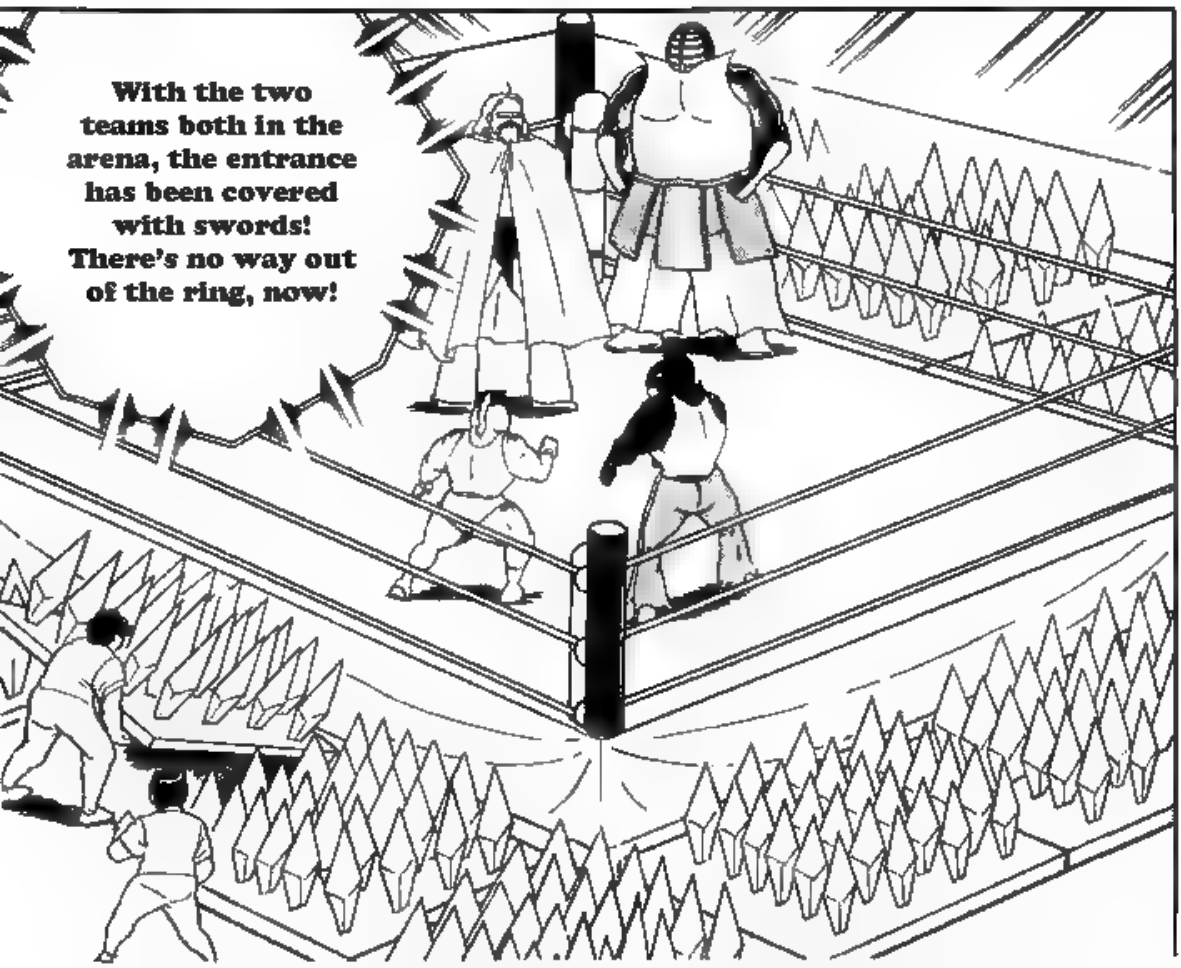


No matter who tries to stop me, I'm not doing this match!
Kinniku-man, wait!
I'm not going to walk into an enemy trap. I quit!
My left arm is grabbing the rope...
That's right... My body isn't just my own, Buffaloman's soul lives inside of my body!
Buffalo-man!

Niku!

Kinniku-man!

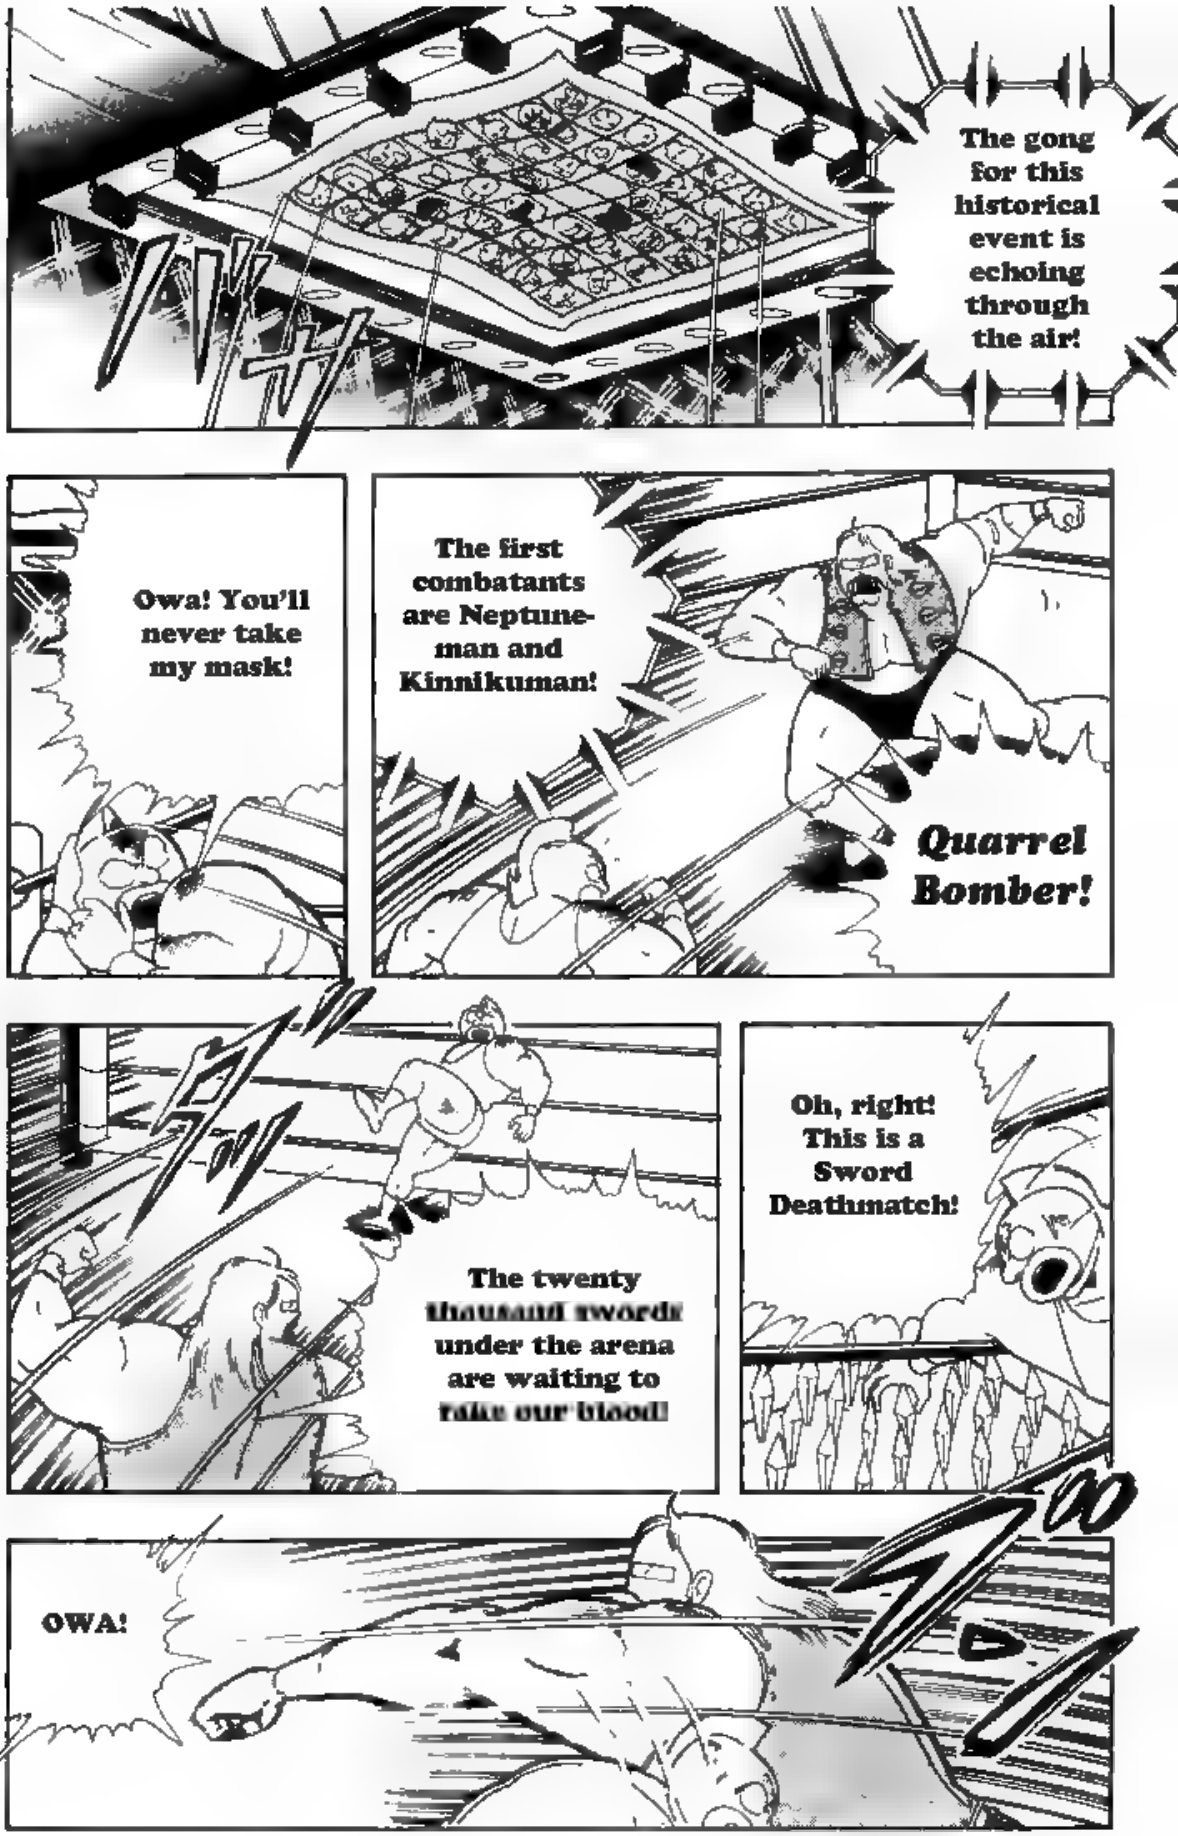
I'm sorry, Buffaloman, I'll do this fight for you...



With the two teams both in the arena, the entrance has been covered with swords! There's no way out of the ring, now!

Interesting as the Sword Deathmatch is, don't you think it's still pretty boring on it's own?
Hold on a minute!
Alright, come at me!
Chojin tag rules normally state that each round is a single round match with no time limit! I say we make it into a 3-round match, since it's the final match!
What are you suggesting?
Alright, we'll do it! That way even if we lose one round, we can still win the other two rounds!
In short, that's a match where even if a team wins the first round, they still lose if they can't win a second round.
Make the one-round match into three rounds!?

Thus, the final match will a three-round, no time limit, Sword Deathmatch!
We'll do it! We accept the three round rule!
No, that's what they want you to do!
Huh? Why didn't you say something sooner!?
Kinnikman, you've just agreed to a horrible match setup! The reason the Missionaries insisted on it was so that they can take your mask in the first round, and Kinnikuman Great's in the second!
These are the empty spaces your your masks will be placed!
Heh heh... Too late!



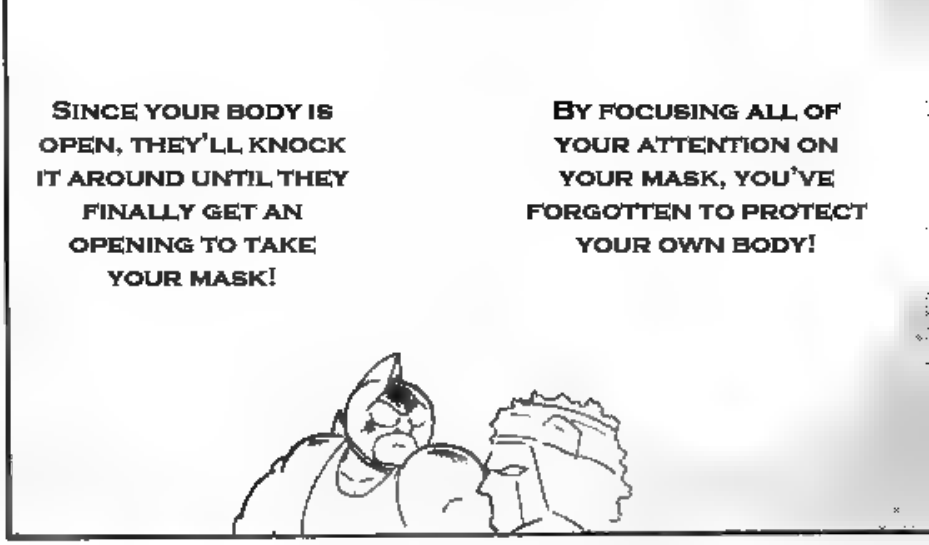
The gong for this historical event is echoing through the air!
Owa! You'll never take my mask!
The first combatants are Neptune-man and Kinnikuman!
Quarrel Bomber!
The twenty thousand swords under the arena are waiting to take our blood!
Oh, right! This is a Sword Deathmatch!
OWA!

Neptuneman has canceled his Quarrel Bomber and instantly switched to a Double Arm Suplex!
ガキッ
Hiyah!
You can't escape!
What!?
ヒロ
But Kinnikuman Great is throwing himself onto the drop point to rescue him!
Here, Budo!
But Neptuneman has stopped in the middle of his Double Arm Suplex!

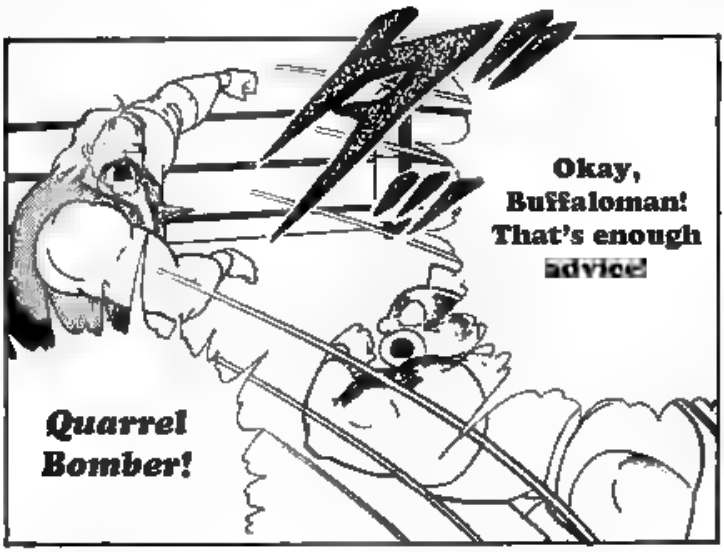
あぁ
It's the Missionaries' Hijack Pile Driver!
The team-work of the Missionaries' has exceeded that of the Muscle Brothers!
Demonic Schuss!
Uooh!
With Kinikuman hurt, Great falls into the current!

Heh heh heh... Even if you try to save him, you'll just be caught in the swords, too!
Niku!
Kinnikuman Great has become the first victim of the Sword Deathmatch!
Well, come at me!
You...!
BY WORRYING SO MUCH ABOUT PROTECTING YOUR MASK, YOU'VE GIVEN THEM AN OPENING, KINNIKUMAN!
Buffaloman!

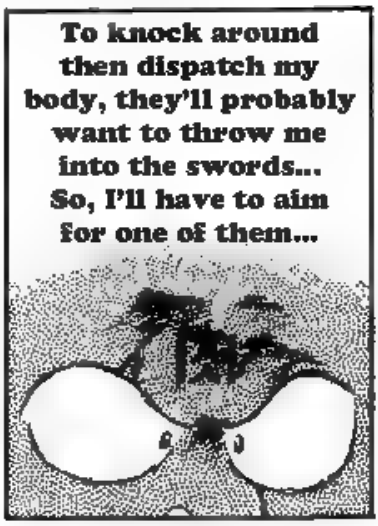
Of course!



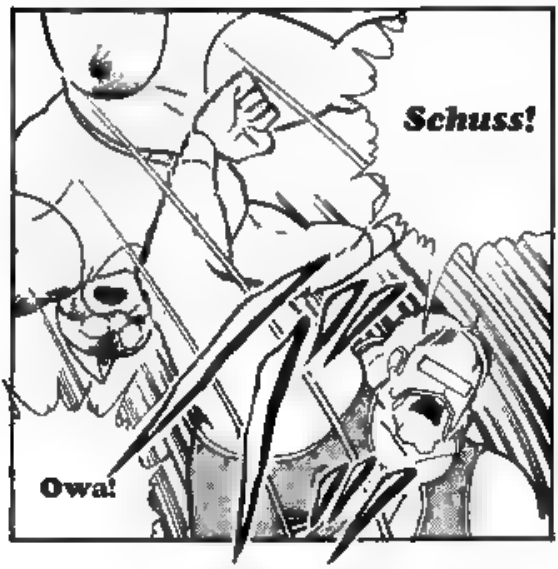
SINCE YOUR BODY IS OPEN, THEY'LL KNOCK IT AROUND UNTIL THEY FINALLY GET AN OPENING TO TAKE YOUR MASK!
BY FOCUSING ALL OF YOUR ATTENTION ON YOUR MASK, YOU'VE FORGOTTEN TO PROTECT YOUR OWN BODY!



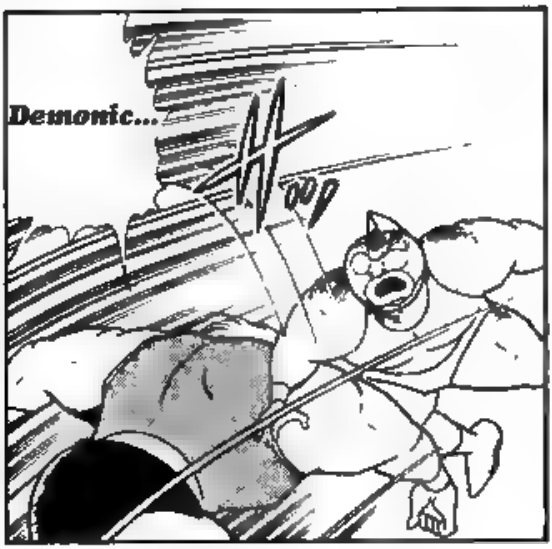
Okay, Buffaloman! That's enough advice!
Quarrel Bomber!



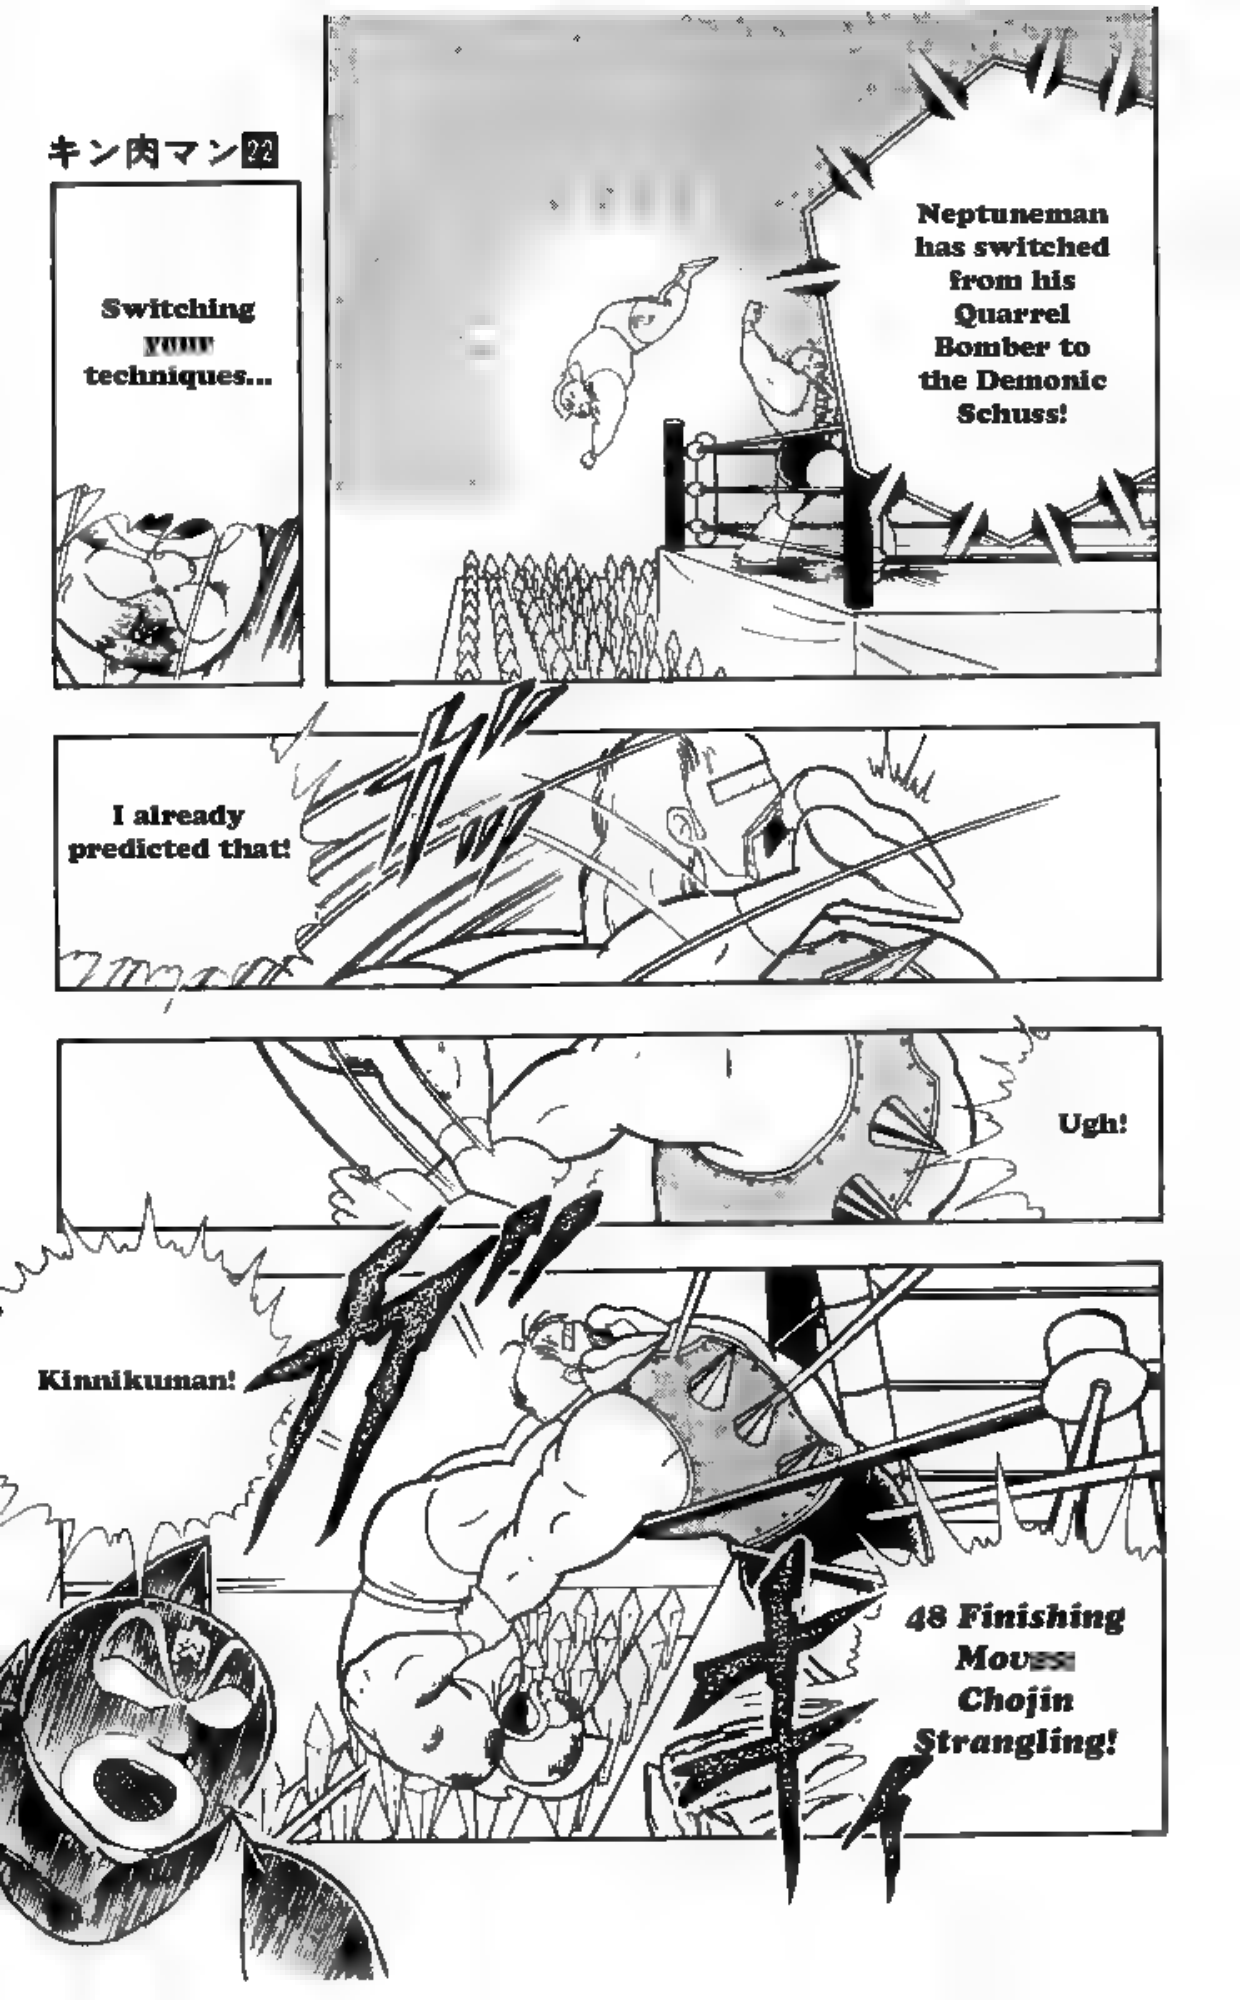
To knock around then dispatch my body, they'll probably want to throw me into the swords... So, I'll have to aim for one of them...



Schuss!
Owa!



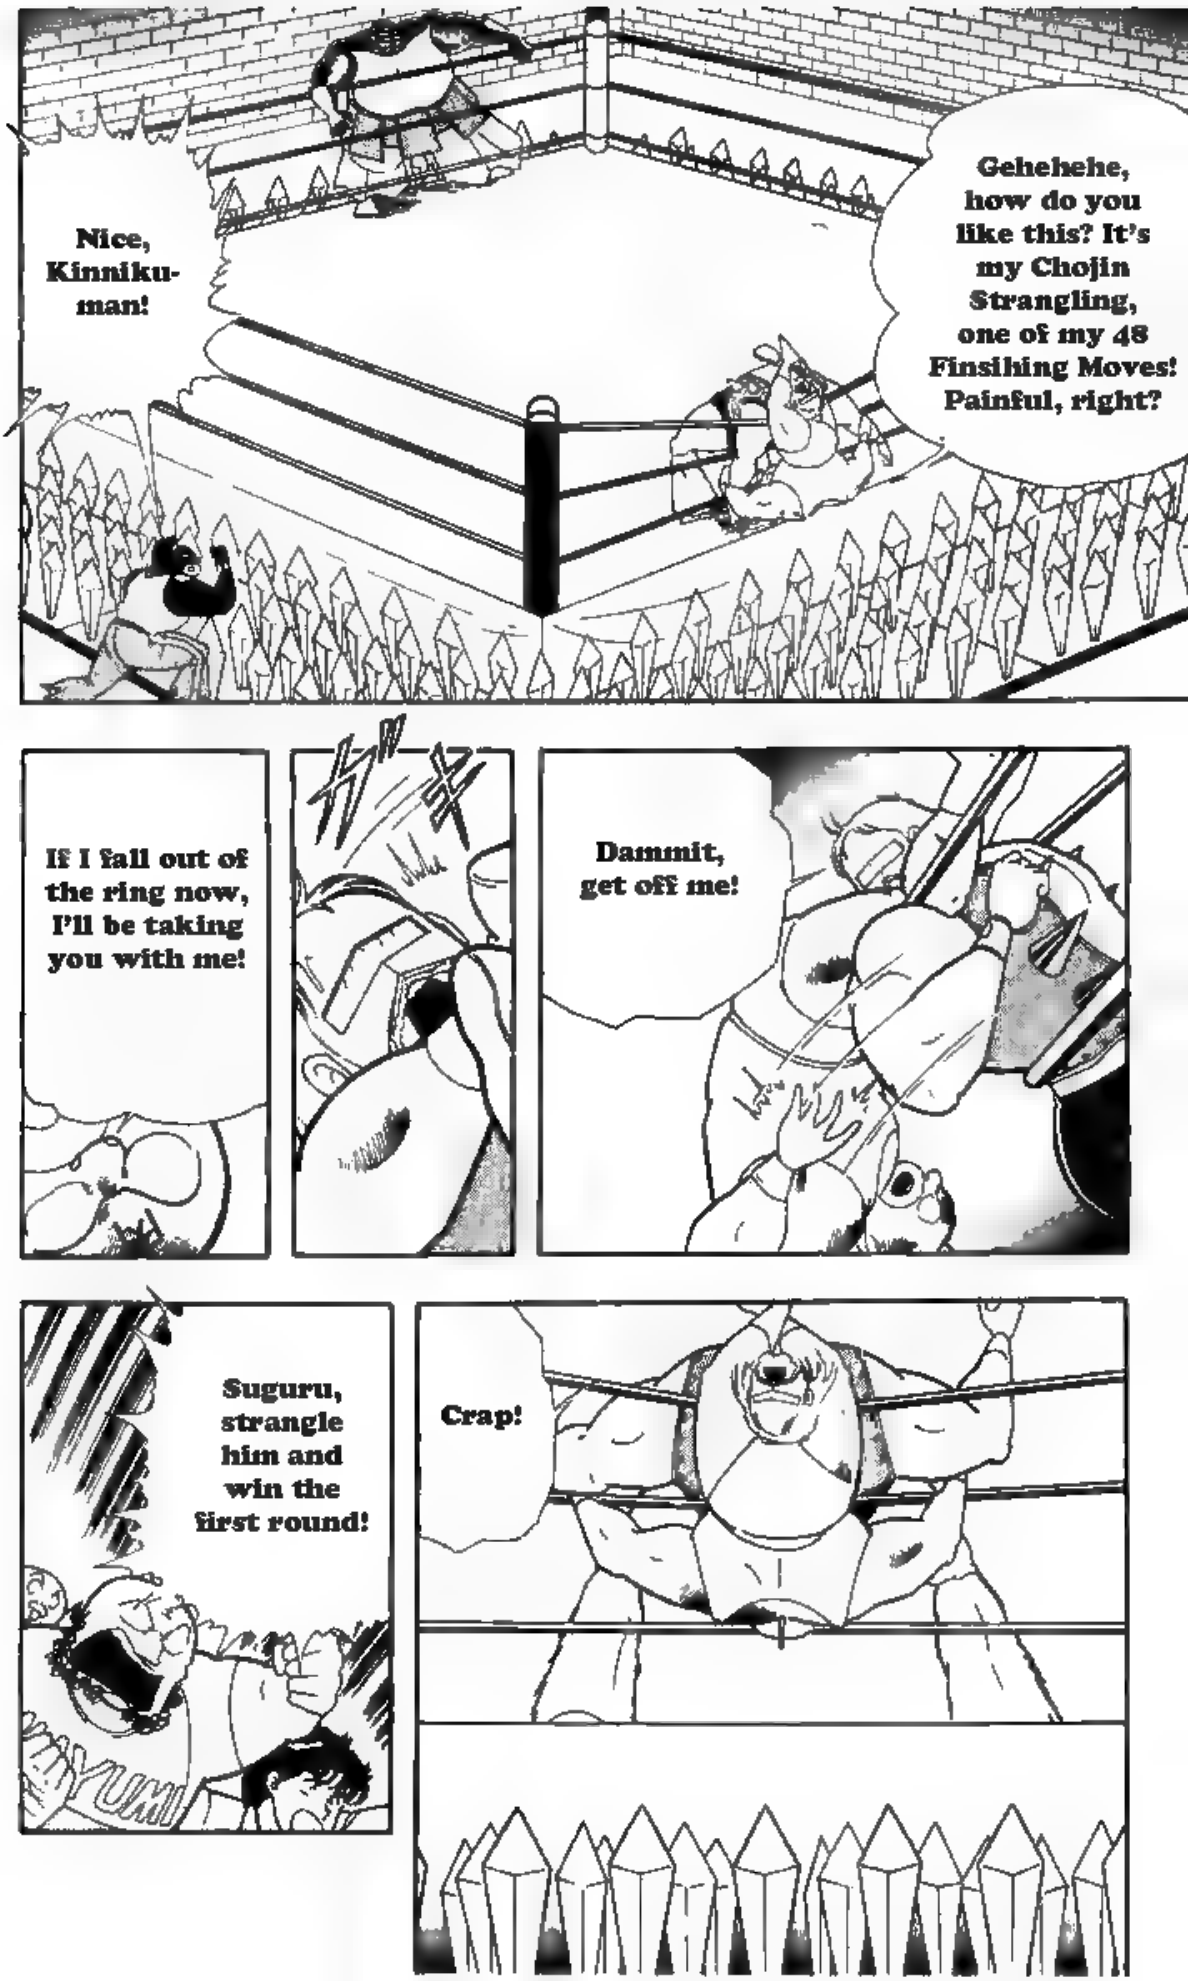
Demonic...



Switching your techniques...
Neptuneman has switched from his Quarrel Bomber to the Demonic Schuss!
I already predicted that!
Ugh!
Kinnikuman!
48 Finishing Moves Chojin Strangling!

Mask-Hunt Announcement!

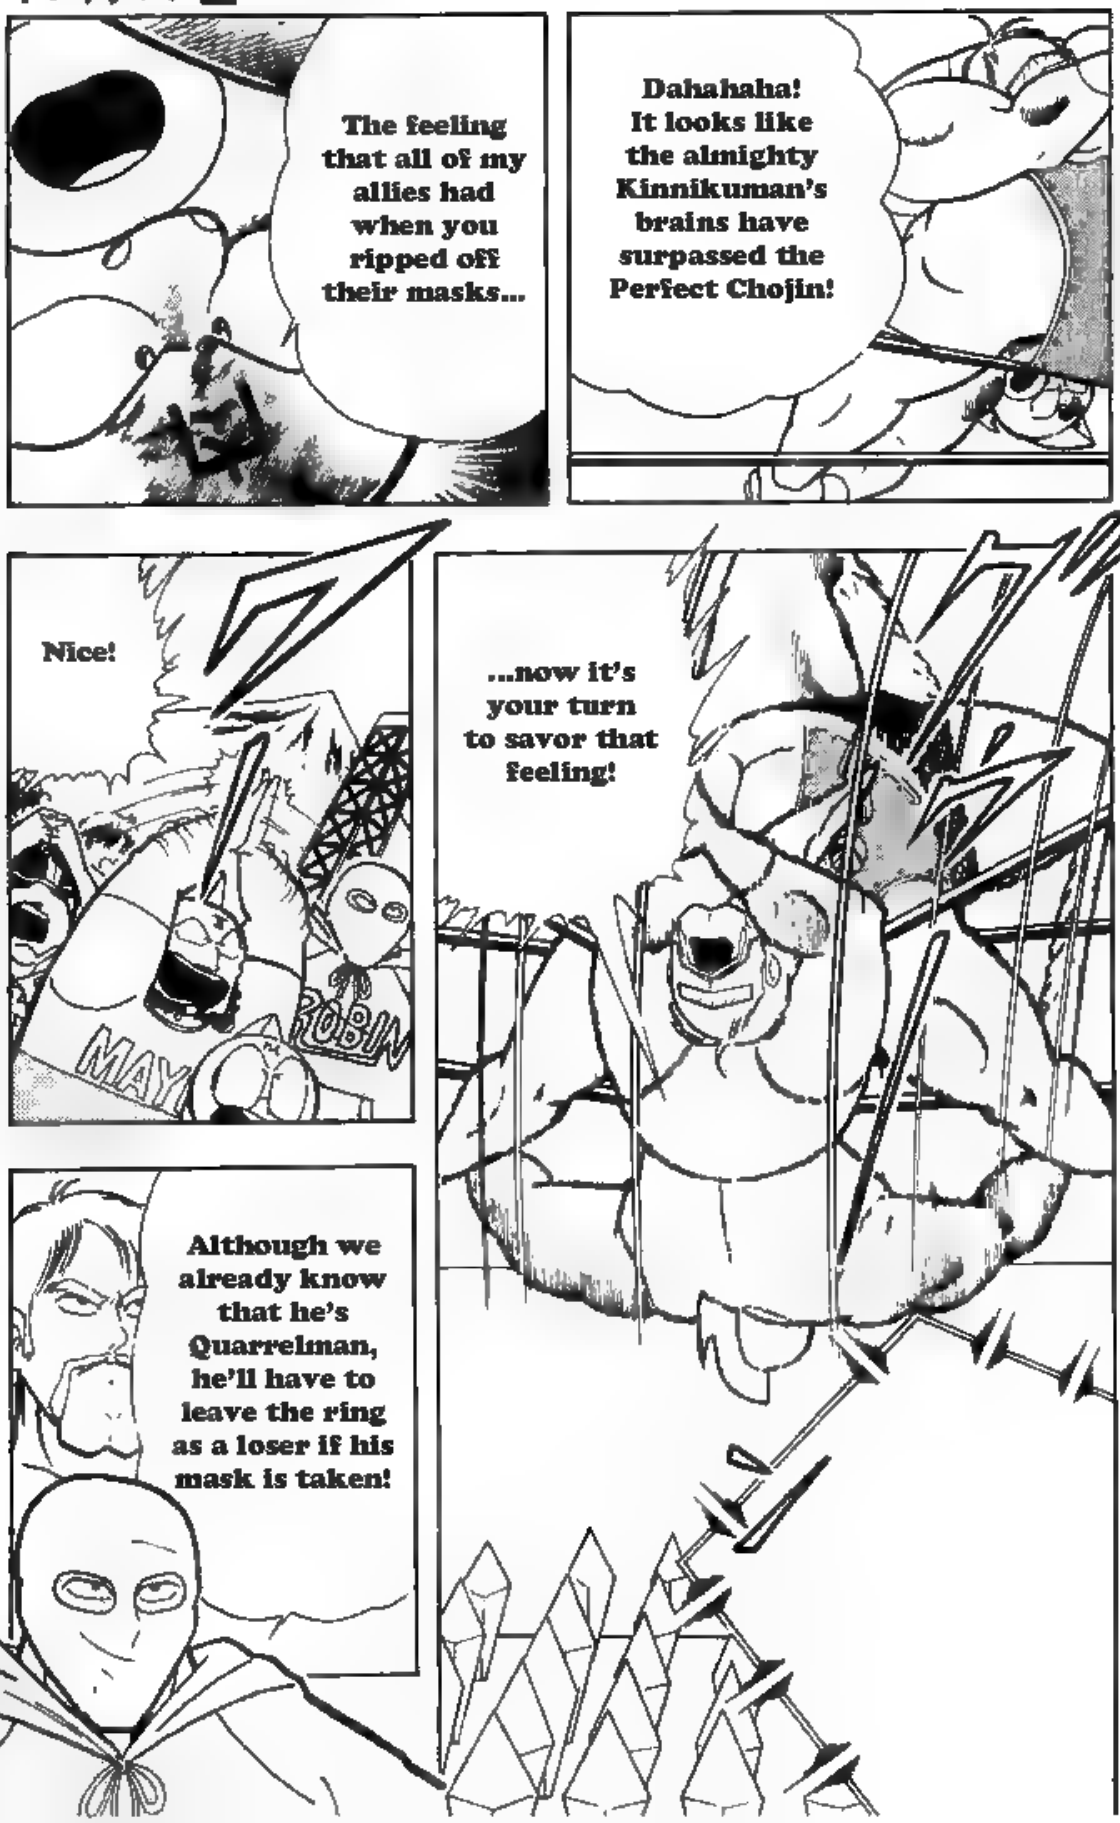
Kinnikuman is protecting himself by holding onto Neptuneman with both arms and legs while on the verge of falling onto the sword-planks!



Nice, Kinniku-man!
Gehehehe, how do you like this? It's my Chojin Strangling, one of my 48 Finsihing Moves! Painful, right?
If I fall out of the ring now, I'll be taking you with me!
Dammit, get off me!
Suguru, strangle him and win the first round!
Crap!

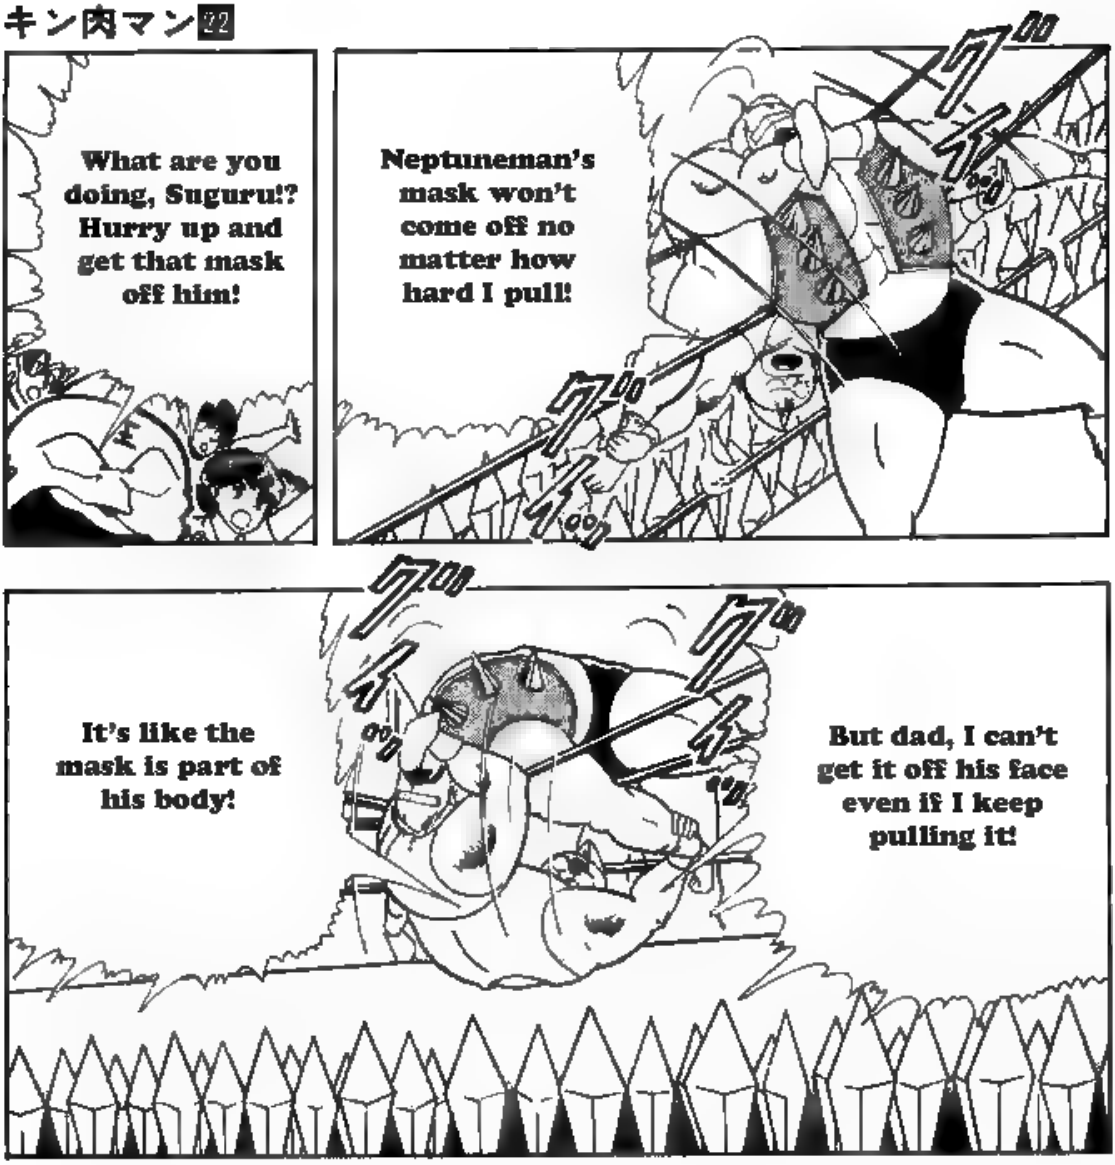
Guoo!
Lord Neptuneman, I'm here to save you!
Geeeh, Budo!
Budo is rescuing Neptuneman with a rain of punches onto Kinnikuman's body!
However, it doesn't seem to be working, since Kinnikuman is still grinning!

It's alright, Niku!
Budo, that's foul play!
!!
...wha?
Hey Budo, haven't you figured it out yet? If you force me down from here, it'll end up ripping off Neptuneman's mask, too!
Huh!?
Stop, Budo!

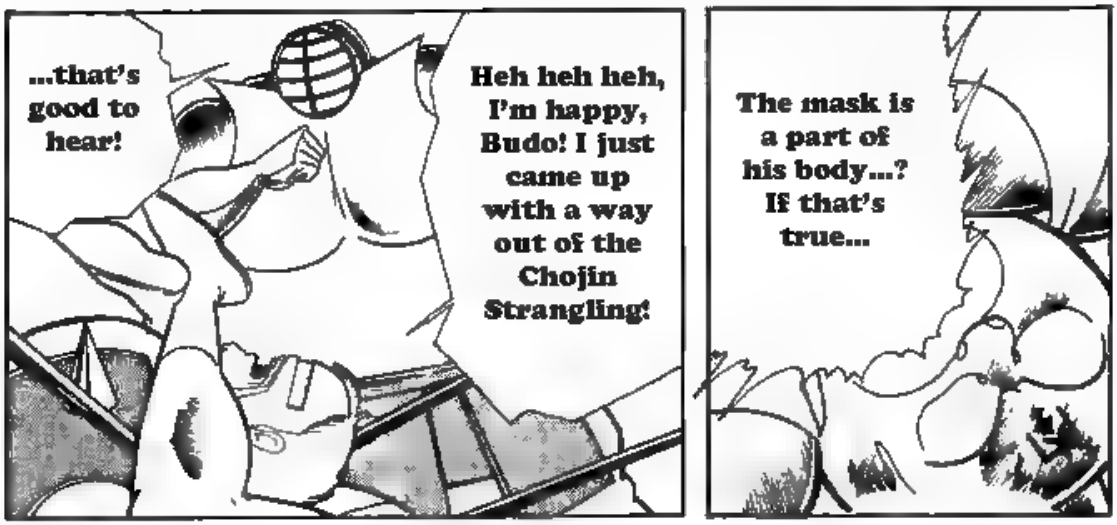


The feeling that all of my allies had when you ripped off their masks...
Dahahaha! It looks like the almighty Kinnikuman's brains have surpassed the Perfect Chojin!
Nice!
MAY
ROBIN
...now it's your turn to savor that feeling!
Although we already know that he's Quarrelman, he'll have to leave the ring as a loser if his mask is taken!

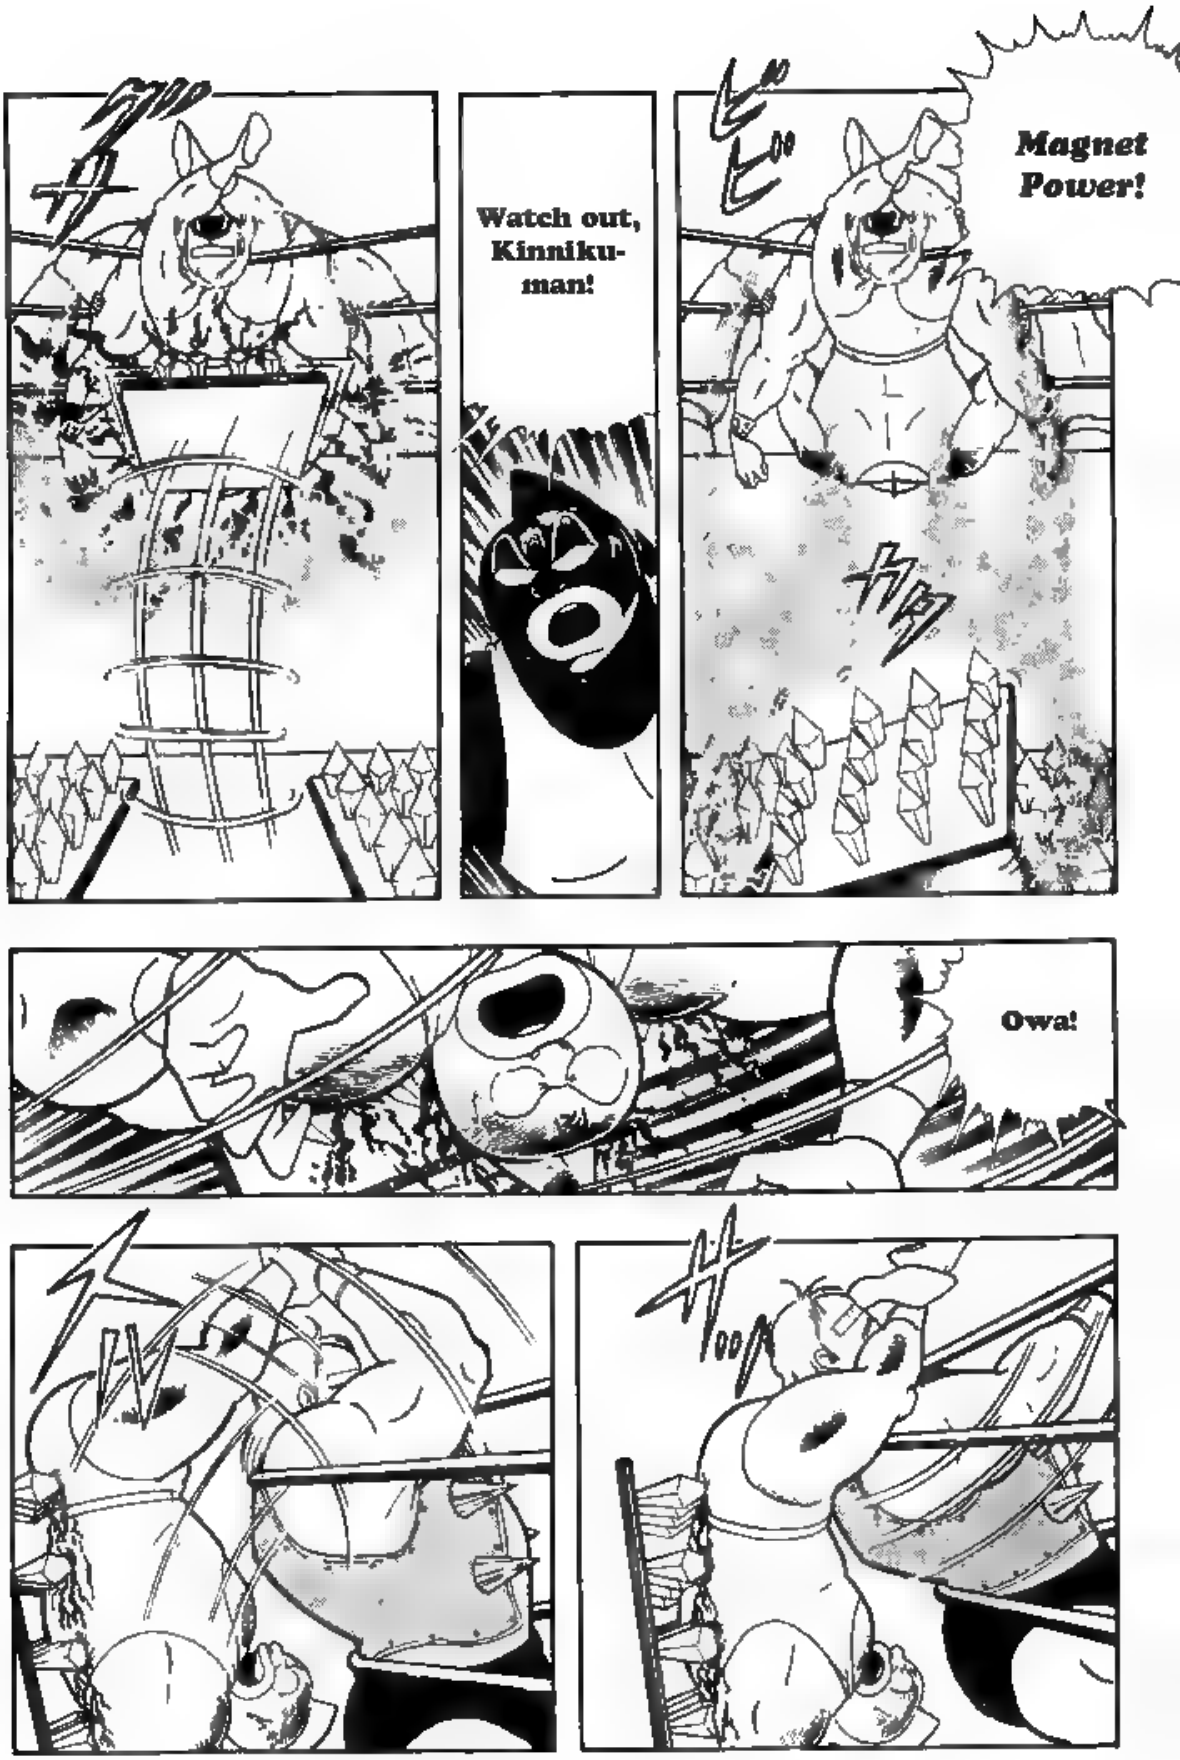
Don't you have faith in my true power, Budo?
Lord Neptune-man!
It can never be taken off!
No matter what you do to the Neptune Mask...
As you should know...
Is... some-thing wrong?
Special mask?
That's true, Neptuneman. That mask is different than the masks Chojin who don't have that sort of power wear! It's a special mask!
Right!



What are you doing, Suguru!? Hurry up and get that mask off him!
Neptuneman's mask won't come off no matter how hard I pull!
It's like the mask is part of his body!
But dad, I can't get it off his face even if I keep pulling it!

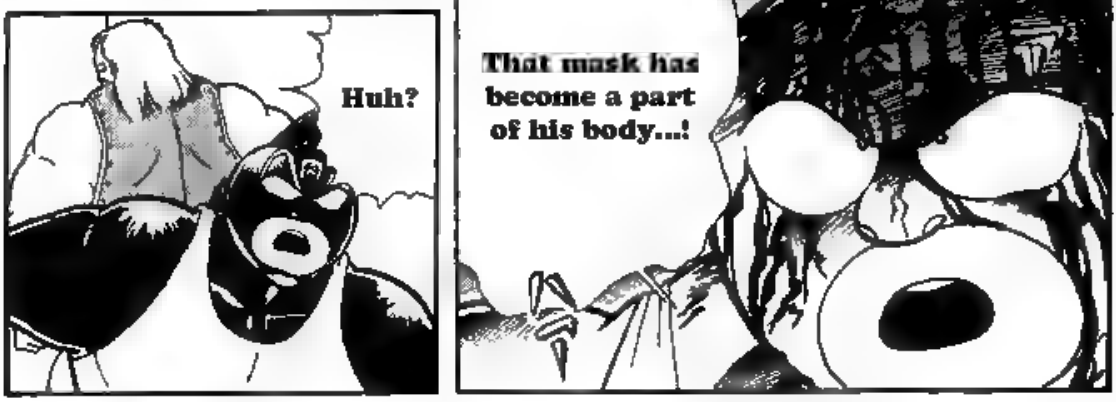


...that's good to hear!
Heh heh heh, I'm happy, Budo! I just came up with a way out of the Chojin Strangling!
The mask is a part of his body...? If that's true...

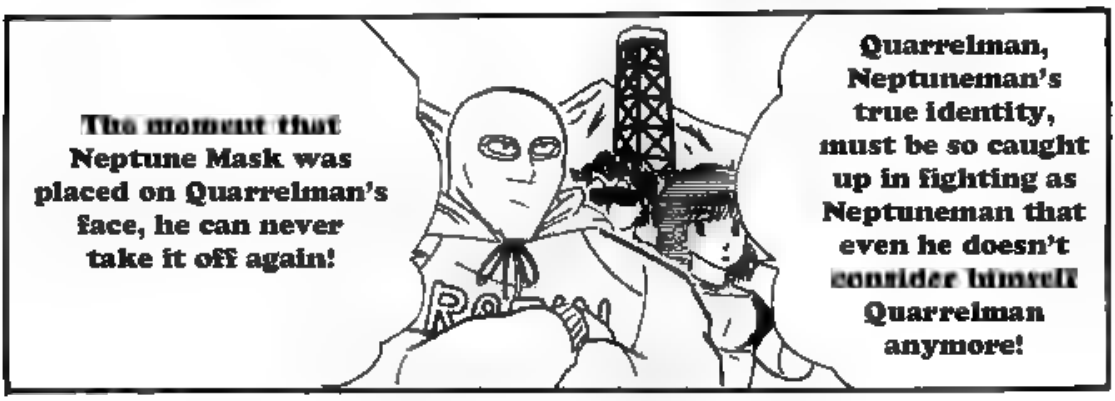


Watch out, Kinniku-man!
Magnet Power!
Owa!

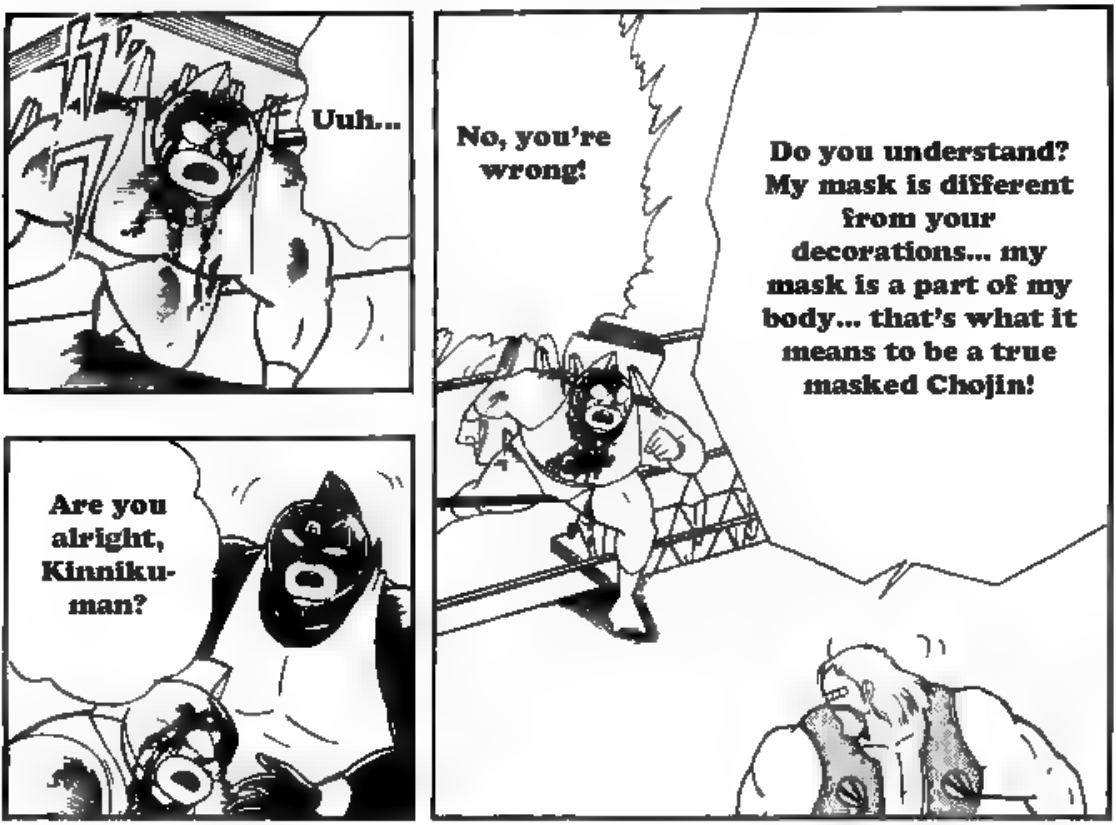
Demon Schuss Special!
What do you mean?
Niku, his mask isn't something we can take off ourselves!
Kinnikuman is filled with agony in front of that clever play!
Kinniku-man!



Huh?
That mask has become a part of his body...!



The moment that Neptune Mask was placed on Quarrelman's face, he can never take it off again!
Quarrelman, Neptuneman's true identity, must be so caught up in fighting as Neptuneman that even he doesn't consider himself Quarrelman anymore!



Uuh...
Are you alright, Kinniku-man?
No, you're wrong!
Do you understand? My mask is different from your decorations... my mask is a part of my body... that's what it means to be a true masked Chojin!

Like the other Justice Chojin, I'm fascinated by your true power!
Neptuneman, you could have stabbed my mask into the swords, but you threw me into the concrete instead!
Your injuries are awful!
Heh heh heh, what face will you see when I take your friend's mask, Kinniku-man?
I want to enjoy taking your mask!
Right!
Budo, the target for the first mask hunt has changed from Kinnikuman to Kinnikuman. Great!
You can't come in during the first round, Niku!

Hahaha, how do you expect to protect him in your condition?

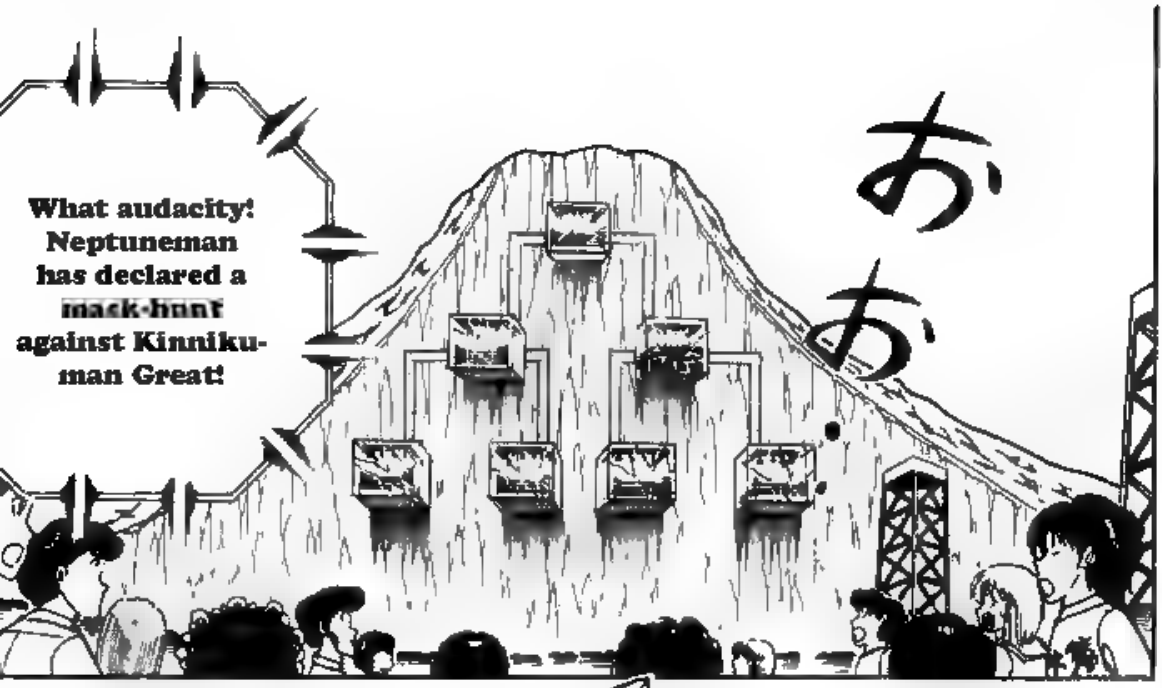
I'm a member of the Muscle Brothers! I'll hit them in the face with a Texas Condor Kick before they get a chance to take my mask!

But...
Kinnikuman, you can't fight like that. Leave the first round to me.

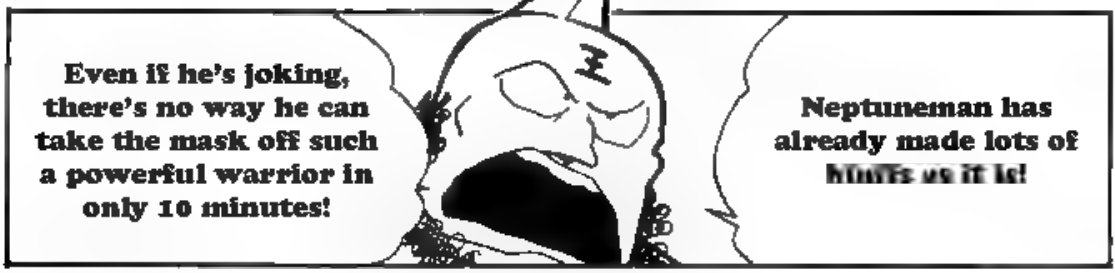
I have a feeling that you're not Kamehame, but now I'll reveal your true identity!
Come on in, you suspicious masked Chojin!

Kinnikuman Great's mask will be ripped off exactly ten minutes into the first round!

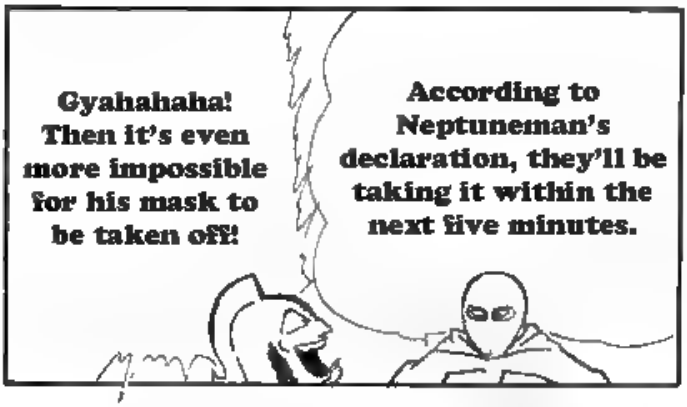
Mask-Hunt Announce-ment #1!



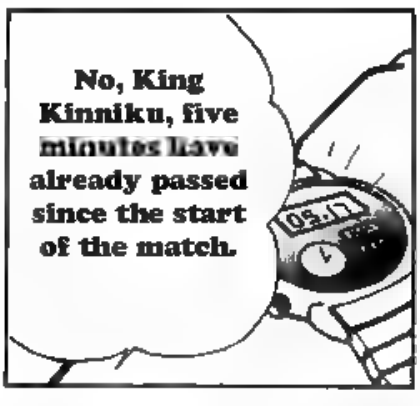
What audacity! Neptuneman has declared a mask-hunt against Kinniku-man Great!
おお



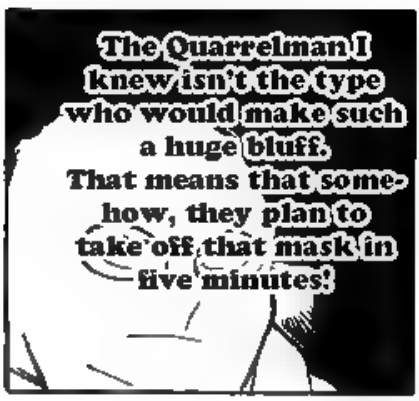
Even if he's joking, there's no way he can take the mask off such a powerful warrior in only 10 minutes!
Neptuneman has already made lots of bluffs so it is!



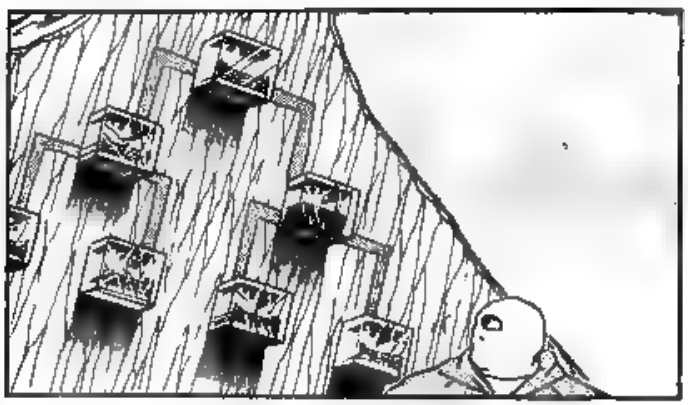
Gyahahaha! Then it's even more impossible for his mask to be taken off!
According to Neptuneman's declaration, they'll be taking it within the next five minutes.

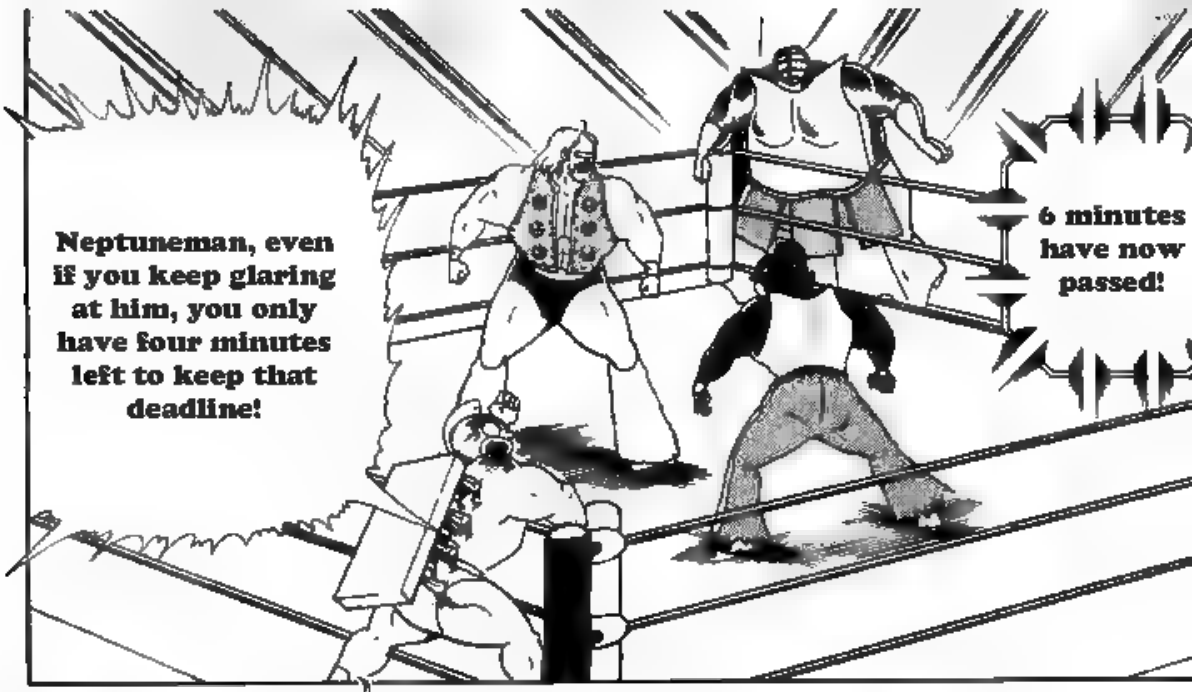


No, King Kinniku, five minutes have already passed since the start of the match.

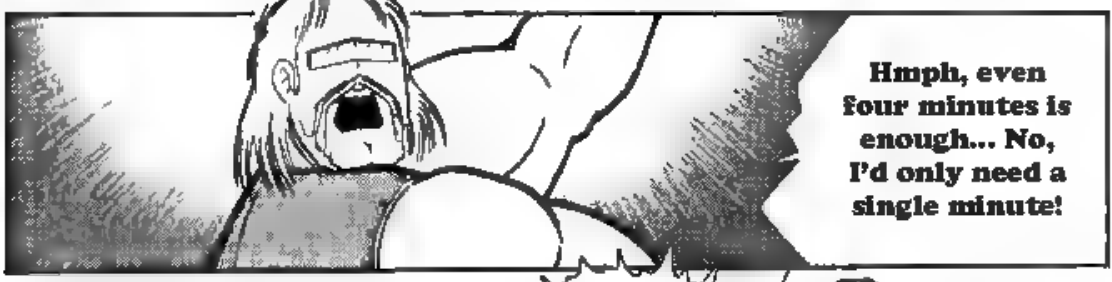


The Quarrelman I knew isn't the type who would make such a huge bluff. That means that somehow, they plan to take off that mask in five minutes!

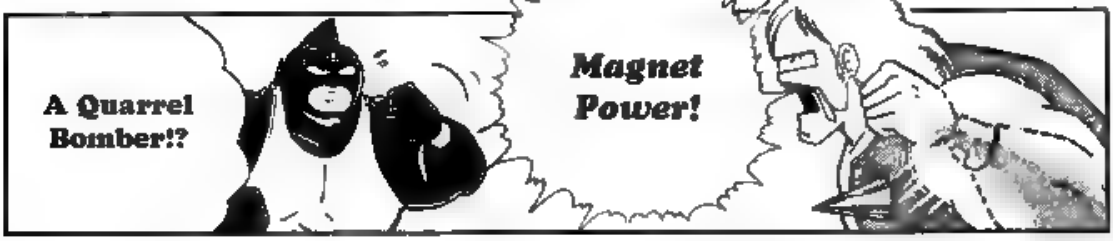




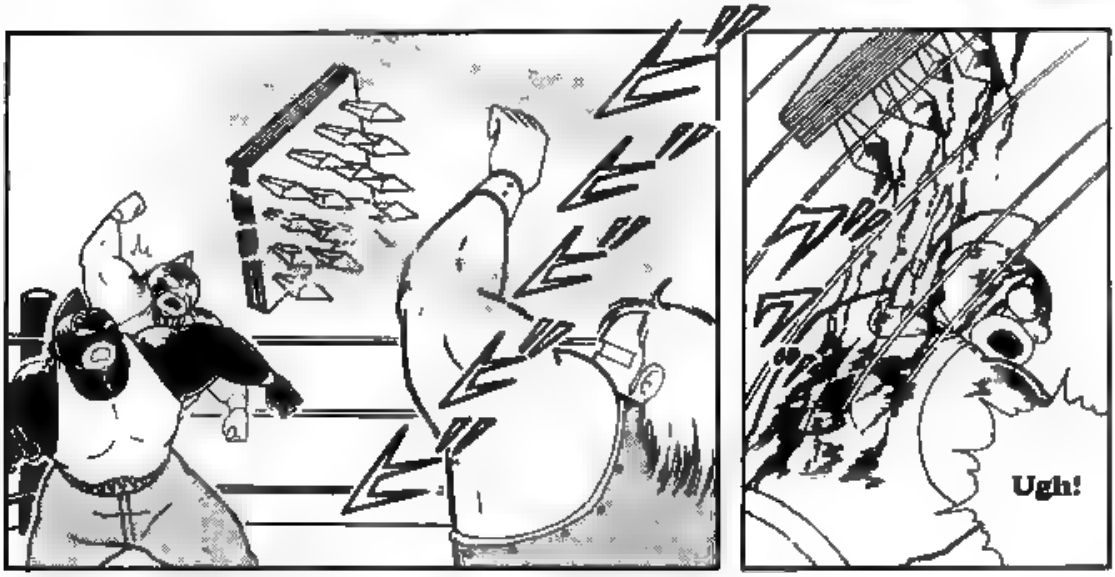
Neptuneman, even if you keep glaring at him, you only have four minutes left to keep that deadline!
6 minutes have now passed!



Hmph, even four minutes is enough... No, I'd only need a single minute!



A Quarrel Bomber!?
Magnet Power!



Ugh!

The sword-plank that was stuck in Kinnikuman's back earlier is now attached to Neptuneman's left arm!

It can be used like this, too!

He's narrowly avoided it, but his mask was cut!

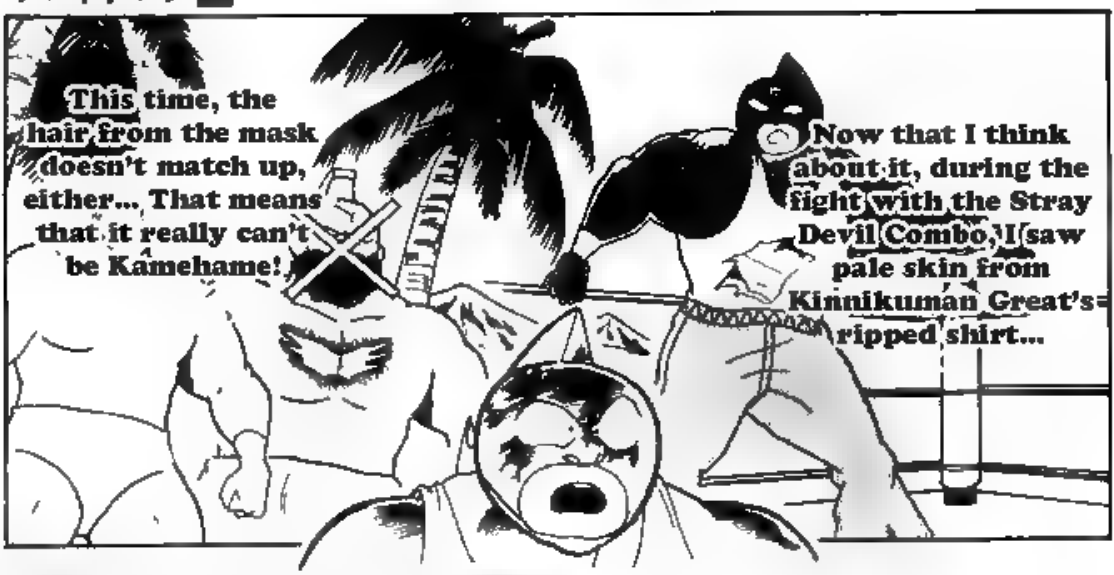
Boino hair is sticking out of the cut made by Neptuneman's Sword Bomber!

お お

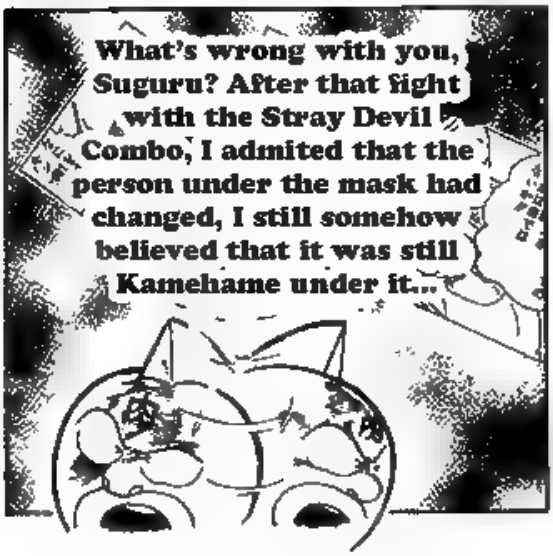
He's serious about doing it in 10 minutes!

Now do you understand why I don't need the full four minutes?

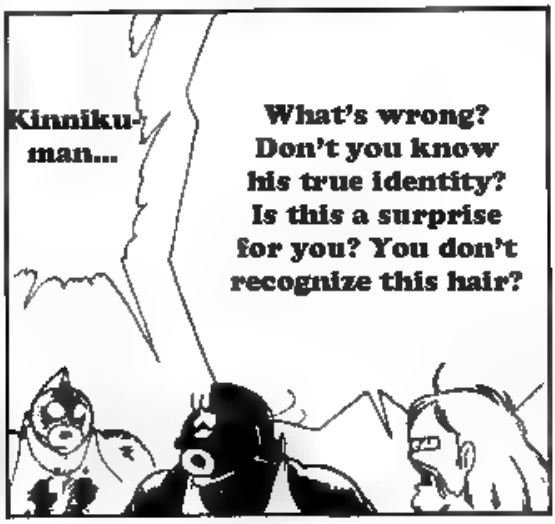
Oh no...!



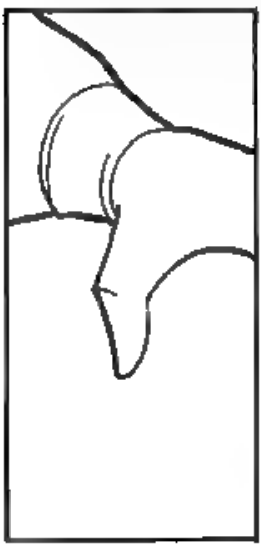
This time, the hair from the mask doesn't match up, either... That means that it really can't be Kamehame!
Now that I think about it, during the fight with the Stray Devil Combo, I saw pale skin from Kinnikuman Great's ripped shirt...



What's wrong with you, Suguru? After that fight with the Stray Devil Combo, I admited that the person under the mask had changed, I still somehow believed that it was still Kamehame under it...



Kinniku-man...
What's wrong? Don't you know his true identity? Is this a surprise for you? You don't recognize this hair?



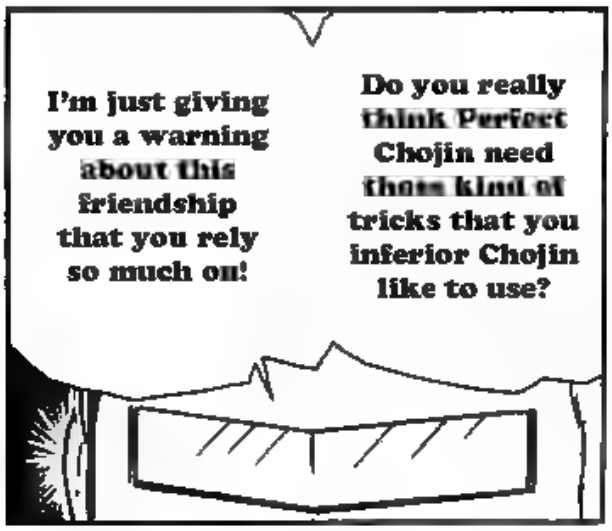
ピカ
Buffaloman's bone is shining again!

Thank you, Kinnikuman!
Sorry, your hair color slipped my mind there for a second! I know for a face that you're my tag partner, Kinnikuman Great!
7 minutes have passed!

Dream Chojin Tag Arc 50

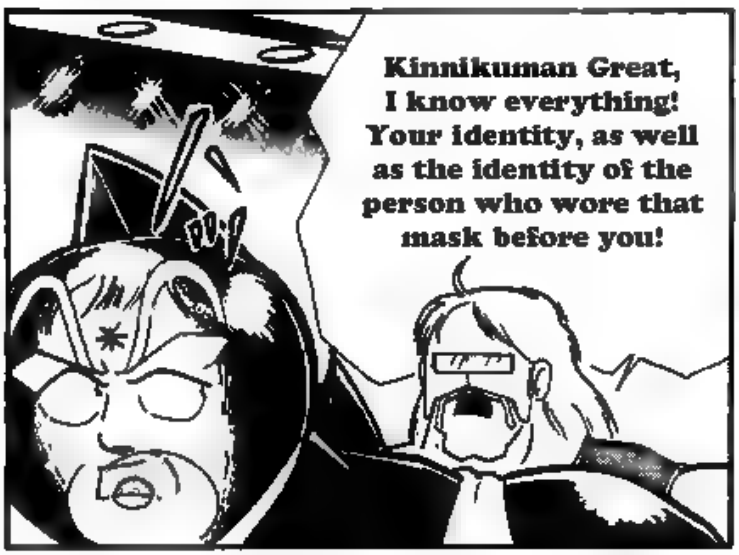
The Secret Friendship Plan!

...but they just ended up strengthening our friendship even more!
The Missionaries thought they'd start the match by weakening the teamwork between Kinnikuman Great and I...



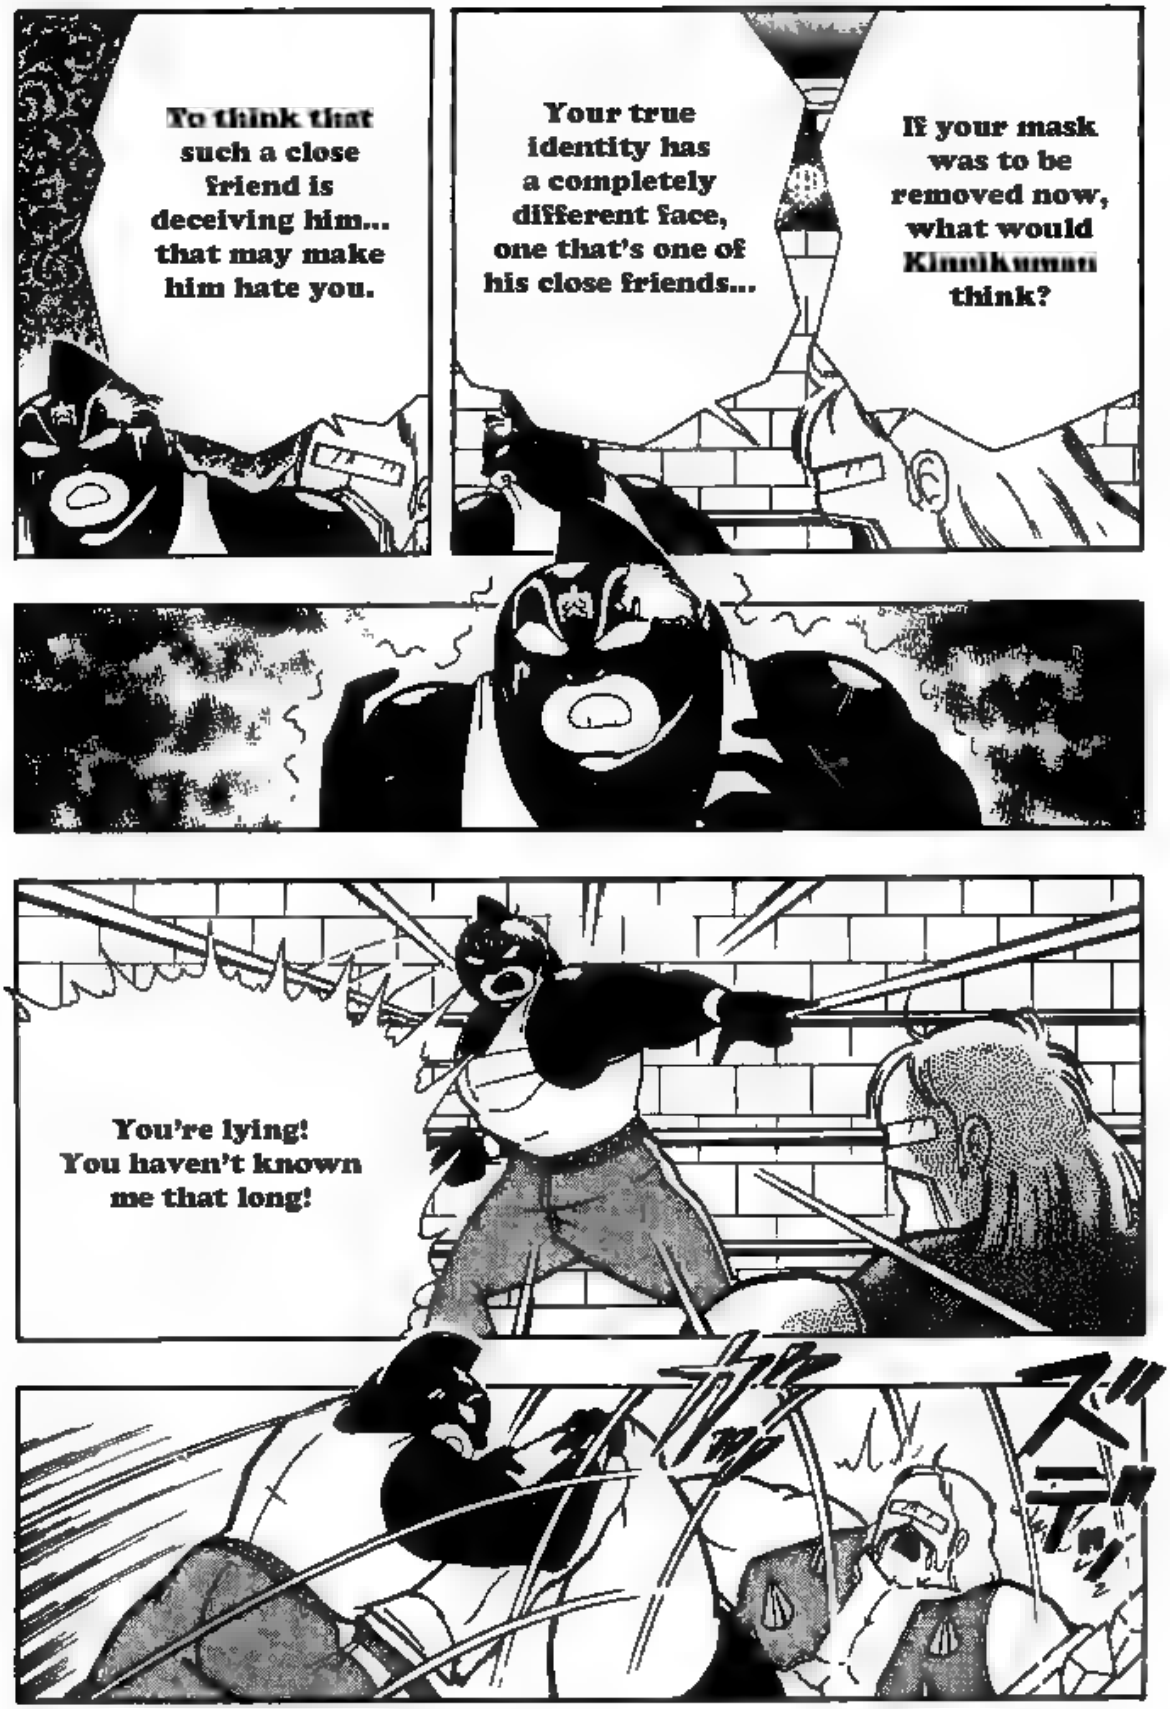
I'm just giving you a warning about this friendship that you rely so much on!
Do you really think Perfect Chojin need those kind of tricks that you inferior Chojin like to use?

Hmph



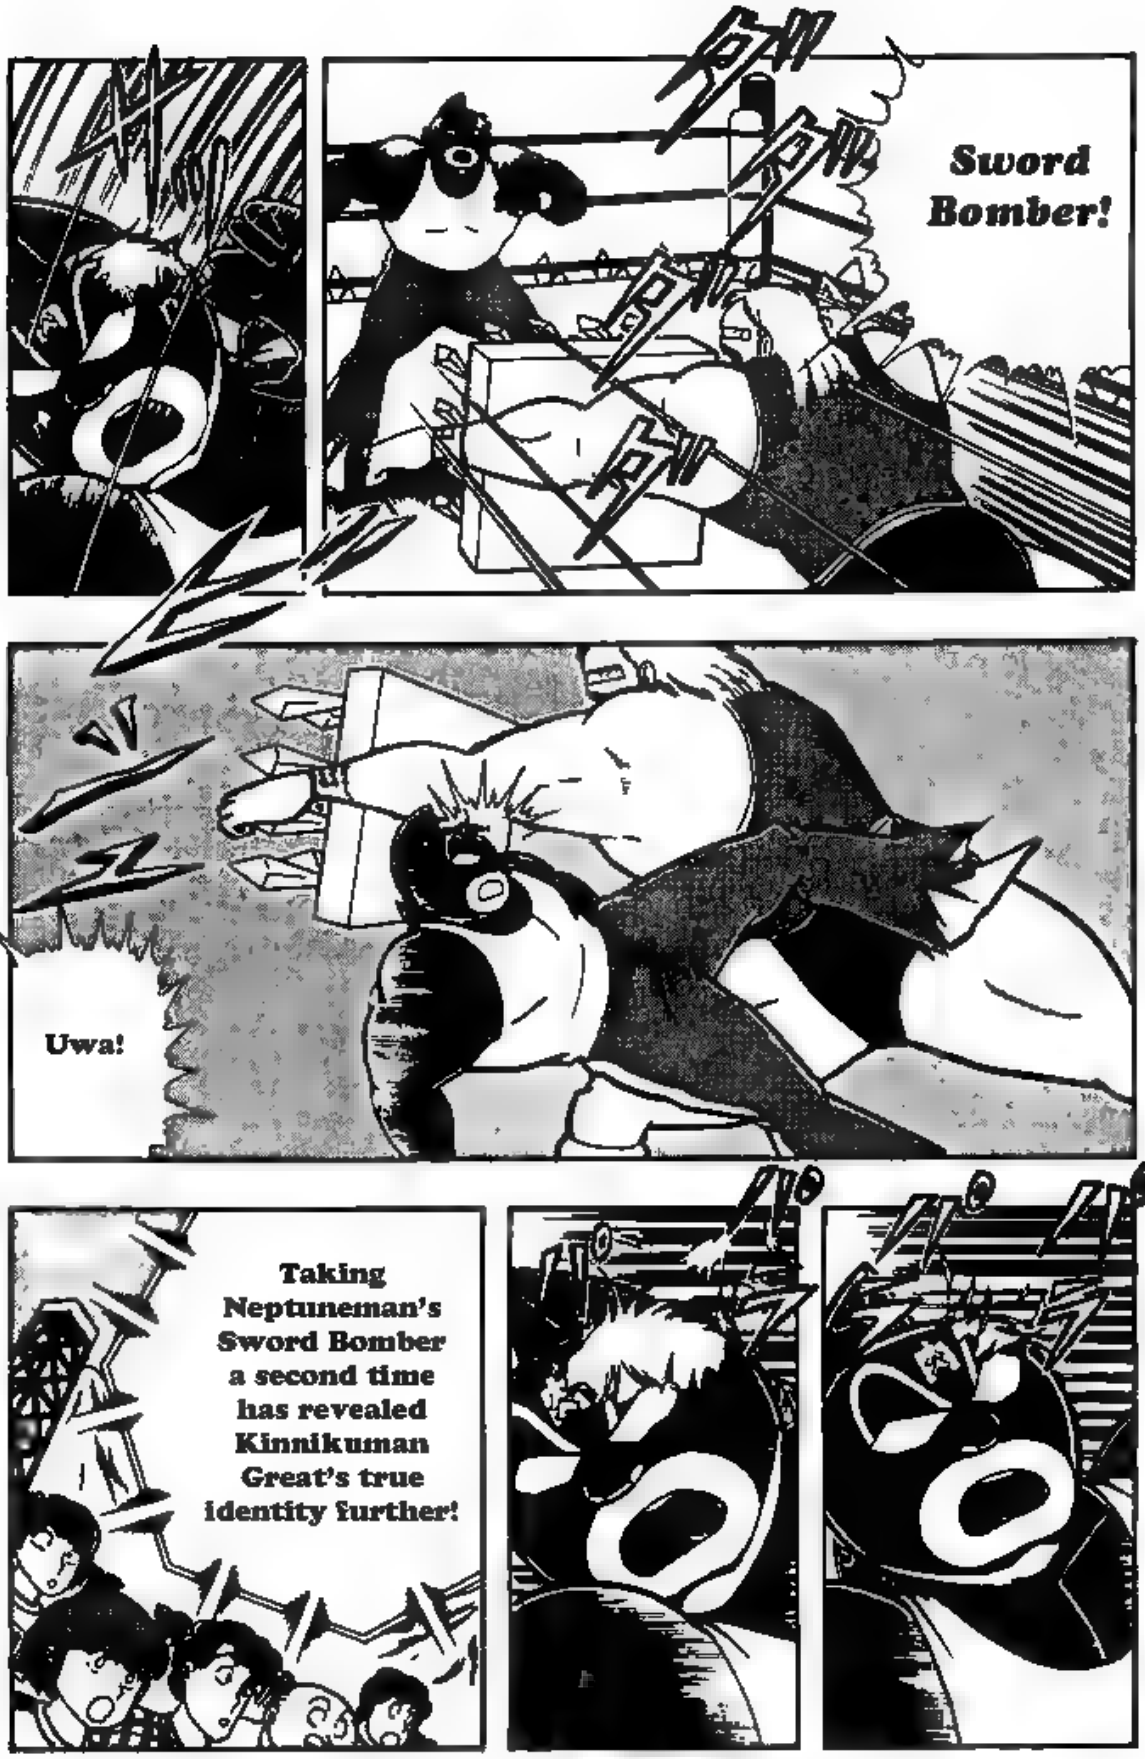
Kinnikuman Great, I know everything! Your identity, as well as the identity of the person who wore that mask before you!

A warning about our friendship?



To think that such a close friend is deceiving him... that may make him hate you.
Your true identity has a completely different face, one that's one of his close friends...
If your mask was to be removed now, what would Kinnikuman think?
You're lying! You haven't known me that long!
ズーン

How dare you say those words!?
Kinnikuman Great is unusually using a Texas-Style Spinning Toe Hold!
I wasn't thinking!
Hmph... Do you see how sometimes you use Texas-style fighitng? That just supports who you really are...
Now's my chance!

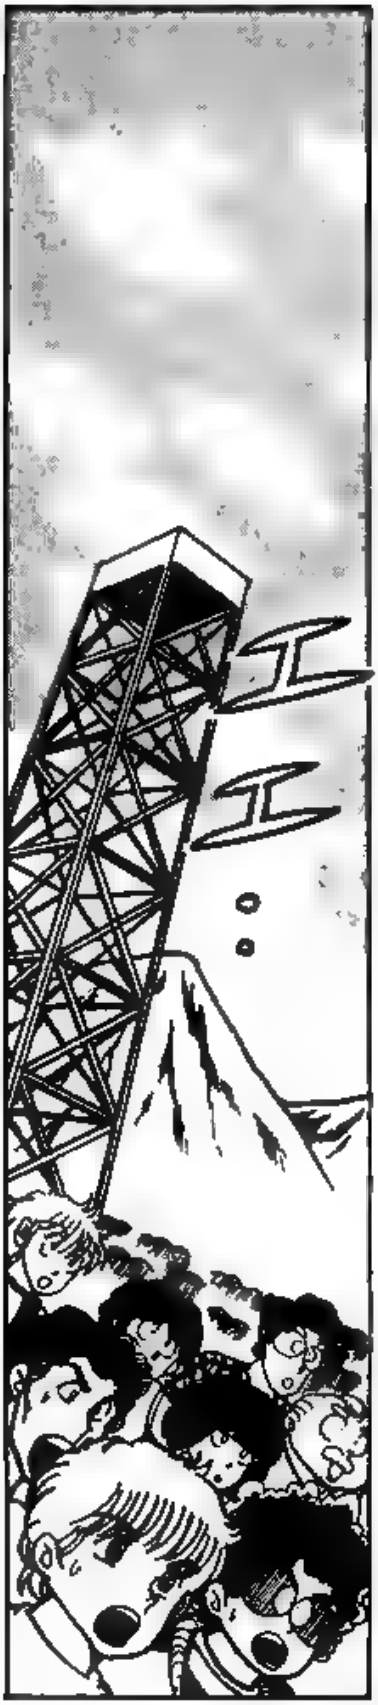


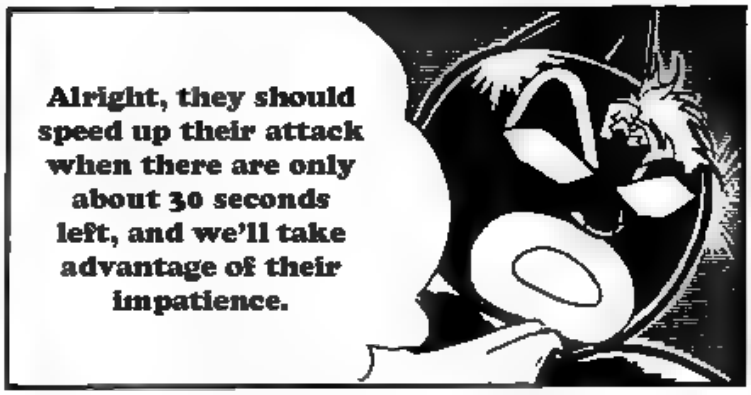
Sword Bomber!
Uwa!
Taking Neptuneman's Sword Bomber a second time has revealed Kinnikuman Great's true identity further!

Niku!
Are you alright!?
I'm... sorry... I got a bit excited...
Niku!
Stop, don't touch my mask!

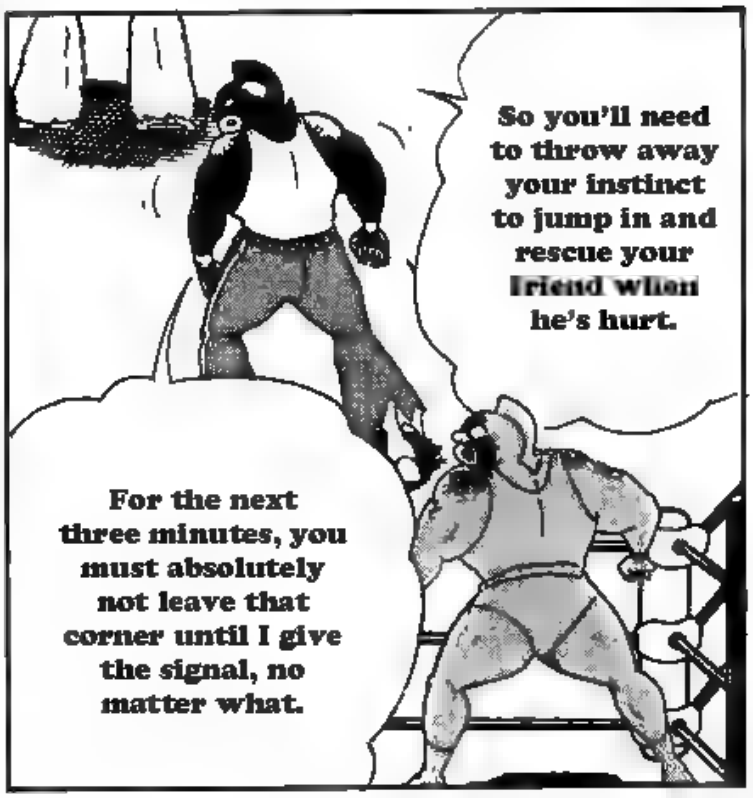
Either way, Kinnikuman, we'll know the results of his Mask-Hunt 10 minutes from the start of the match!
Heh heh heh... aren't you afraid of Neptuneman's limitless strength?
What's wrong, Niku?
Our Friendship Power will give us an advantage over those Chojin without emotion!
What's with that fear? Believe in Friendship Power!
As long as we have that, I can come up with a plan to counter them!
That's right!
Until then, you can't come into the ring to help me, no matter how bad it looks!
There are three minutes left until the end of his Mask Hunt.
So, what's your plan?

Kinnikuman, listen well: this is our plan!
But it's your mask that they're planning to take! I can't just let you die without helping!
In that time, I'll just keep avoiding them!
With less than three minutes left, they'll desperately come after my mask.
When the deadline gets close, he'll call in his partner Budo and set up the Cross Bomber, their last resort!
I see.
When I give the signal, I'll grab Neptuneman and you grab Budo, and we'll use the Muscle Docking!





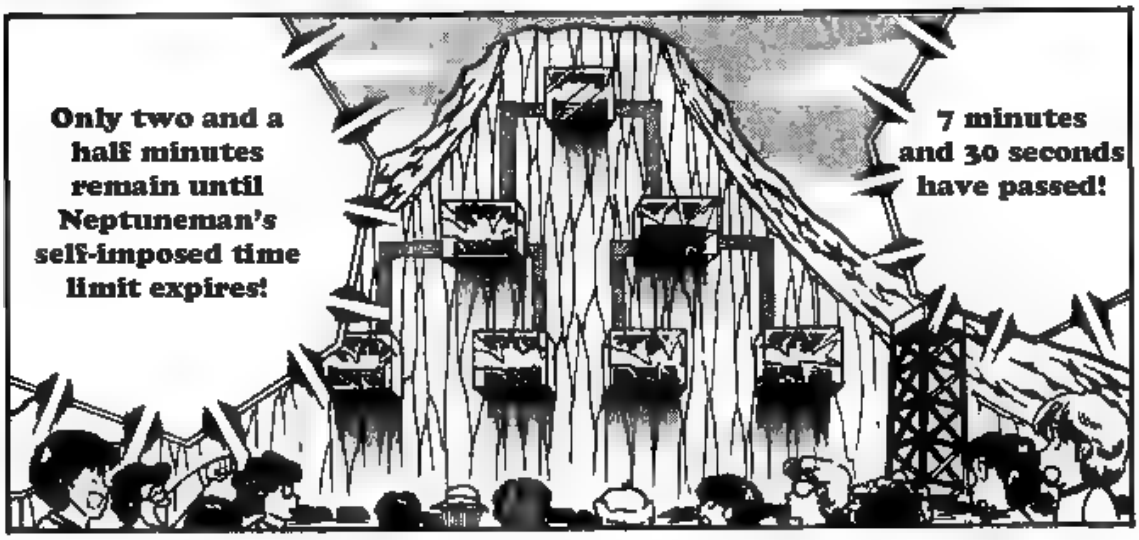
Alright, they should speed up their attack when there are only about 30 seconds left, and we'll take advantage of their impatience.



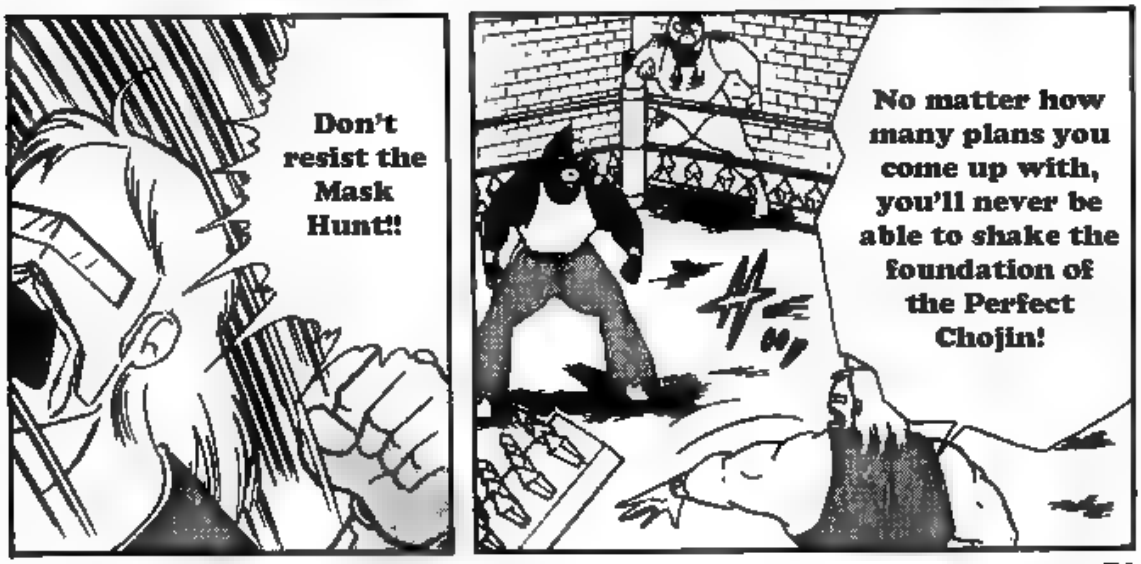
So you'll need to throw away your instinct to jump in and rescue your friend when he's hurt.
For the next three minutes, you must absolutely not leave that corner until I give the signal, no matter what.

He's betting his life on the outcome of this strategy!
It looks like they're done talking!

Niku...
There are times when abandoning your ally is done for the sake of friendship.
Niku, I don't know if I can do this!



Only two and a half minutes remain until Neptuneman's self-imposed time limit expires!
7 minutes and 30 seconds have passed!



Don't resist the Mask Hunt!!
No matter how many plans you come up with, you'll never be able to shake the foundation of the Perfect Chojin!

Hiyah!
Hiyah!
Kinnikuman Great has jumped to avoid the Quarrel Bomber!
It's a Flying Leg Lariat, one of Mongolman's techniques!
Alright, one more!
Without touching the ground, he combos it into a Rolling Savate!

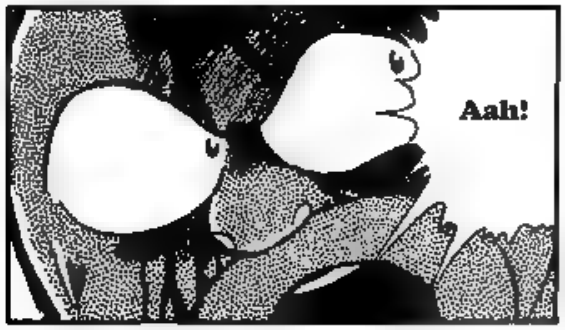
Guh!
8 minutes have passed!
We have two minutes left, Niku!
I still have too much stamina left for you to even think about taking me down!
That's the stance for a Pile Driver!

All right, we've got him!
This should put him down for the next two minutes!
Geeeh!
Neptuneman has escaped by grabbing the corner post moments before hitting the canvas!
This can't be!

Sorry, but I can't let you do that!
Ha hahaha, it's kind of irritating when you keep doing these moves for the sake of wasting time.
Neptuneman has inverted his body into a Reverse Pile Driver!
Niku!
You aren't thinking about betraying our friendship now, right?
Friendship!

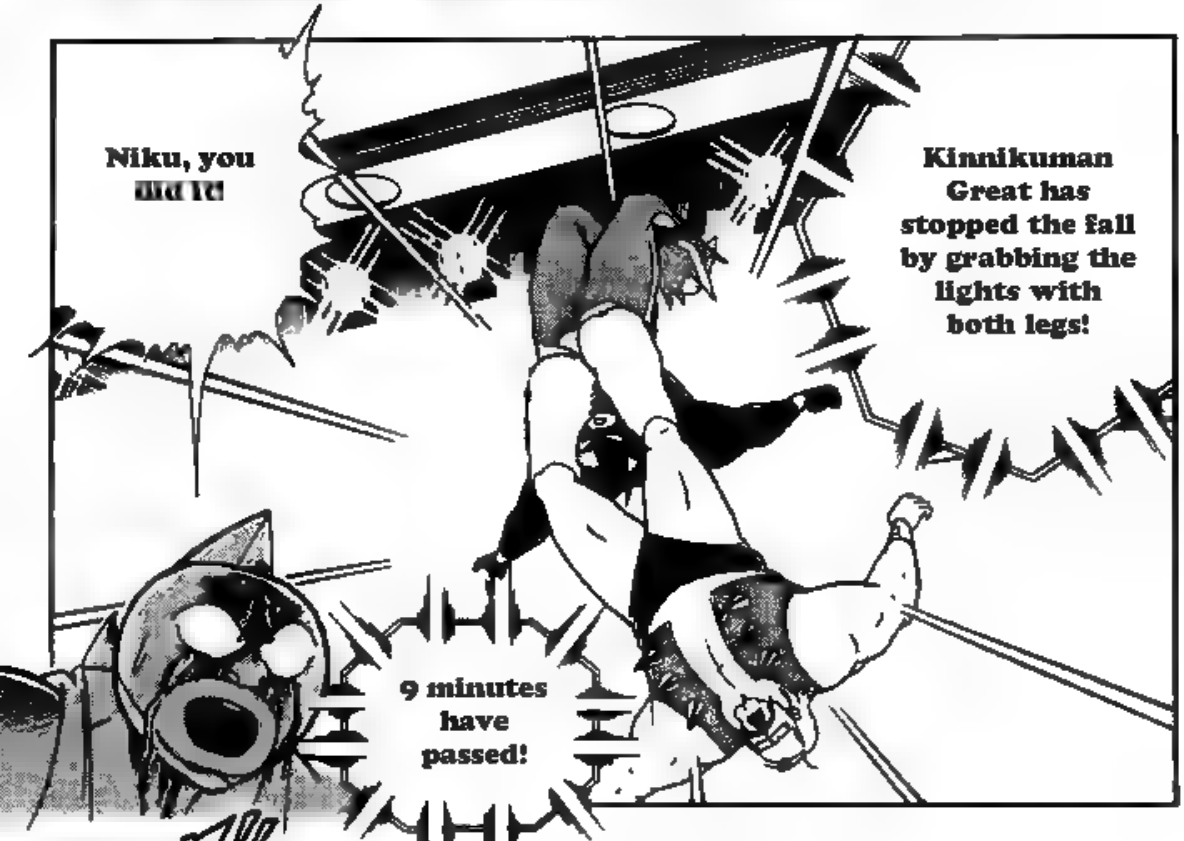
Aah!
So then, how would you like to experience more of my techniques?
Heh heh heh... It takes courage to try to take me down with my own style!
Hiyah!
This is intense!
Double Leg Suplex!

He's setting up for my special technique, the Robin Special!
Niku!
Now he's put Kinnikuman Great's weakened body into an Airplane Spin!
Law-Breaking Robin Special!
Here's Neptuneman's finishing move!
Guoooh!



Aah!

Uwa!



Niku, you did it!
Kinnikuman Great has stopped the fall by grabbing the lights with both legs!
9 minutes have passed!

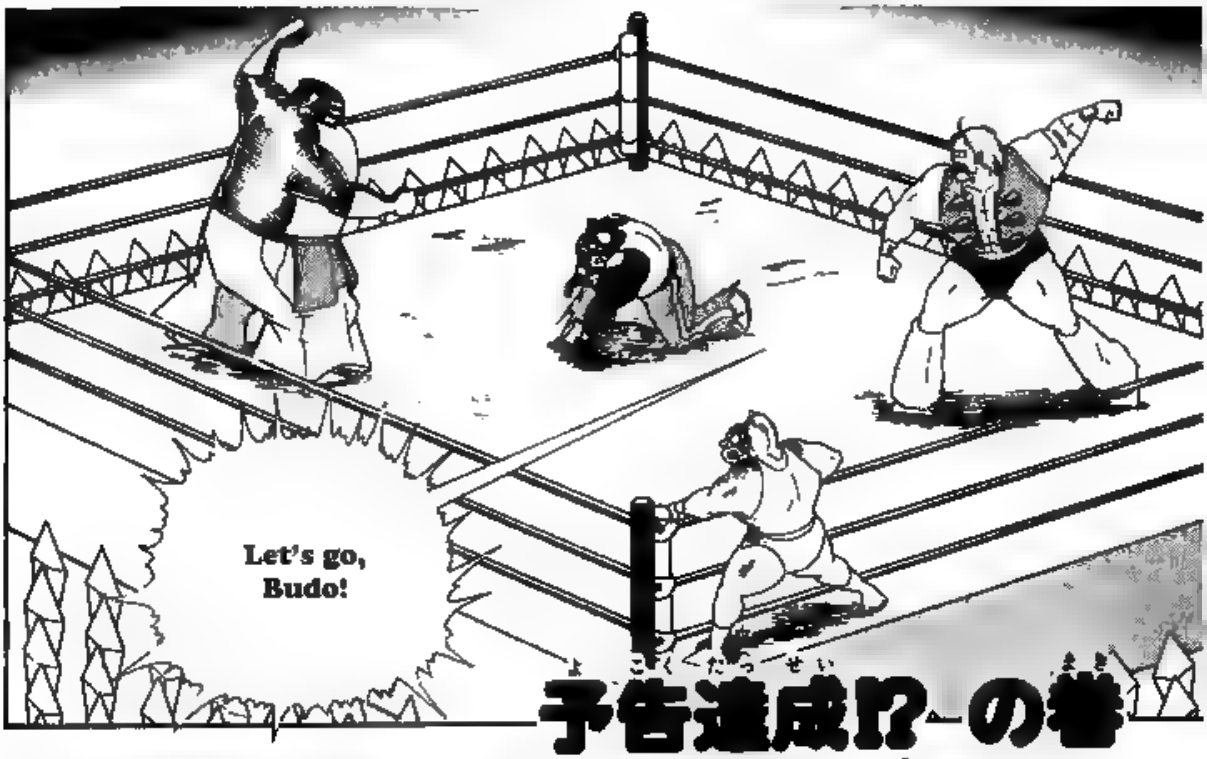
Then I'll just have to pull you down with sheer will power!

30 seconds until their attack... I just need to hold on until then...

On minute left, Niku!

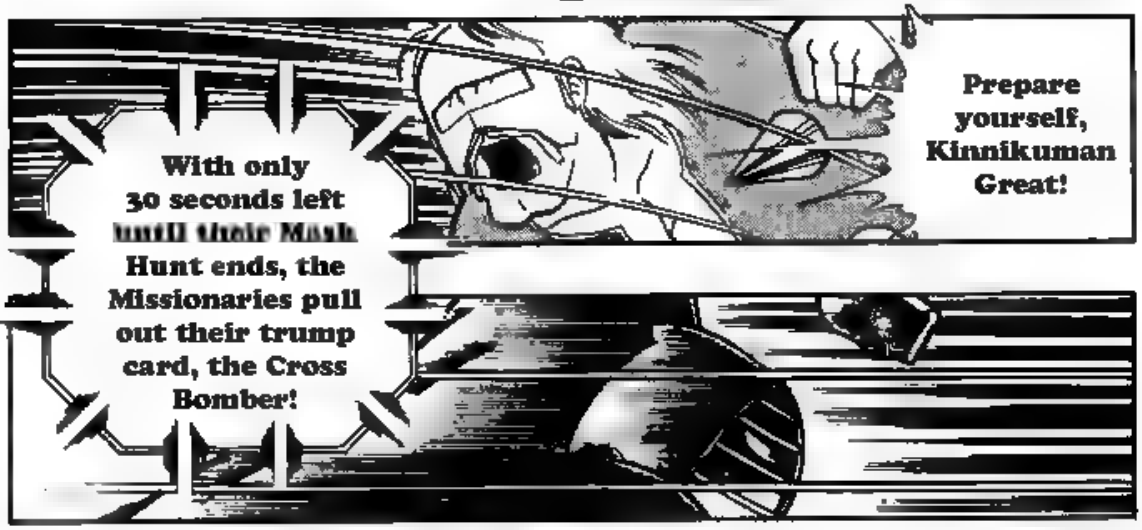
39
37
35
Ugh!
Watch out!
You've managed to endure this many injuries through sheer strength... no, willpower!
It's time! There are 30 seconds left now!

Here I come!
Okay Budo, prepare the Cross Bomber!
Ooh!
Come in, Kinniku-man!

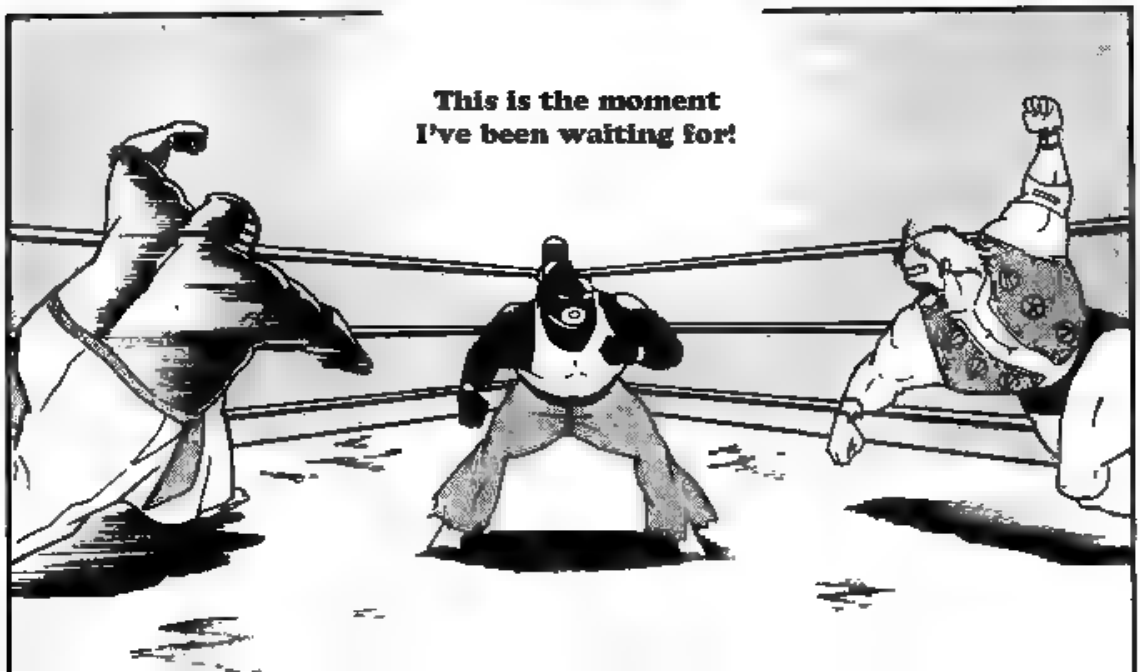


Let's go, Budo!

予告進成!?の巻



Prepare yourself, Kinnikuman Great!
With only 30 seconds left until their Mask Hunt ends, the Missionaries pull out their trump card, the Cross Bomber!



This is the moment I've been waiting for!

Dream Chojin Tag Arc 51

Declaration Fulfilled!?

A Team Kinniku Release

Kinnikuman, who didn't enter the ring to help Kinnikuman Great no matter what, jumps in as if he's been waiting for this moment!
Here comes the counterattack!
You're a bit too late, Budo!
Right!
Stop the Cross Bomber, Budo!
Of course! Niku will put Neptuneman in a Kinniku Buster, then we'll unite to complete the Muscle Docking!
Kinnikuman has Budo in the position for a Kinniku Driver! Could this be a set-up for a Muscle Docking!?

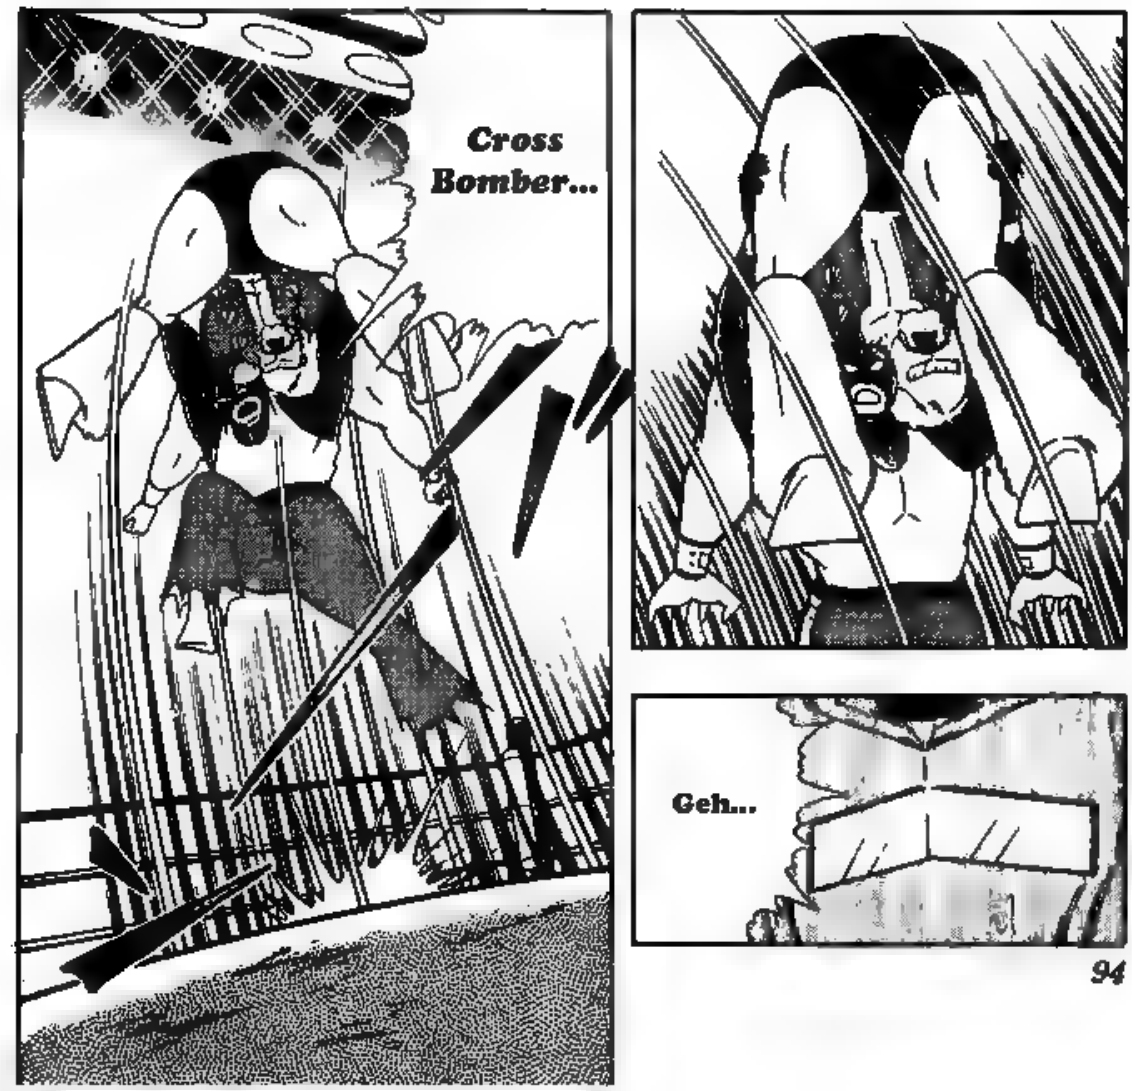
What are you doing, Niku!? Why aren't you using the Kinniku Buster!?
Geh!
...however, Neptuneman saw through it and stopped his Cross Bomber, taking away Kinnikuman Great's chance to use the Kinniku Buster!
Putting someone as powerful as Neptuneman into a Kinniku Buster is no easy task. That's why Kinnikuman Great was waiting for Neptuneman to use the Cross Bomber...
You knew... that we were trying to use a Muscle Docking...
So that's the reason?

If we had set up a Cross Bomber, then you'd have turned it against us and used a Muscle Docking!
You thought that we'd use a Cross Bomber in the last 30 seconds, but we outsmarted you!
Now you know, the reason we're called Perfect Chojin is because we can see through any inferior Chojin's tricks! Hahahaha!
Damn it! The enemy saw through our strategy!
Uooh!
.....

Has Kinnikuman Great lost his mind!? He's trying to put Neptune-man in a Kinniku Buster by force!
Uooh!
Ha-hahah! Cut it out!
No matter what you do...
Neptuneman is returning it with a Brain Buster!
...it'll always end the same!

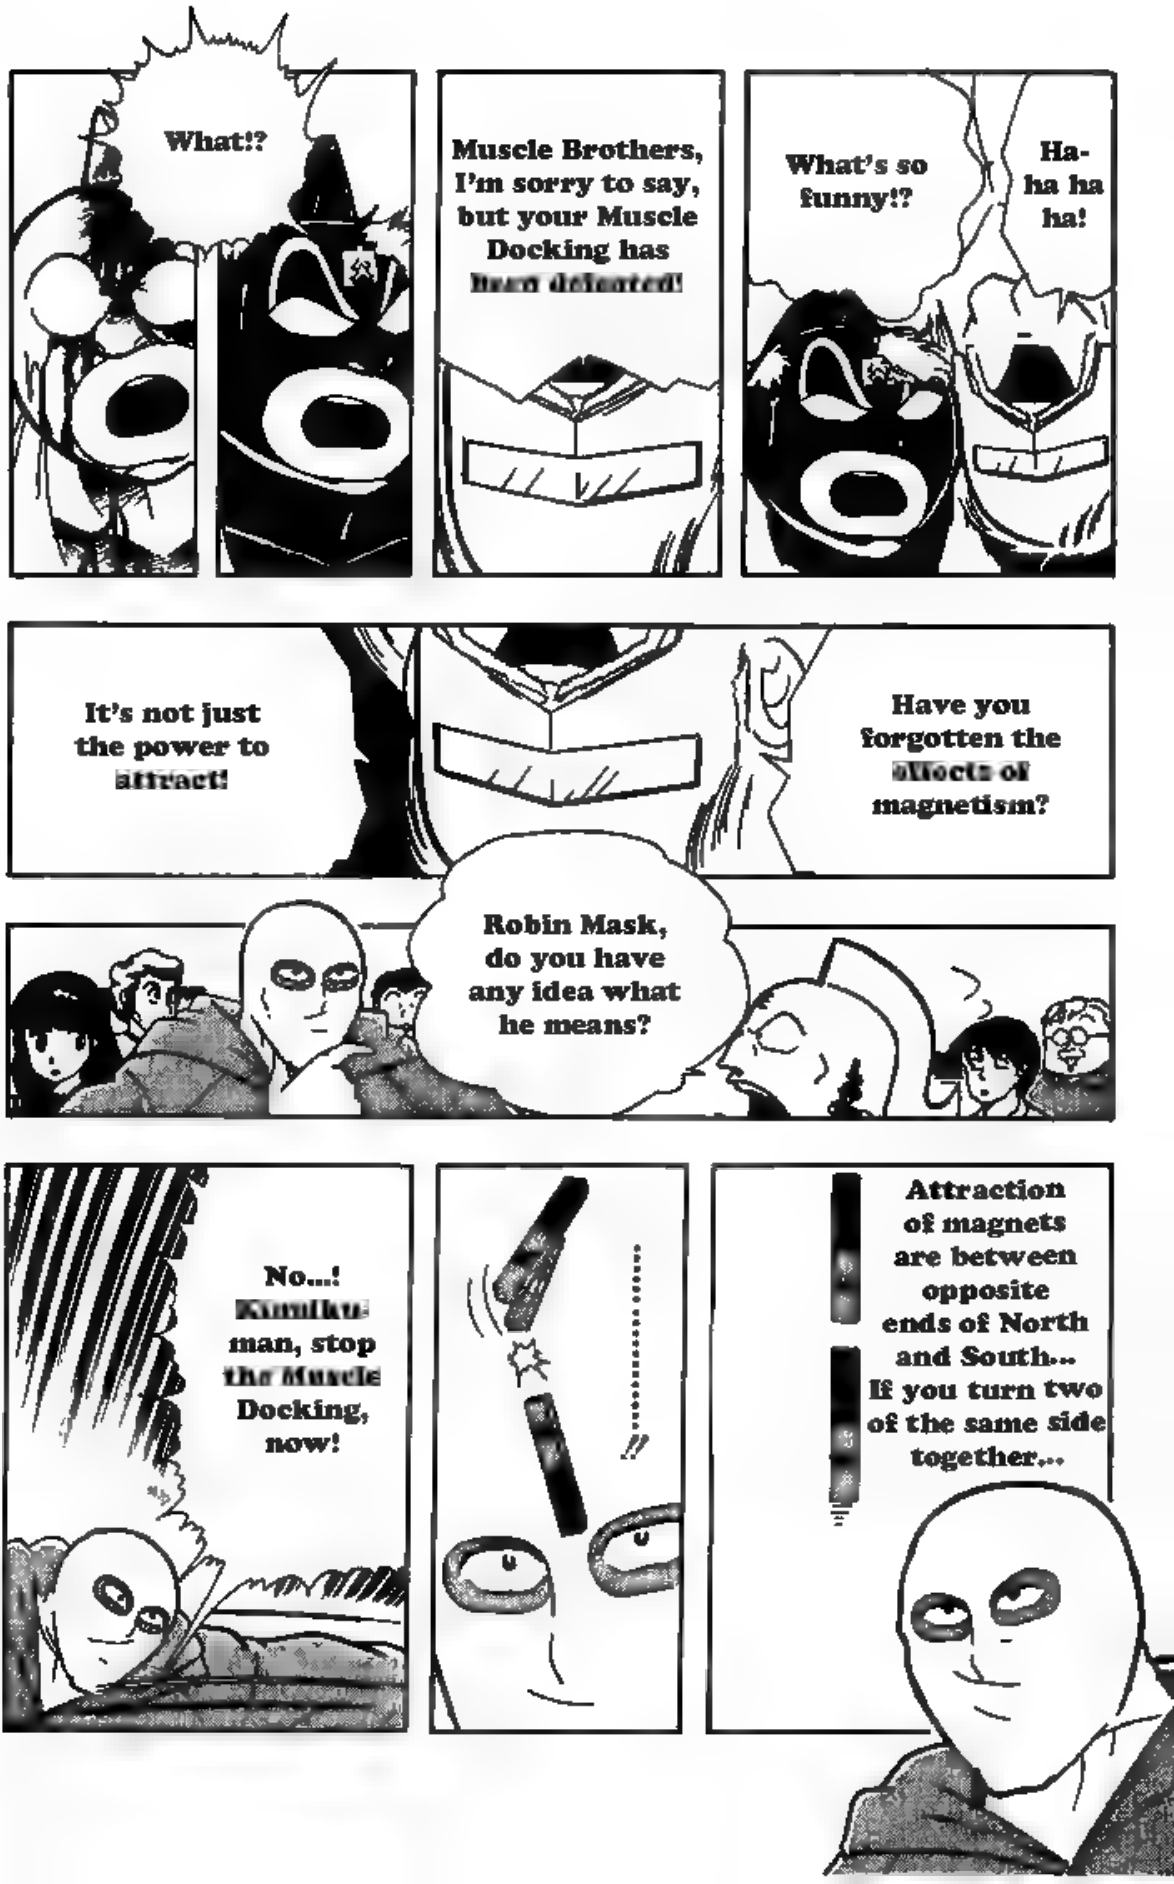
Violent magnetism is brewing from Budo and Neptuneman's arms! This looks like a real Cross Bomber!
Magnet Power - !
Magnet Power + !
Give it up already, Niku! At this point, everything you do will just hurt yourself more!
If I don't do something, Niku's mask will be ripped off, but can I really stop these two!?
Cross Bomber!
This Magnet Power is so strong that even Chojin as heavy as Neptuneman and Budo are floating above the ground by the pull!

We'll do it now, Nikui! You should have no trouble lifting up Neptuneman's body when it's floating like that!
Right!



Cross Bomber...
Geh...

...Destroyer!
Missionaries, thanks to your magnetic pull...
...there's no way we can miss lining up the Muscle Docking's path!
The Missionaries' Cross Bomber, which was said to be completely air-tight, turns out to have a surprising weakness!
That's why they call Kinnikuman "The miraculous comeback fighter"!

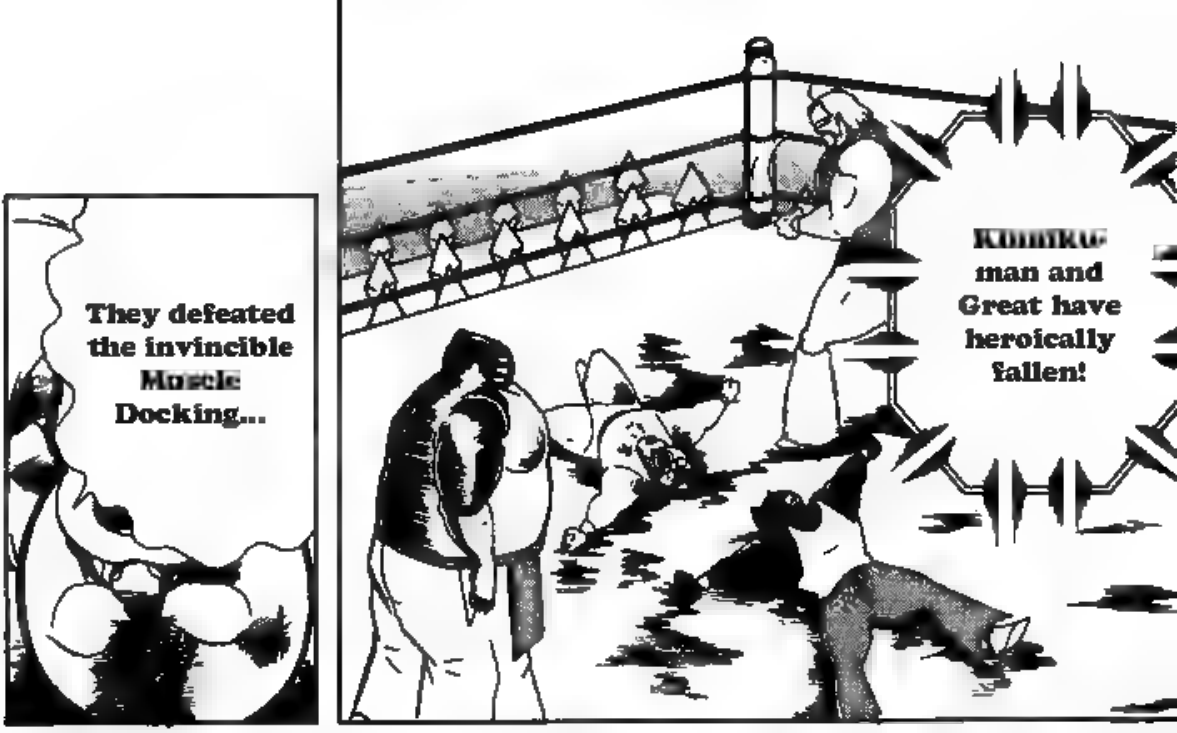


What!?
Muscle Brothers, I'm sorry to say, but your Muscle Docking has been defeated!
What's so funny!?
Ha-ha ha ha!
It's not just the power to attract!
Have you forgotten the effects of magnetism?
Robin Mask, do you have any idea what he means?
No...! Kinnikuman, stop the Muscle Docking, now!
!!
Attraction of magnets are between opposite ends of North and South... If you turn two of the same side together...

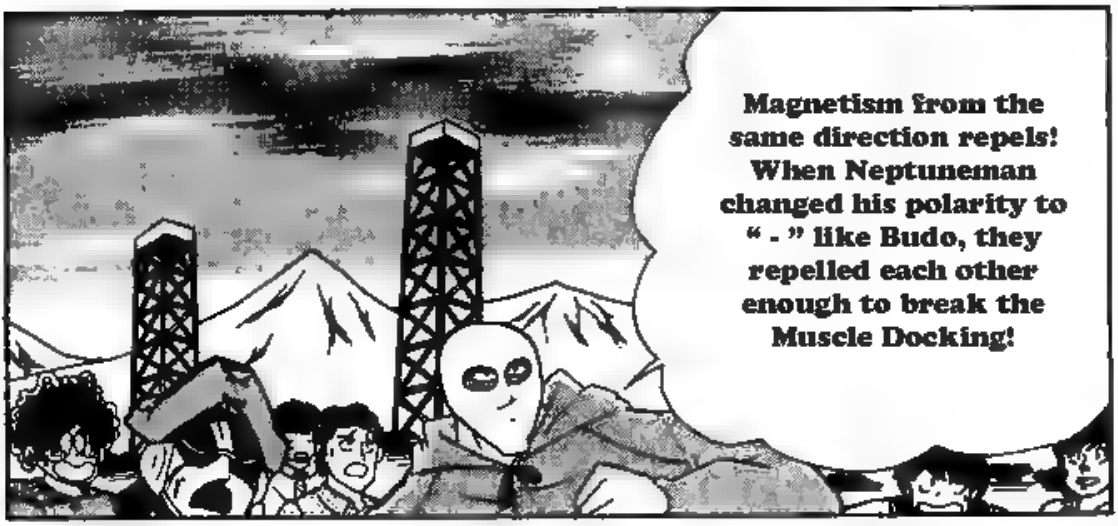
If they don't stop it, they'll be killed!
What's wrong, Robin!?
Neptuneman is using a negative charge, just like Budo! The magnetism is in the shape of a spring!
Magnet Power - !
Magnet Power - , also !
Don't worry, Robin! They don't be able to do it before the attack hits!
Will the Muscle Brothers win the first round!?

Uwa!
Magnet Power Repel!
Owa!
Will the Muscle Docking connect!?
The Muscle Docking has been defeated by the Missionaries' magnetism spring!
There!

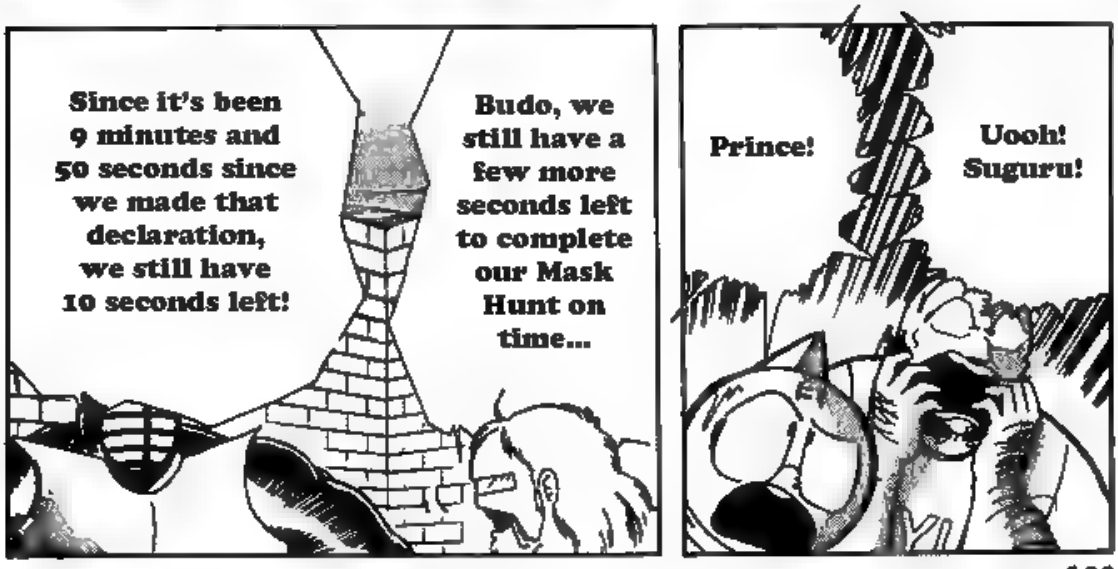
Magnetic Storm Crash!
That's the technique that the Missionaries...
...used to defeat Mongolman and Buffalo-man in the semi-finals!



They defeated the invincible Muscle Docking...
[illegible] man and Great have heroically fallen!



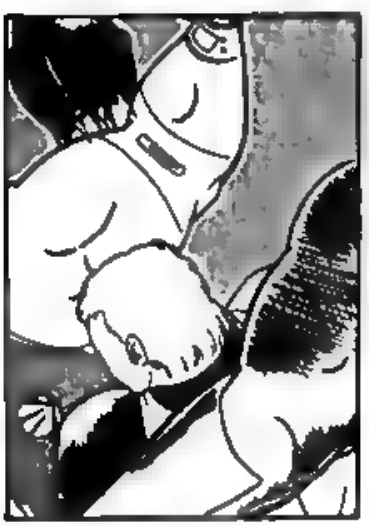
Magnetism from the same direction repels! When Neptuneman changed his polarity to " - " like Budo, they repelled each other enough to break the Muscle Docking!

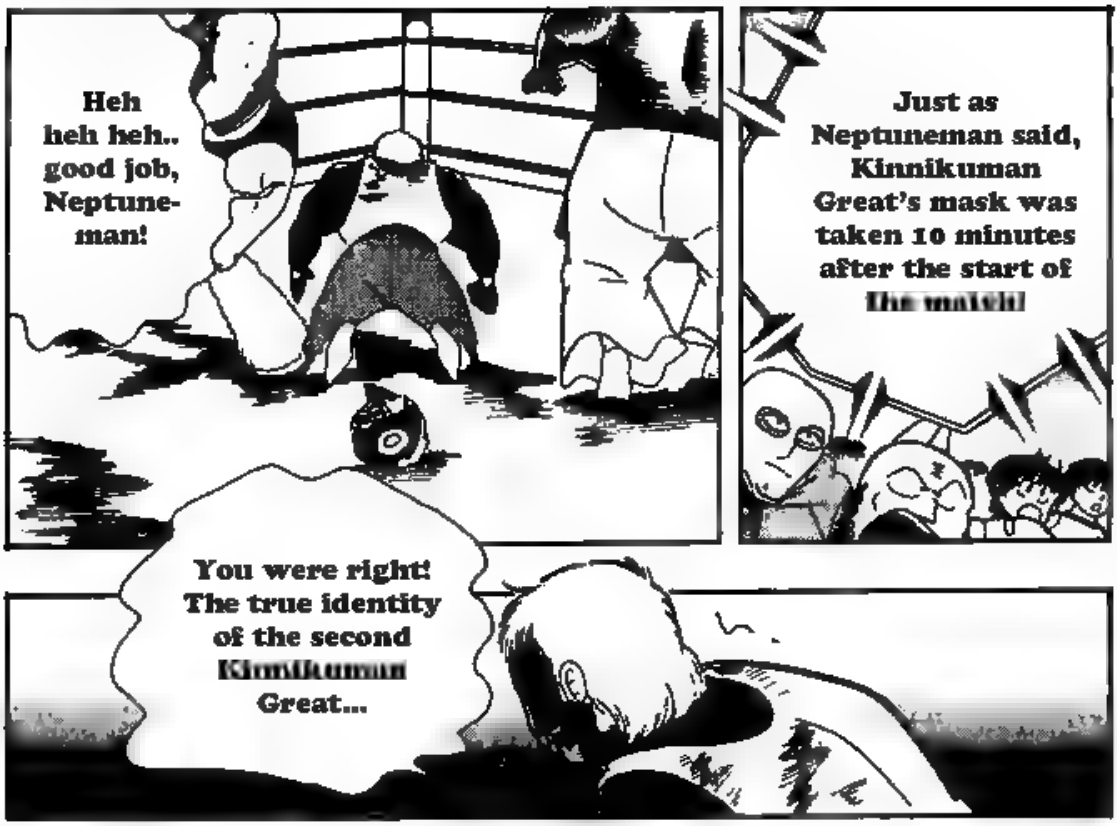


Since it's been 9 minutes and 50 seconds since we made that declaration, we still have 10 seconds left!
Budo, we still have a few more seconds left to complete our Mask Hunt on time...
Prince!
Uooh! Suguru!

So, you have enough courage to stand up and face you mask removal!
Kinnikuman Great is standing up!
That's enough time!
I learned it from a gift from the underworld.
How did you find out?
Just tell me one thing... You said you know my true identity earlier...
Yesterday, Budo found something interesting in a nearby cemetery.
Kamehame...!
.....!!

Cross Bomber!
It's been exactly 10 minutes since the start of the match!





Heh heh heh.. good job, Neptune-man!
Just as Neptuneman said, Kinnikuman Great's mask was taken 10 minutes after the start of the match!
You were right! The true identity of the second Kinnikuman Great...

...is exactly who you thought it was!
Terryman!

Dream Chojin Tag Arc 52

Truth of Kinnikuman Great!

This is the true identity of the second Kinnikuman Great. Please don't ask me to explain.
Underneath the mask appeares the Texas Bronco Terryman!
Hmph... Just as I thought.
MAYUMI

A Team Kinniku Release

It can't be... Kinnikuman Great's true identity is Terryman!
But Terryman should have been crushed by the Stray Devil Combo when he was partnered with Geronimo as the New Machineguns earlier!

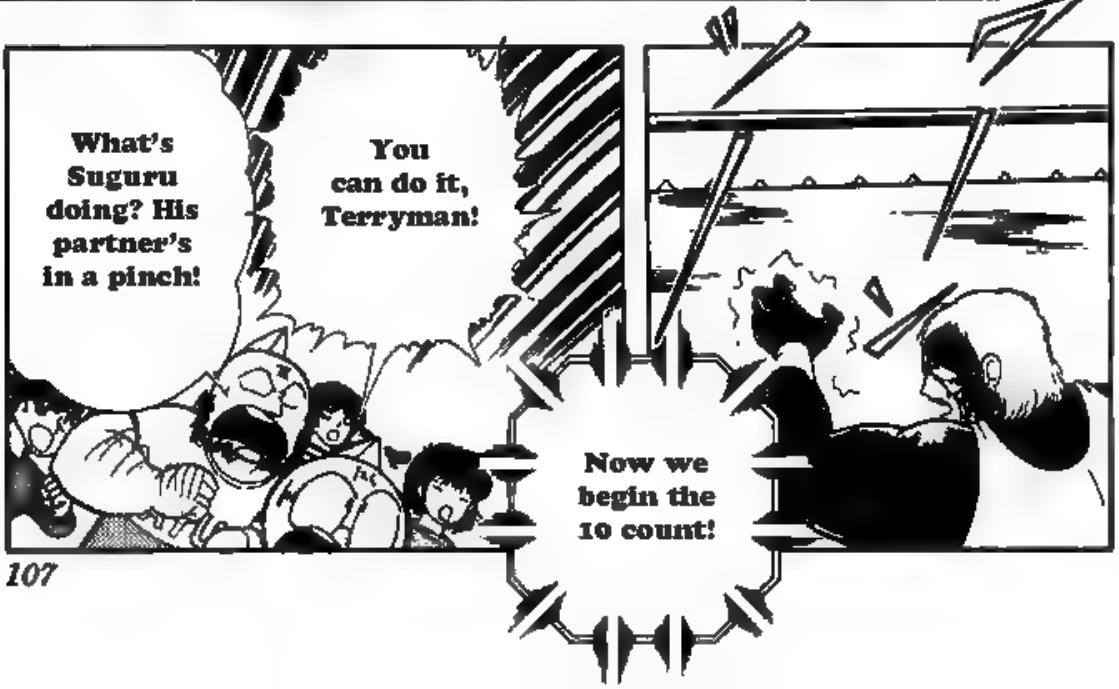
Why is Terryman under that mask...?

That's what I thought, but...
Meat, wasn't Kamehame his true identity?

What's going on...?

...lying to you until now...
...that I had to keep..
I'm sorry, Kinnikuman...

Terryman, who was just hit by the Cross Bomber, has taken too much damage and is down!

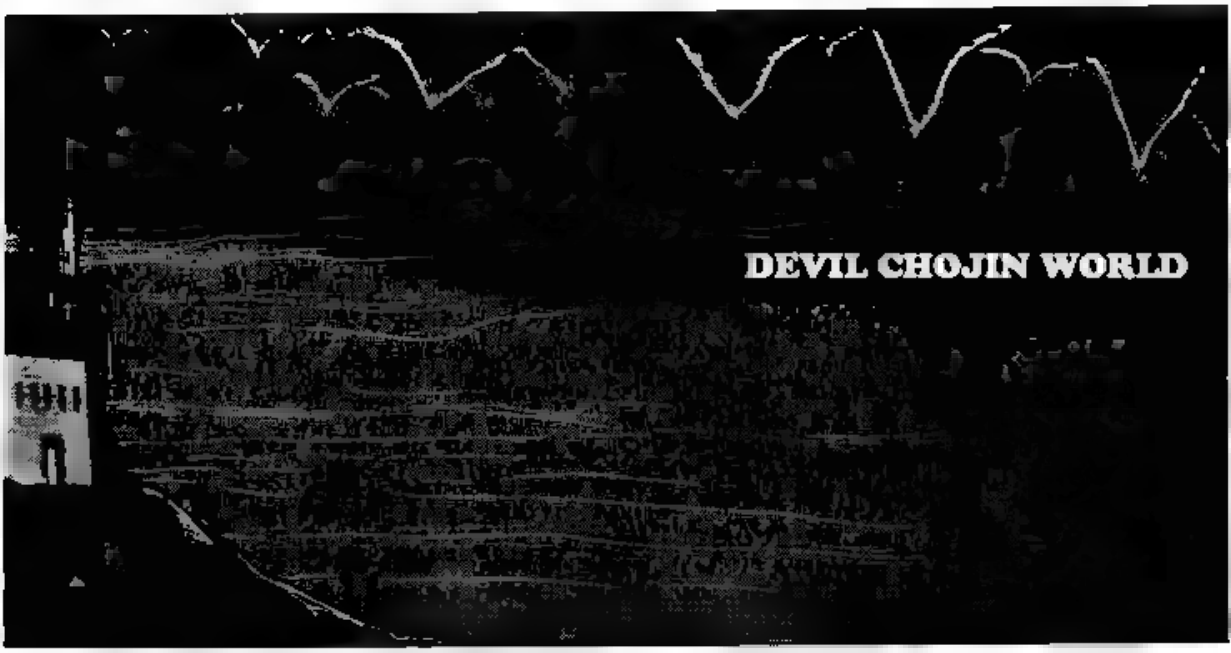


What's Suguru doing? His partner's in a pinch!
You can do it, Terryman!
Now we begin the 10 count!

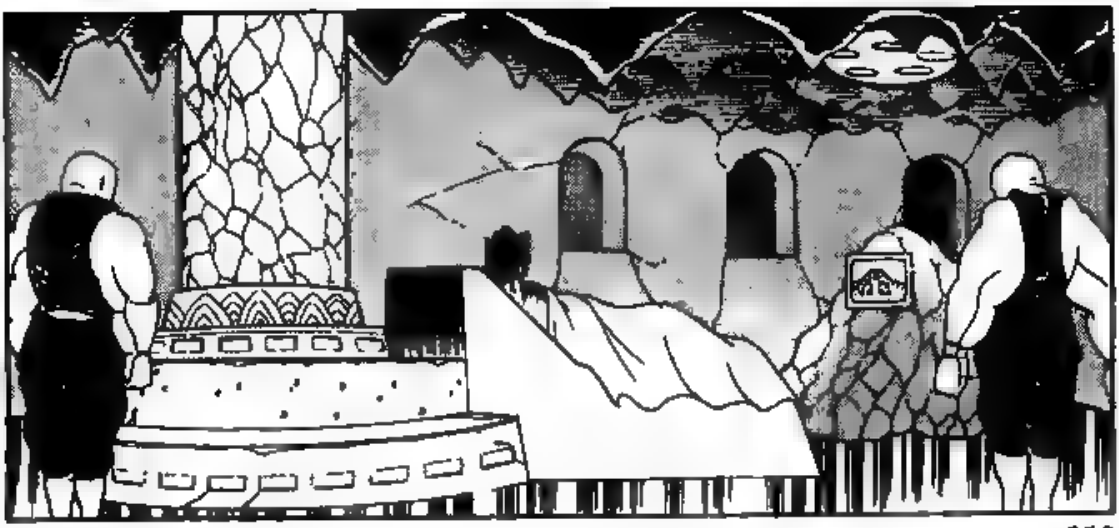
A dream...
Suguru!
This is just a bad dream...
For some reason, Kinnikuman isn't helping his partner Terryman!
Uoh...
Terryman has grabbed the rope!

But he's out of power and is down again!
The damage from the Cross Bomber...
With a KO time of 10 minutes and 10 seconds, the winner of the first of three rounds are the Hell Missionaries!

Damn it!
The Muscle Brothers, who were undefeated until now, have suffered a loss against the Hell Missionaries!



DEVIL CHOJIN WORLD



Guh...
On top of that, their prediction of a 10 minute Mask Hunt came true! They really are dreadful!
I can't allow this! Defeating the Muscle Brothers is my job!
The worst part about the defeat in the first round is that they've taken a large amount of damage for the next two rounds!

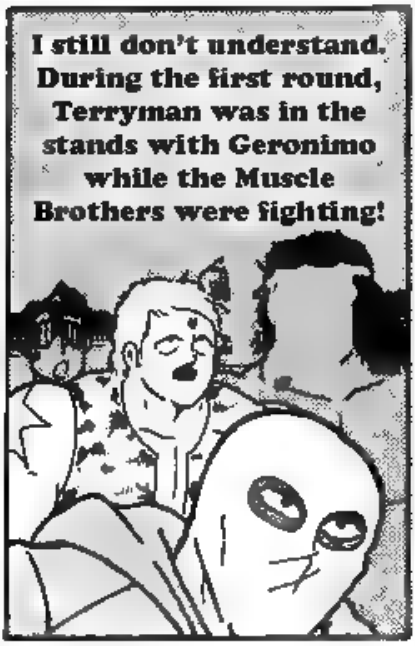
AYUMI

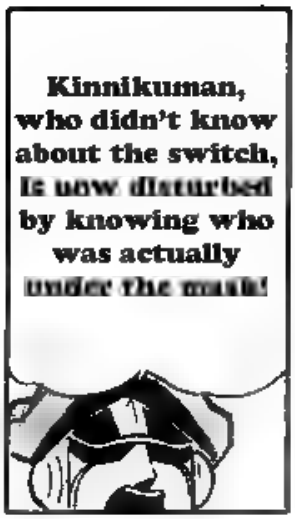
That means that someone else was Kinnikuman Great in the first round, and Terryman only took over after the second round!

And Kinnikuman Great was watching the New Machineguns' match after our match was finished!



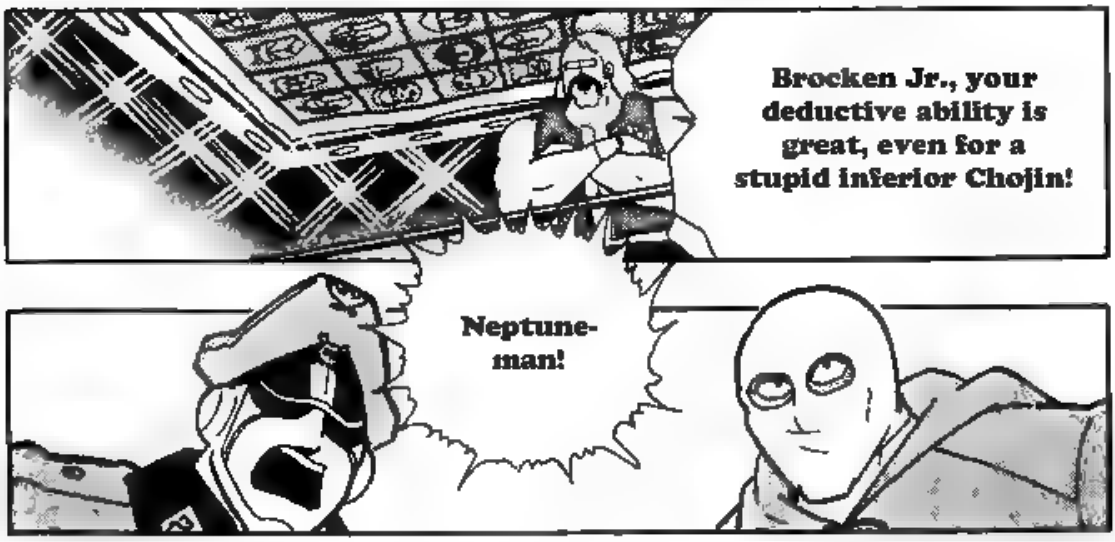
I still don't understand. During the first round, Terryman was in the stands with Geronimo while the Muscle Brothers were fighting!

Meat and King Kinniku, too!

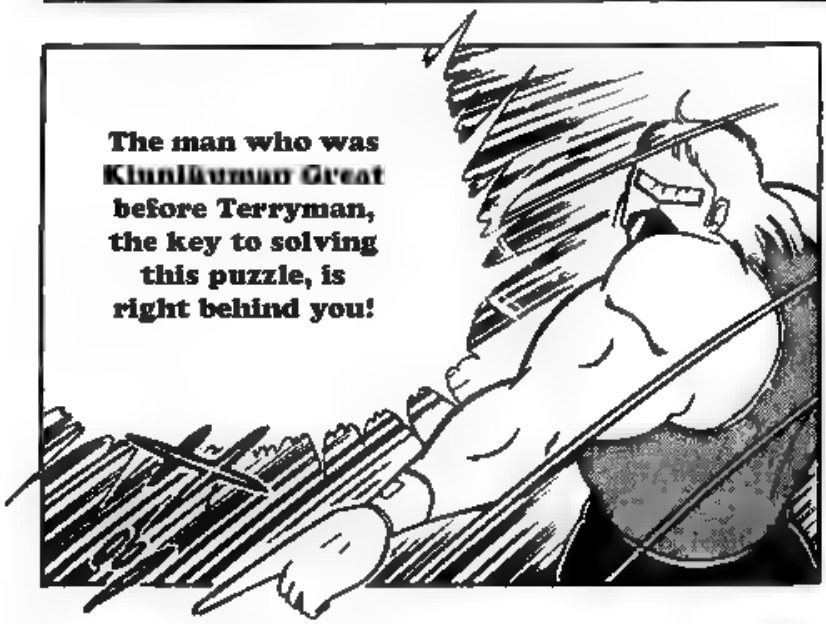


Kinnikuman, who didn't know about the switch, is now disturbed by knowing who was actually under the mask!

So when Terryman become Kinnikuman Great, not even Kinnikuman knew who was under the mask!



Brocken Jr., your deductive ability is great, even for a stupid inferior Chojin!
Neptune-man!

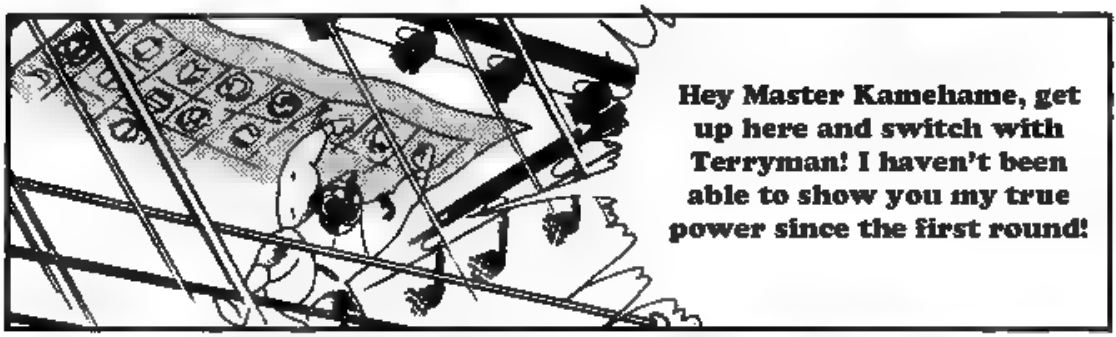


The man who was Kinnikuman Great before Terryman, the key to solving this puzzle, is right behind you!

Since your reasoing is so good, I'll give you a hint!

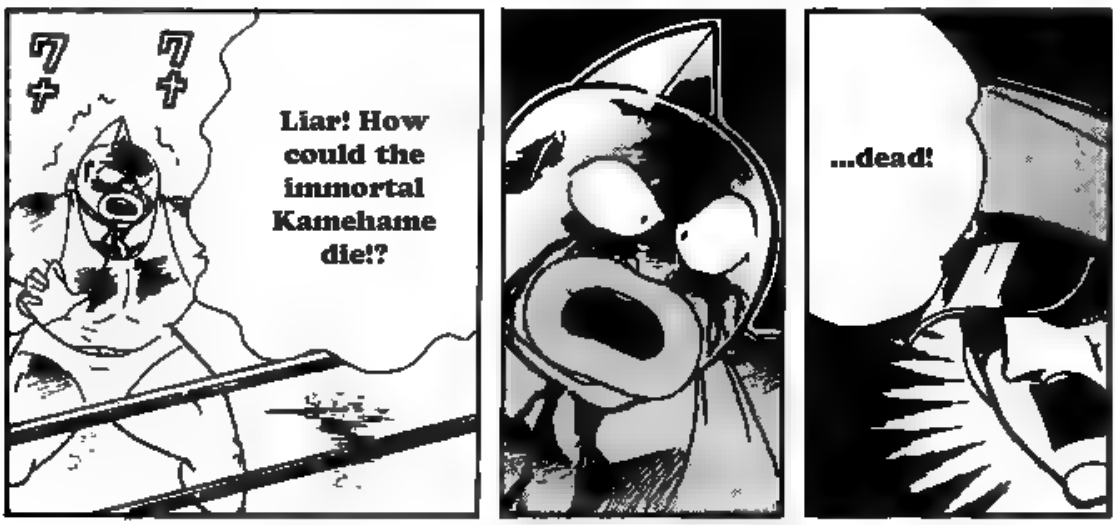
Geh... It's him!
...is standing right behind us?
The key to the identity of the first Kinniku-man Great...
It's the current Hawaiian Chojin Heavyweight Champion, Prince Kamehame, god of the Hawaiian Chojin world!
Kame-hame?
Eeh!?
Master Kamehame is here!?

He... He's..!?
I knew that sharp, elegant fighting style was unique!
Is it true? Are you the first Kinnikuman Great?



Hey Master Kamehame, get up here and switch with Terryman! I haven't been able to show you my true power since the first round!

Kinnikuman, the Kamehame standing down here is...



Liar! How could the immortal Kamehame die!?
...dead!

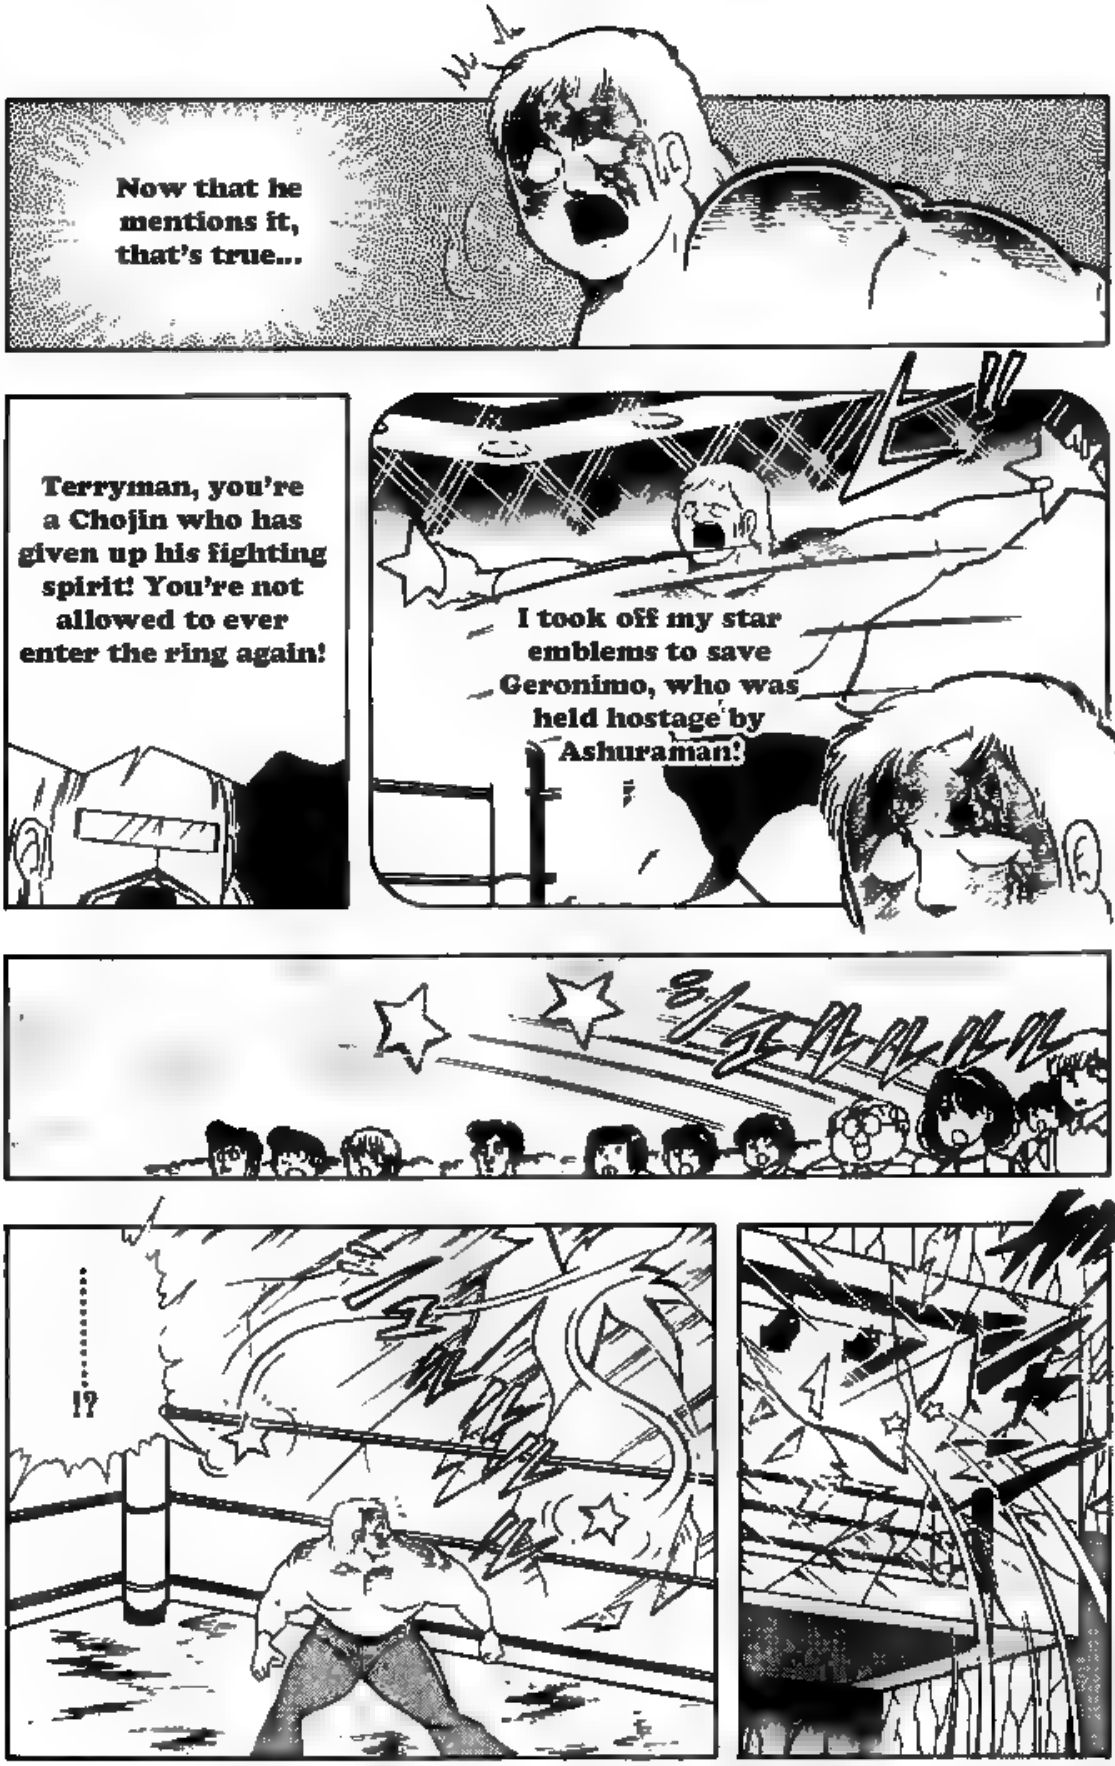
Do you remember, Kinnikuman? When Geronimo and I faced the Stray-Devil Combo?
Kinniku-man...
You're lying! My master will always be here! The doctor told him he'd be able to fight until he was 100!
However, he ended up being taken into the Cursed Rollers in my place!
During that match, I was thrown into Sunshine's Cursed Roller.
The first Kinnikuman Great Kane hane threw himself in to save me
Even so, he used the last of his strength in the dressing room to grant me the mask before he died.
That's when Kinnikuman Great's fate was sealed.

Budo discovered Kamehame's corpse in a nearby grave, but he also found another interesting corpse nearby.
Yet you didn't see anything wrong with dressing up like him!?
Terryman, you... killed Master Kamehame!
Who?
The corpse of Chojin surgeon Doctor Bombe!
According to our investigation, Doctor Bombe had a fatal tumor in his stomach and only had a year left to live. However, he strained himself both mentally and physcially to fix your arm, and it decreased his time left on this planet.
It can't be! I heard that he was tired after the sugery on my left arm, but I hadn't heard that he was dead!

Terryman isn't the only one at fault! I'm just as guilty for killing Doctor Bombe!
I was the one who killed the doctor...
Prince ...
Kinnikuman!
MAYUMI
KINNIKUMAN, YOU SHOULDN'T BLAME YOURSELF!

But I'm still mad that Terryman was deceiving me until now!
Both Doctor Bombe and I died believing in the friendship power of the Justice Chojin... From this point forward, it's best that you and Terryman become the champions of this Tag Tournament together.
That's Master Kame-hame's voice!
You're my ideal partner, Master Kamehame!
On top of that, I don't feel like I can make a good team with him!
As you know, the championship trophy can only be pulled out with true friendship. No matter how good our teamwork is, the relationship between a master and student isn't friendship.
Huh?
Kinnikuman, even if the two of us were to win the tournament togehter, we wouldn't be able to pull out the trophy.
However, you and Terryman have it on the surface and can communicate it to the depths of you hearts! That's true friendship!

Terryman was already eliminated during the match with the Stray-Devil Combo!
It doesn't matter, [illegible]kuman! Terryman can't be your partner anymore thanks to you, anyway.
What?
No matter how long Terryman and I have known each other, I don't feel that it's friendship!
What?
It's common sense that someone who's been eliminated from the tournament can't still enter!
Terryman wasn't knocked out and didn't surrender during that match!
Look!
That's true, but he did remove his star emblems that represent the American Chojin to prove his surrender!



Now that he mentions it, that's true...
Terryman, you're a Chojin who has given up his fighting spirit! You're not allowed to ever enter the ring again!
I took off my star emblems to save Geronimo, who was held hostage by Ashuraman!
.....!?

What is this!?
Terryman, I've come to return what you've lost!

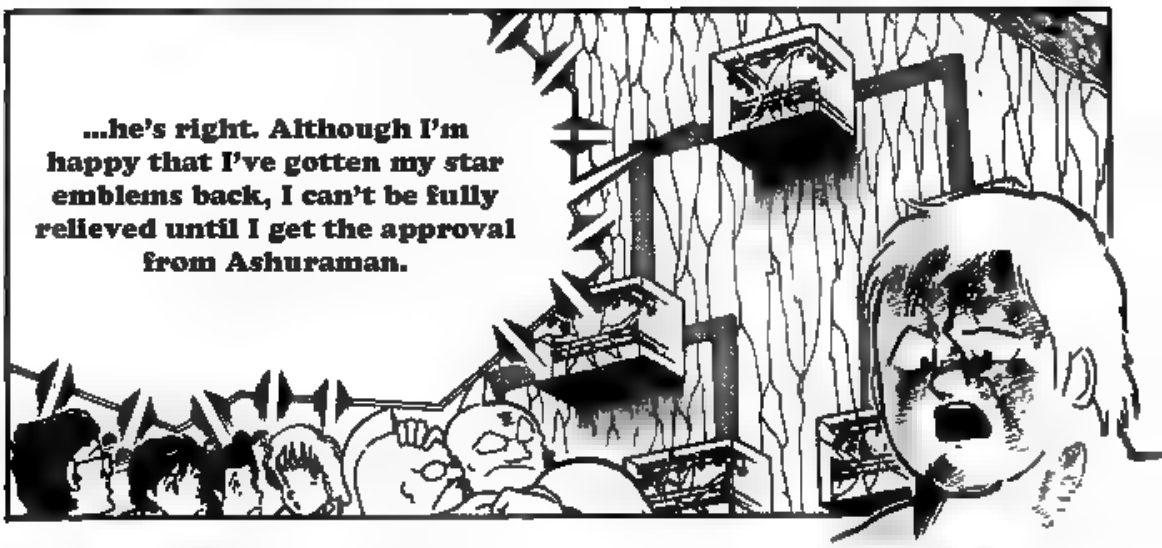
Dream Chojin Tag Arc 53

Revival of the Machineguns!

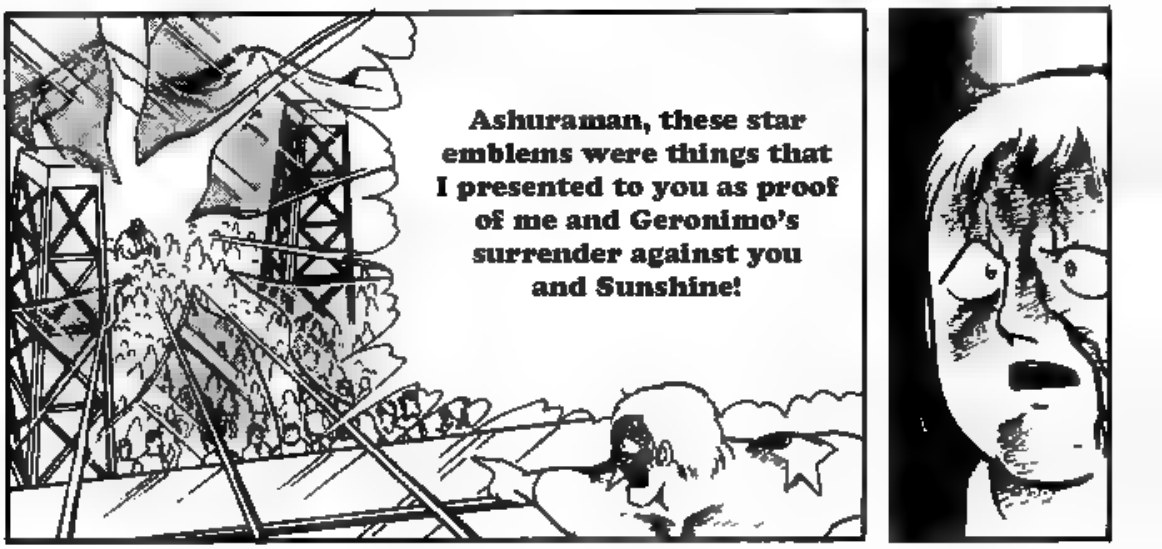
A Team Kinniku Release

Ashuraman, the one who took the star emblems from Terryman, has returned them to him!
Ashuraman!
Hold on, I haven't decided anything yet!
You hard-headed chairman, don't you see the star emblems shining on Terryman's shoulders!?
Alright, the star emblems have been returned, so Terryman is no longer disqualified! The Machineguns are back!
Devil Chojin, why are you here!?

Please stop, King Kinniku!
What, you're still trying to cause trouble!?
I see them. However, to lift the disqualification, I need one other thing: the approval from the mouth of Ashuraman himself!

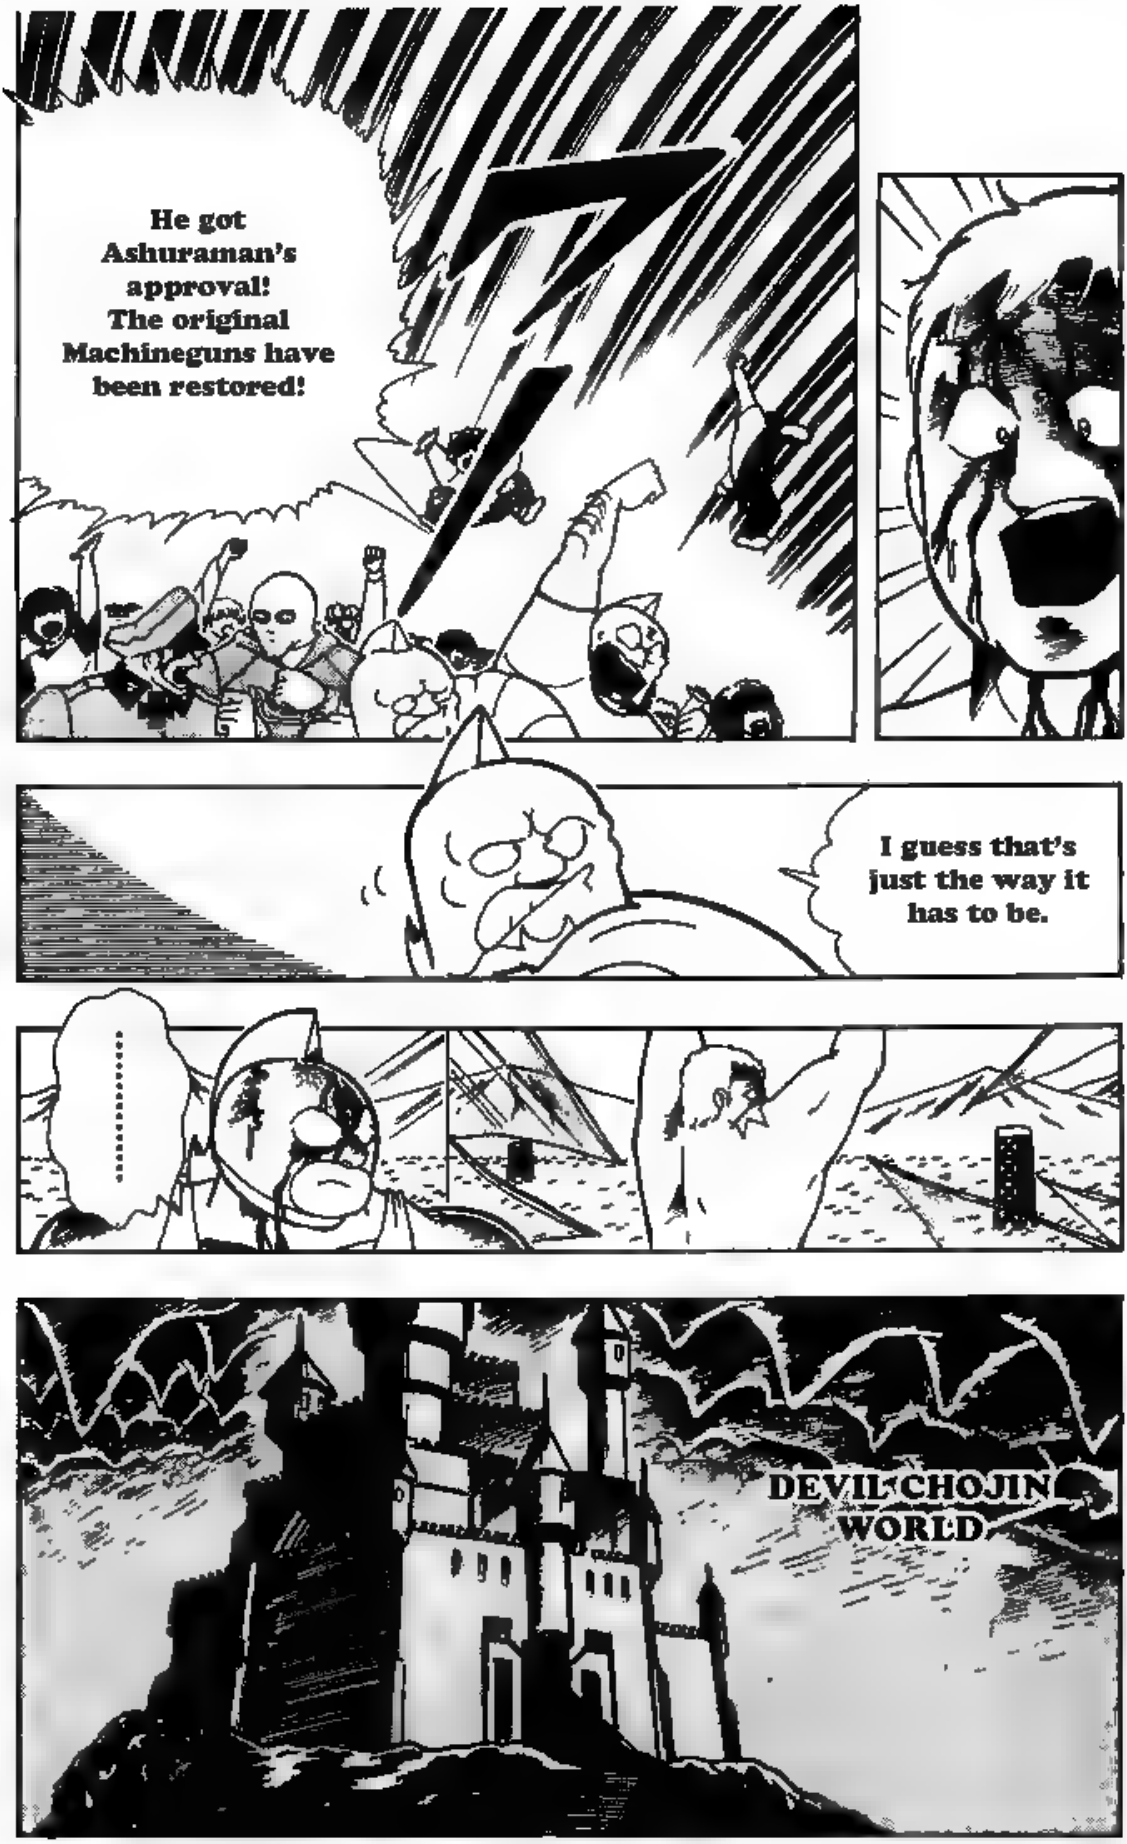


...he's right. Although I'm happy that I've gotten my star emblems back, I can't be fully relieved until I get the approval from Ashuraman.

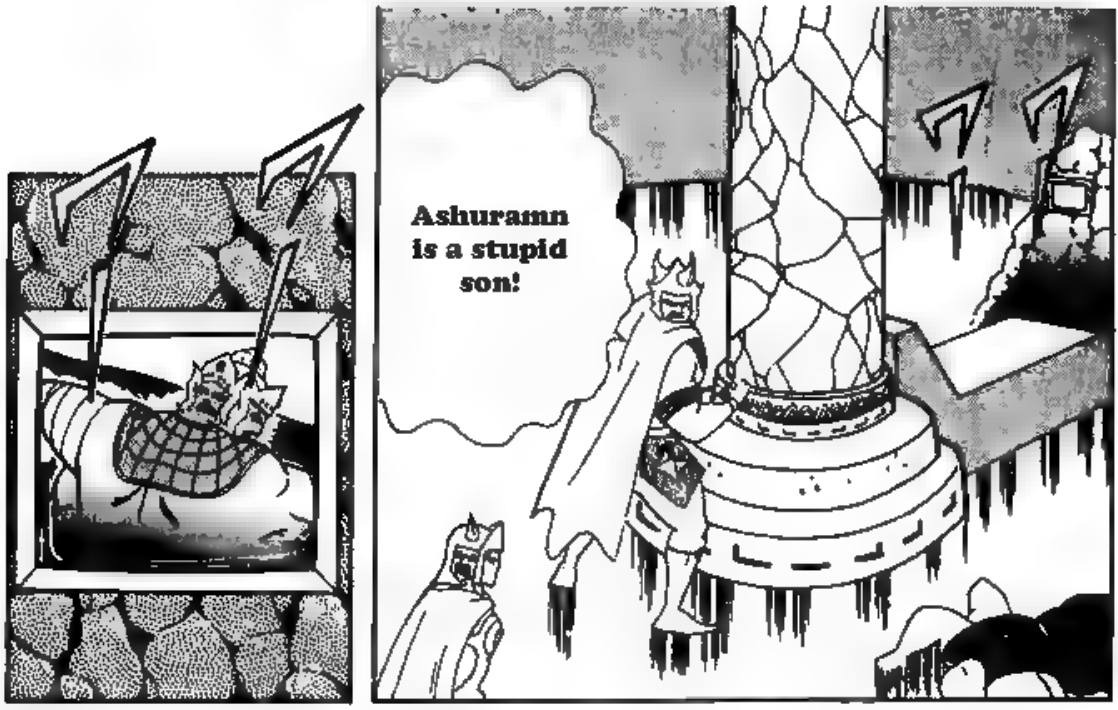


Ashuraman, these star emblems were things that I presented to you as proof of me and Geronimo's surrender against you and Sunshine!

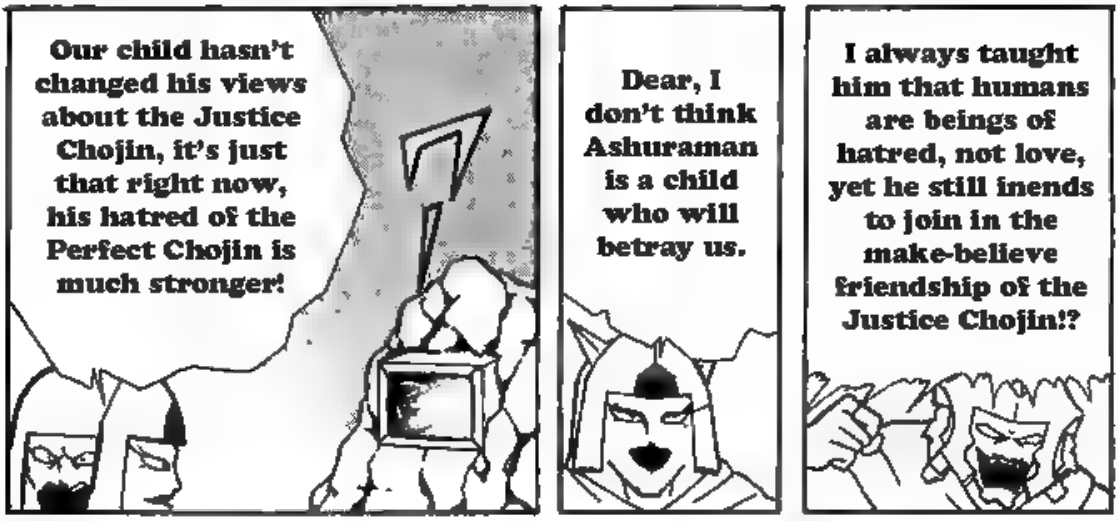
Right, Ashuraman! Those star emblems you returned became worthless once they were given to the Stray-Devil Combo!
.....
...I just came to give you back something you lost, Terryman!
...I didn't hear anything about that...
Ashuraman, by doing this, are you allowing my showdown with the Hell Mercenaries by restoring my tag team with Kinnikuman!?
I came to see it for myself: the power that people with friendship can communicate through their hearts!



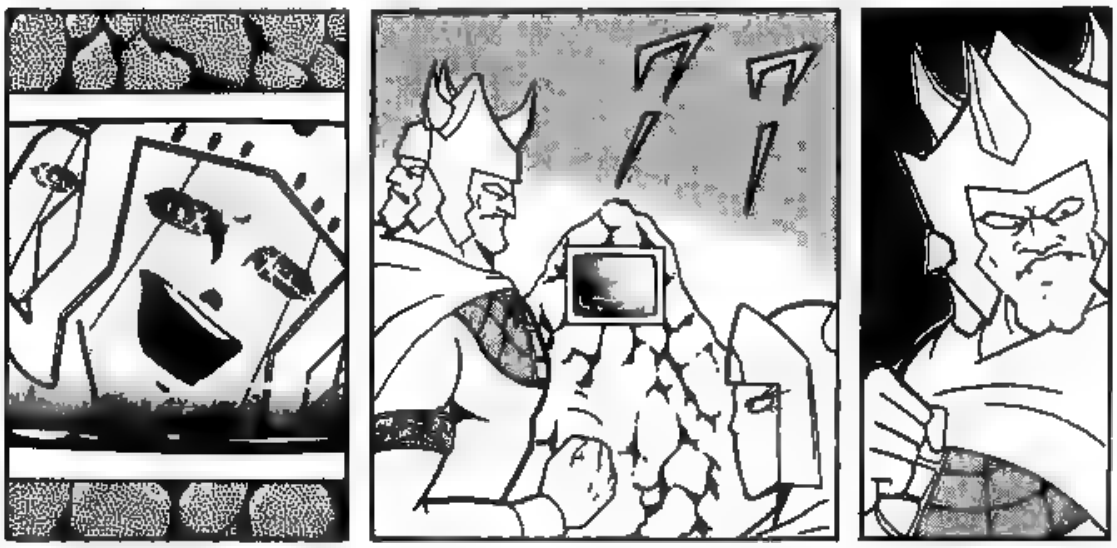
He got Ashuraman's approval! The original Machineguns have been restored!
I guess that's just the way it has to be.
.....
DEVIL CHOJIN WORLD

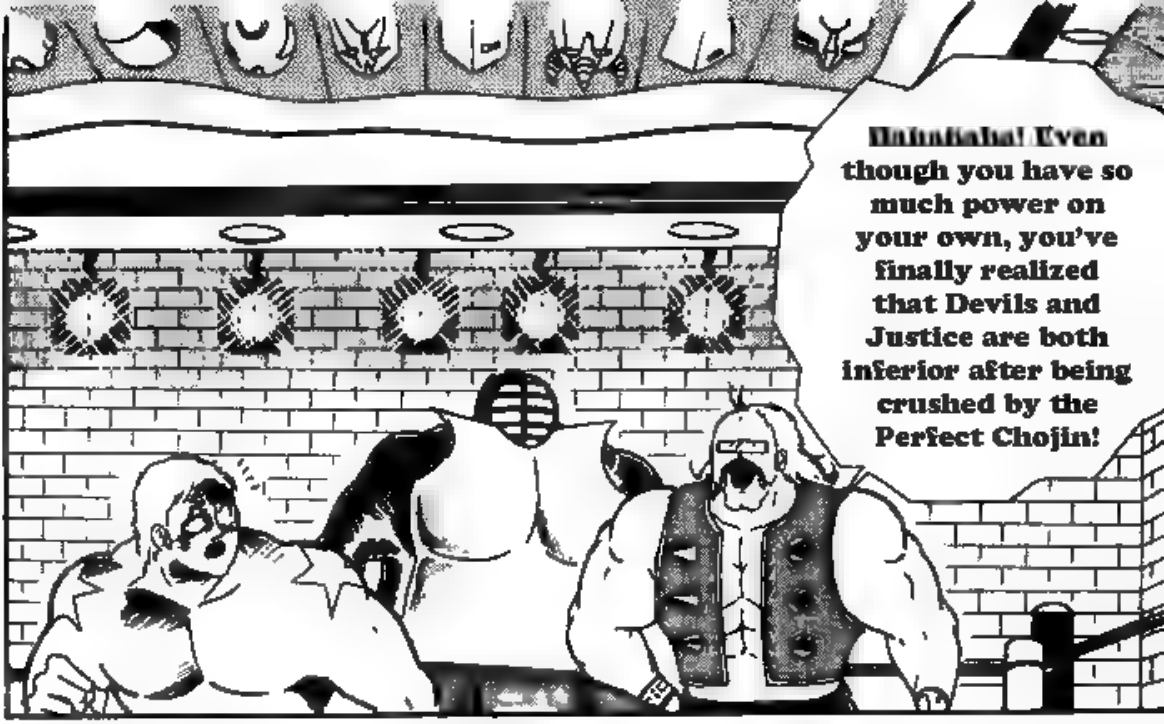


Ashuramn is a stupid son!



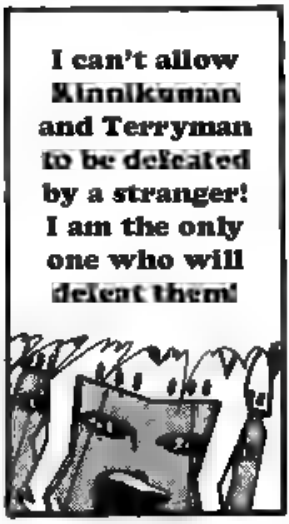
Our child hasn't changed his views about the Justice Chojin, it's just that right now, his hatred of the Perfect Chojin is much stronger!
Dear, I don't think Ashuraman is a child who will betray us.
I always taught him that humans are beings of hatred, not love, yet he still inends to join in the make-believe friendship of the Justice Chojin!?



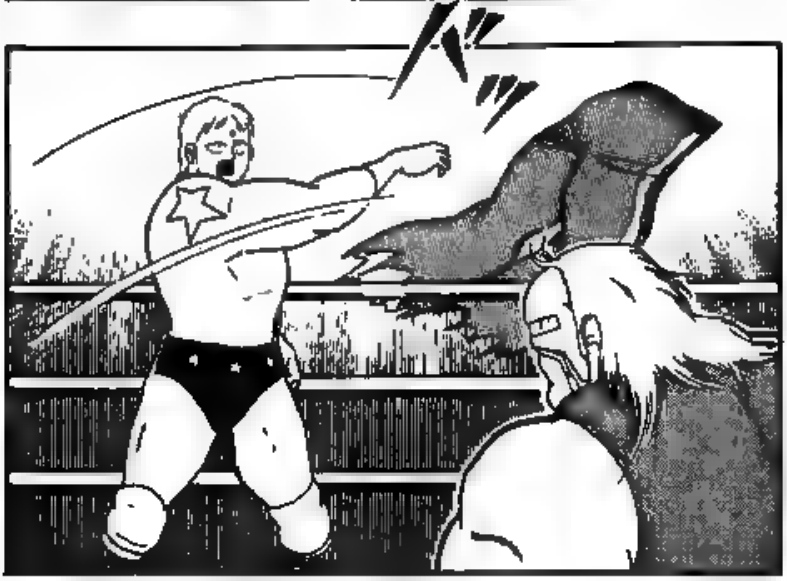


Hahahaha! Even though you have so much power on your own, you've finally realized that Devils and Justice are both inferior after being crushed by the Perfect Chojin!

Perfect Chojin, I accept my loss at Kinnikuman Great, but The Terryman will not make the same mistake!

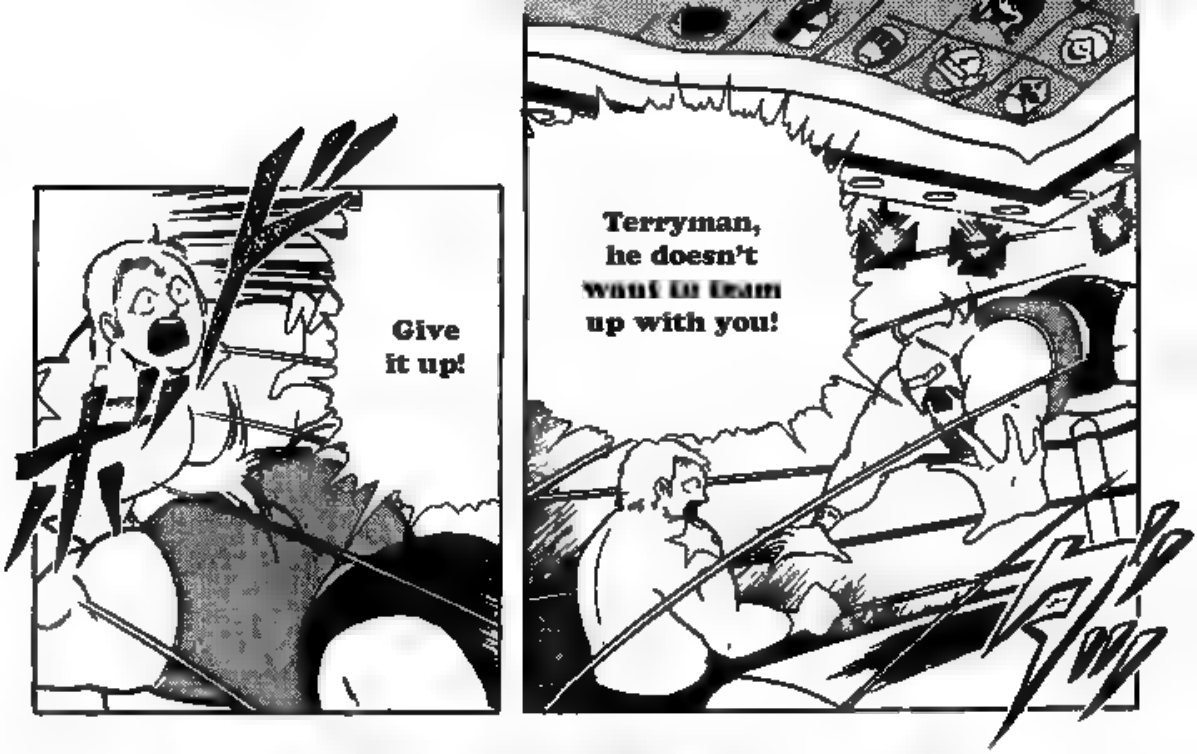


I can't allow Kinnikuman and Terryman to be defeated by a stranger! I am the only one who will defeat them!

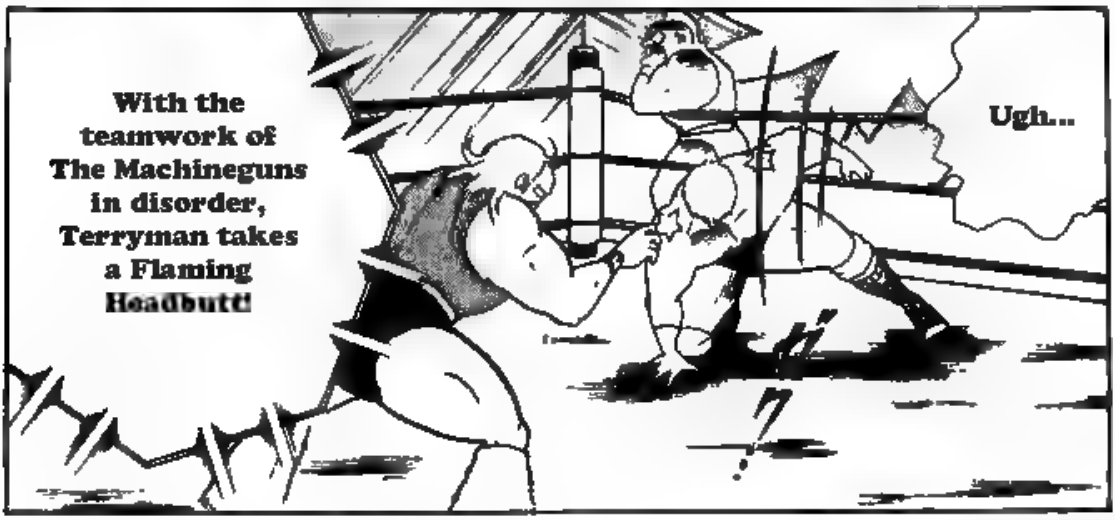


With the revival of The Machineguns, formerly known as the Muscle Brothers, the gong for round 2 has begun!
Terryman, even though you've been approved as Kinnikuman's tag partner, we won't go easy on you!
Due to the 3-round rule, both teams must fight until a team wins twice!
Uoooh!

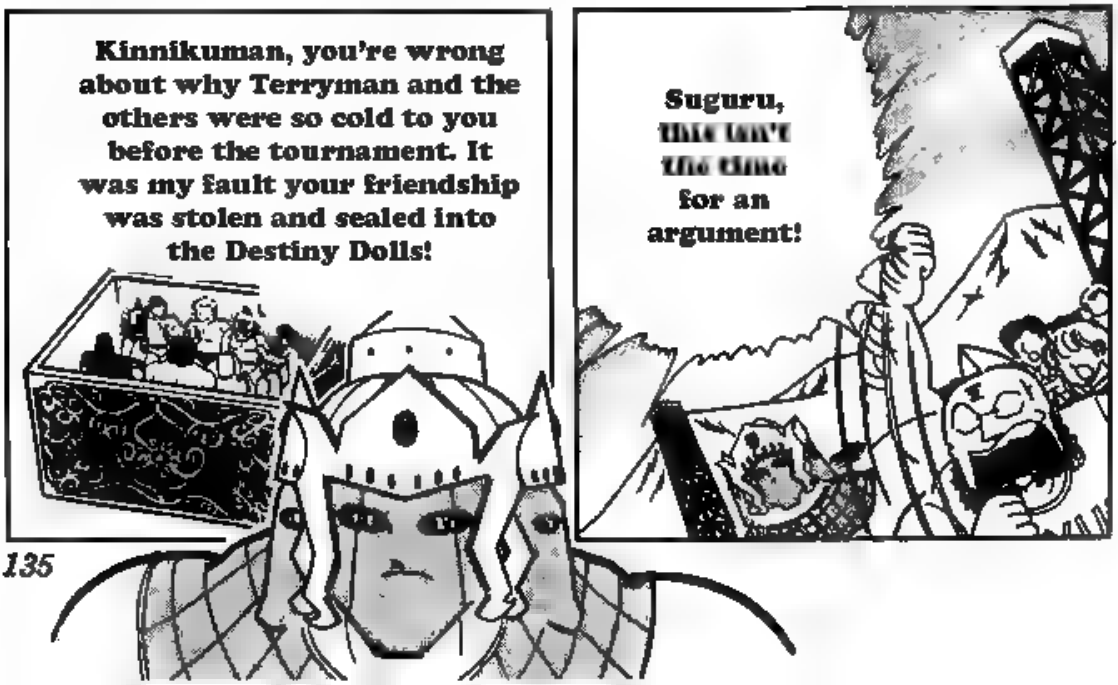
However, it looks like Terryman is going to tag in Kinnikuman!
Neptuneman suddenly throws a Jumping Knee Drop to Terryman's face!
What's wrong, Kinnikuman? Tag me out!
.....
.....
!?
Terryman, I'm still not ready to stand in the ring with you.
I don't even remember what got into me back then! I don't know why I did that!
I wanted to enter this tournament with you, but you refused and formed the New Machineguns with Geronimo. Isn't it a bit selfish to decide that our team is restored after everything you've done?



Give it up!
Terryman, he doesn't want to team up with you!



With the teamwork of The Machineguns in disorder, Terryman takes a Flaming Headbutt!
Ugh...



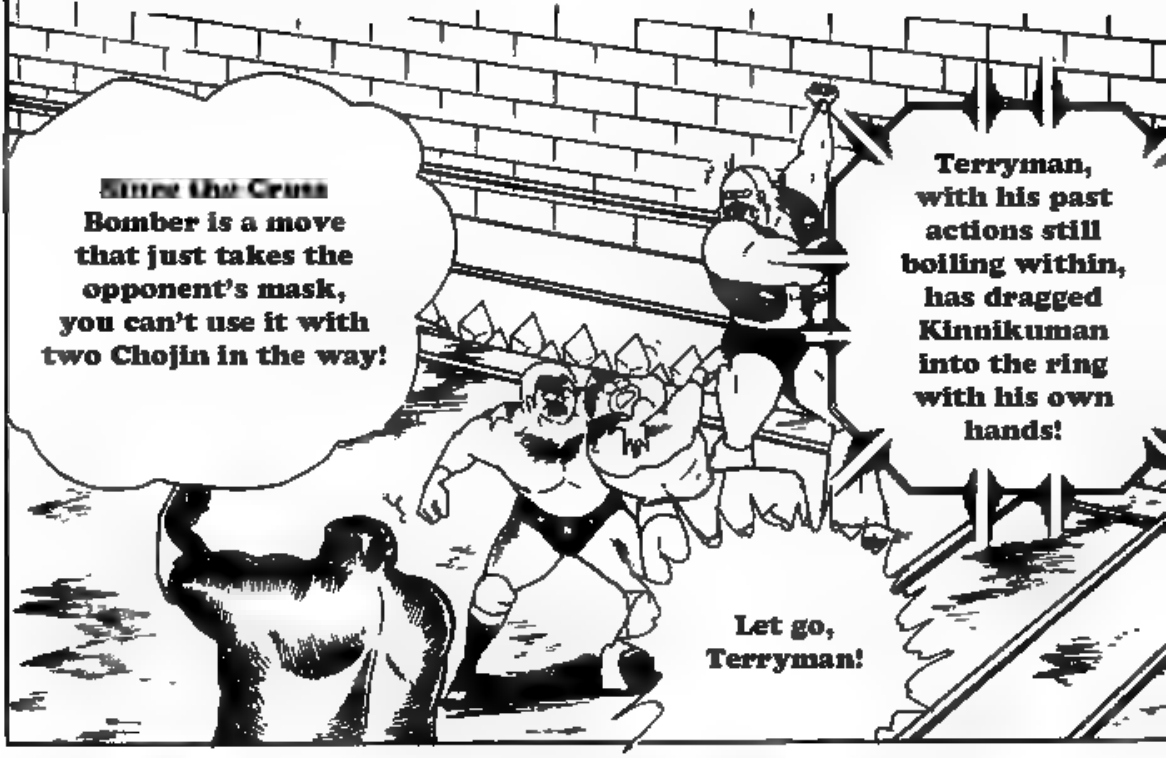
Kinnikuman, you're wrong about why Terryman and the others were so cold to you before the tournament. It was my fault your friendship was stolen and sealed into the Destiny Dolls!
Suguru, this isn't the time for an argument!

Just by holding them away from each other, the friendship of the Justice Chojin can be disrupted!
Hahaha, these Destiny Dolls are surprisingly effective!
...but what if they still have those dolls they took from us!?
With Neptuneman's stomping, Terryman's head is being cut open again!
No, no!
Terryman!

No matter how much you hate Terryman on the surfact, you care about him in the depths of your heart.
As I thought, you're worried about Terryman.
Master Kamehame!
That's because Terryman hasn't been in a real crisis yet.
That's not true, Master! I should abandon Terryman right now!
When Terryman is facing a real crisis, you body will naturally act to help him.
Master!
It's a lonely battlefield with only Terryman and Neptuneman!

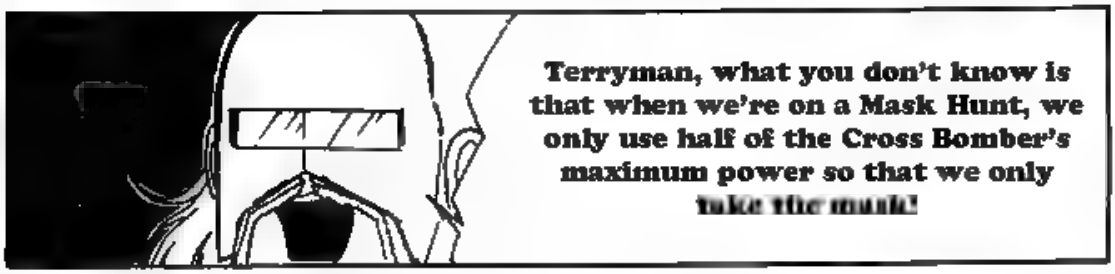
Terryman's in bad shape, Prince!
A finishing Shoulder Neck Breaker Drop!
Huh?
No, this is nothing.
Right now, Terryman is just paying for his animosity toward Kinnikuman earlier!
I think that Kinnikuman would jump in and help him if he were really being hurt.
No matter how long you wait for friendship to be restored, it won't happen if you don't take it back with your own hands!

The Missionaries have declared that they're going to rip off Terryman's face!
This time, Terryman, we'll rip off your face!
Friendship is something I have to take with my own hangds...
Earlier you had a mask, but...
Terry, get away! If you take this hit after all of the damage you've taken, you'll die!
Friendship is something I have to take with my own hands...
What are you doing!?
Friendship is a thing I have to take with my own hands!

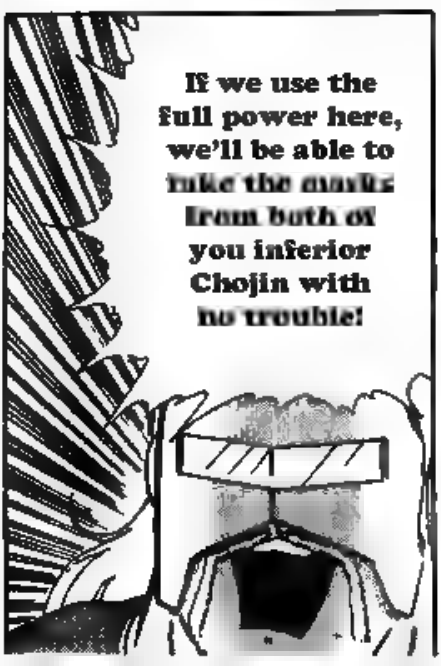


Since the Cross Bomber is a move that just takes the opponent's mask, you can't use it with two Chojin in the way!
Terryman, with his past actions still boiling within, has dragged Kinnikuman into the ring with his own hands!
Let go, Terryman!

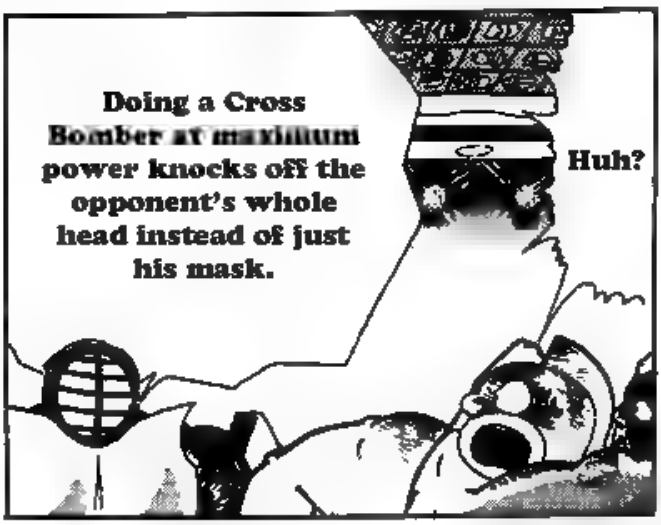
An amazing idea from the intellegent Terryman!



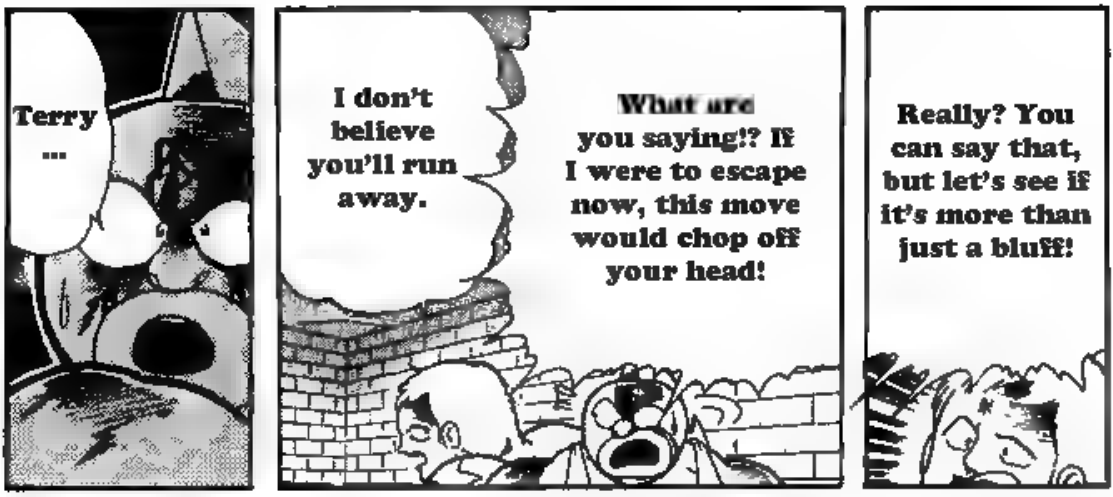
Terryman, what you don't know is that when we're on a Mask Hunt, we only use half of the Cross Bomber's maximum power so that we only take the mask!



If we use the full power here, we'll be able to take the masks from both of you inferior Chojin with no trouble!



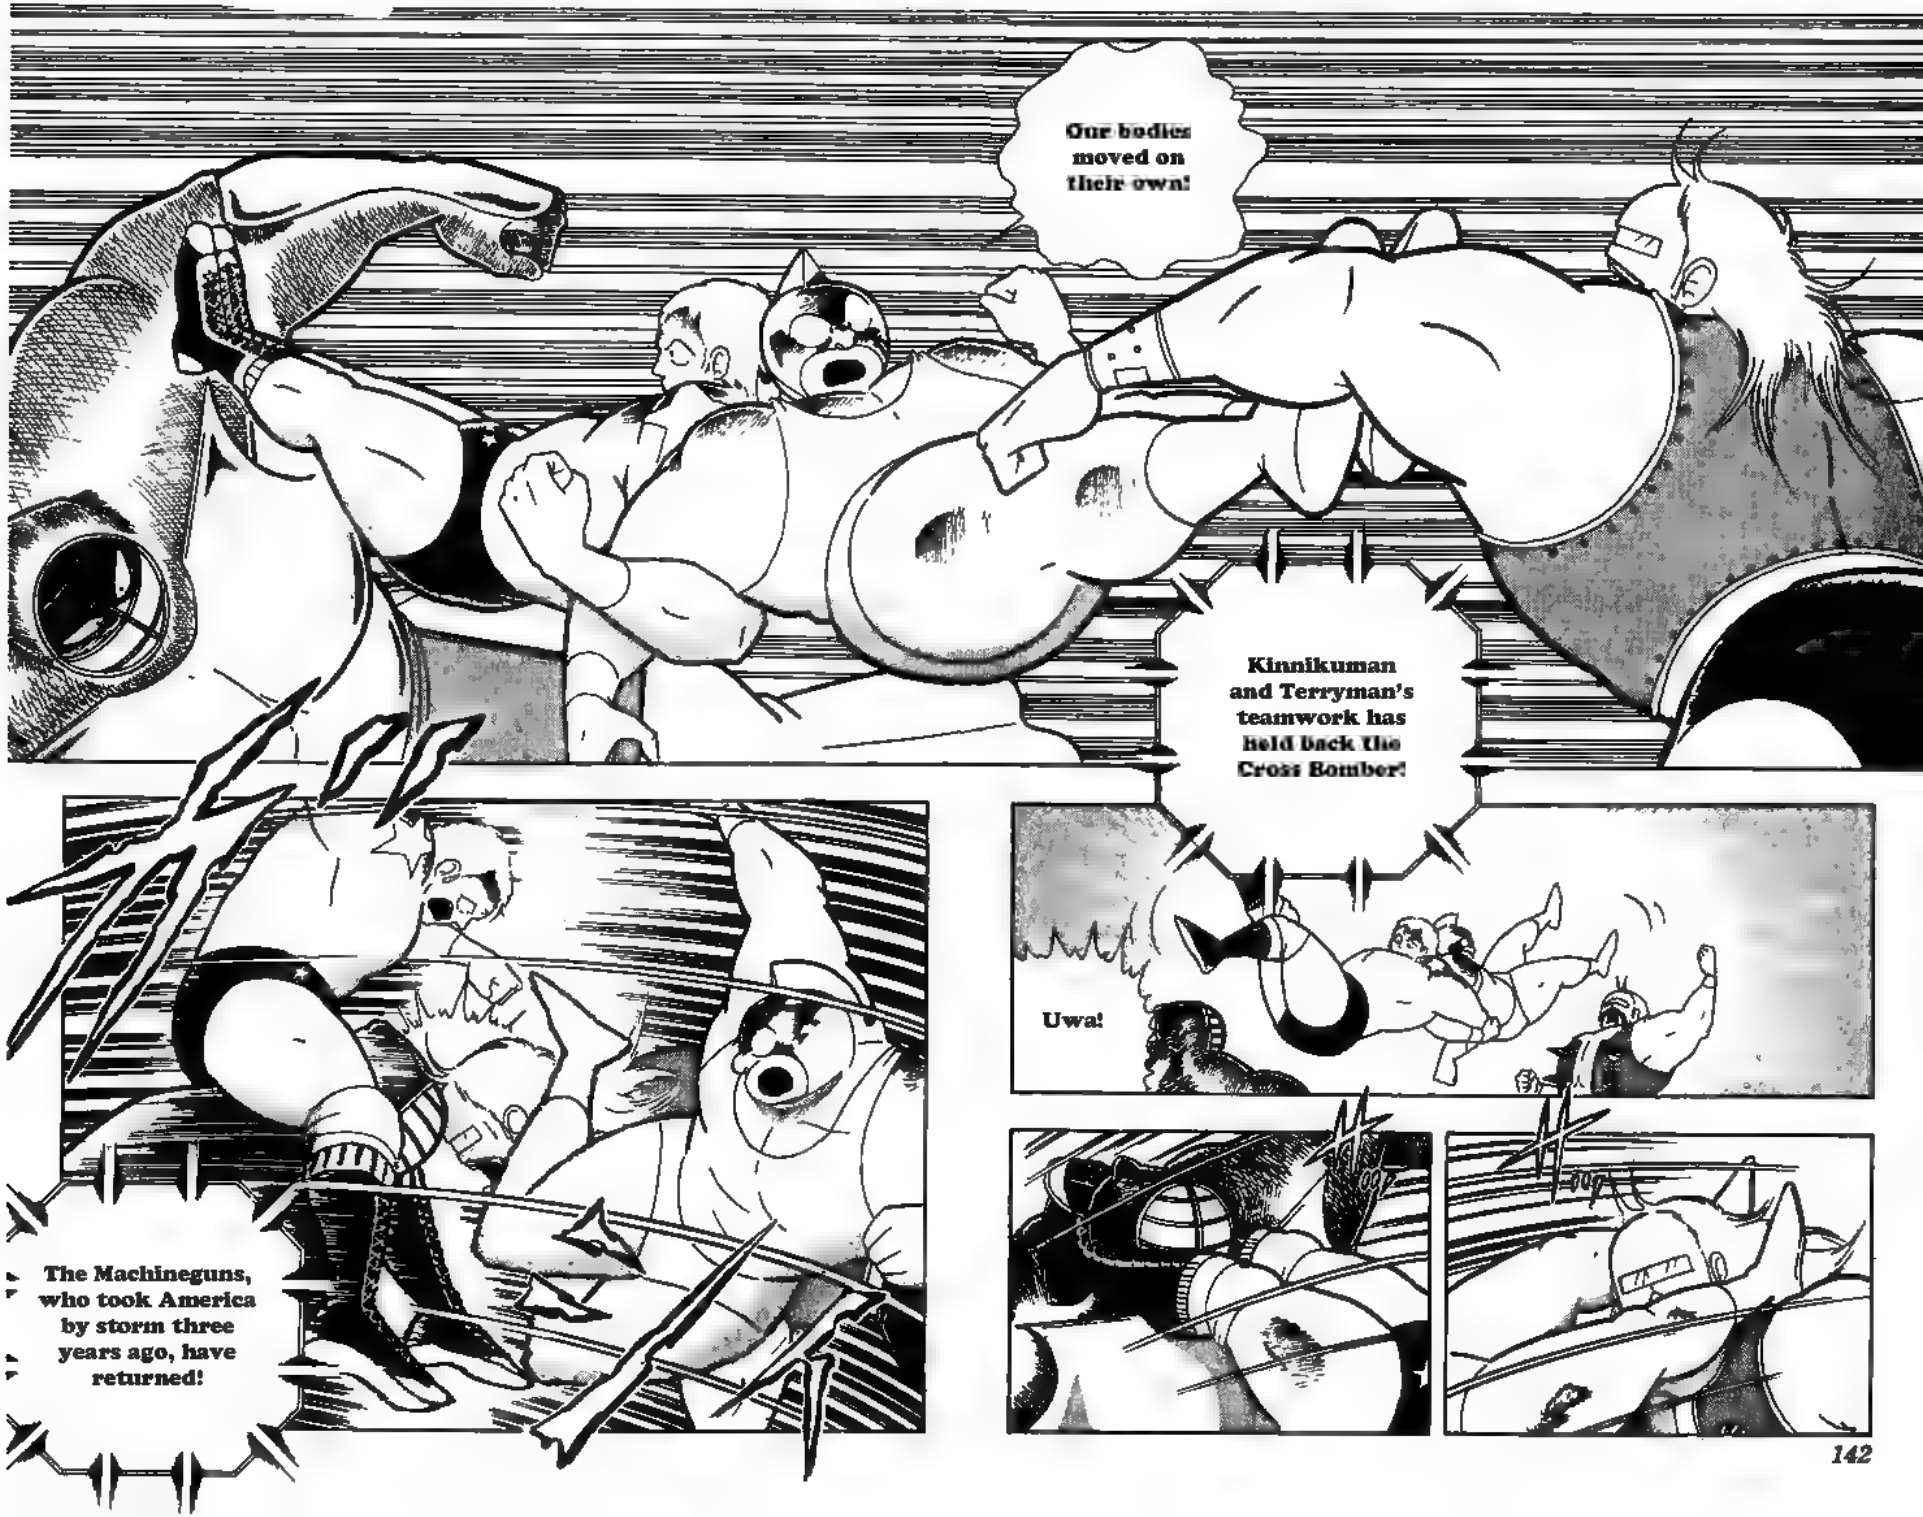
Doing a Cross Bomber at maximum power knocks off the opponent's whole head instead of just his mask.
Huh?



Terry ...
I don't believe you'll run away.
What are you saying!? If I were to escape now, this move would chop off your head!
Really? You can say that, but let's see if it's more than just a bluff!

Let's go: *Rough Face Bomber!*

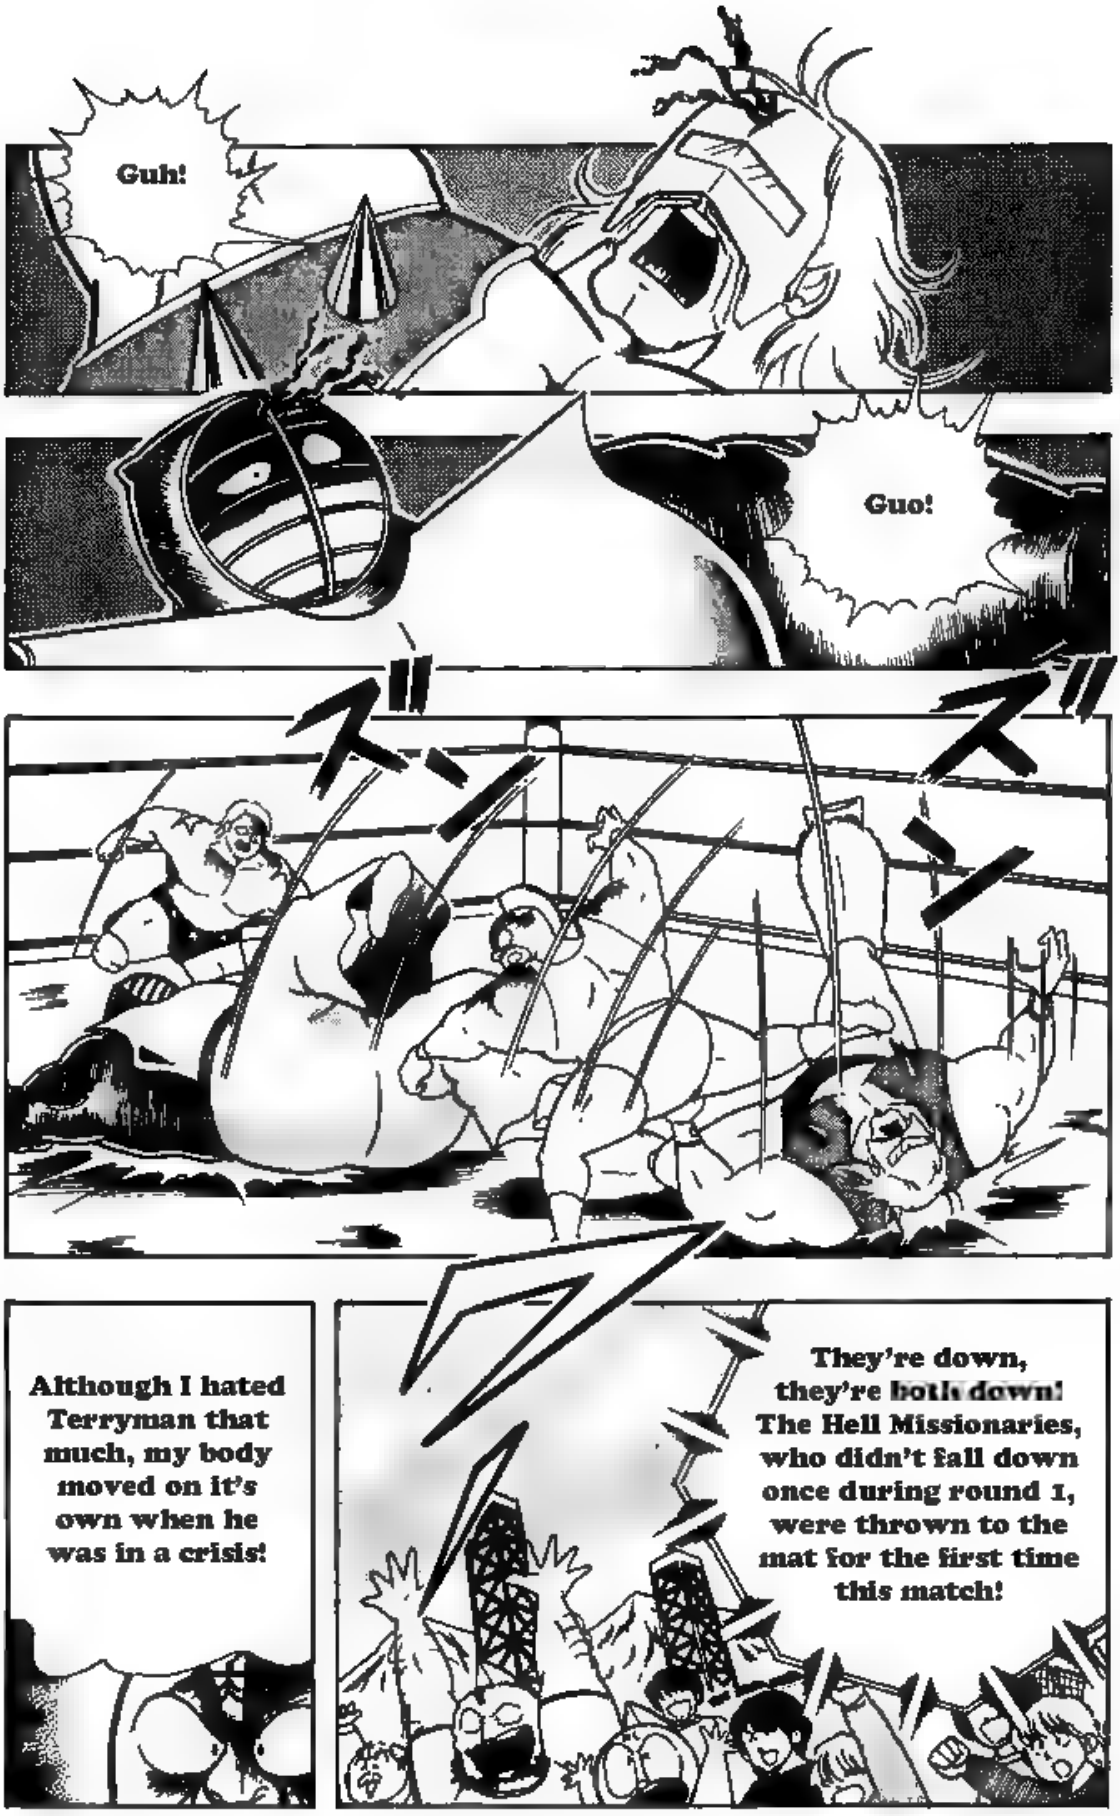
If I don't escape now, they'll take my mask, but if I do, then Terry will...



Our bodies moved on their own!
Kinnikuman and Terryman's teamwork has held back the Cross Bomber!
Uwa!
The Machineguns, who took America by storm three years ago, have returned!

Dream Chojin Tag Arc 54

The Final Mask Hunt Declaration!



Guh!

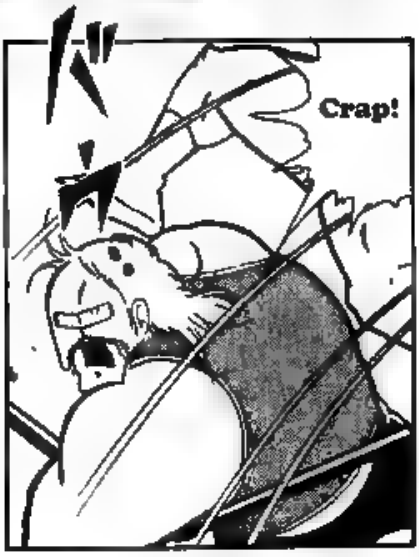
Although I hated Terryman that much, my body moved on it's own when he was in a crisis!
They're down, they're both down! The Hell Missionaries, who didn't fall down once during round 1, were thrown to the mat for the first time this match!

No, my hatred toward Terryman hasn't changed! My body moving just now was nothing more than a fluke!
Aah!
No matter how much you hate Terryman on the surface, you care about him in the depths of your heart.
Huh?
When Terryman is facing a real crisis, your body will naturally act to help him.
We weren't down just now, we just slipped!
Quarrel Bomber!
Hey Kinniku-man, do a high jump!
Kinnikuman isn't seeing the attack coming from in front of him!

Ooh!

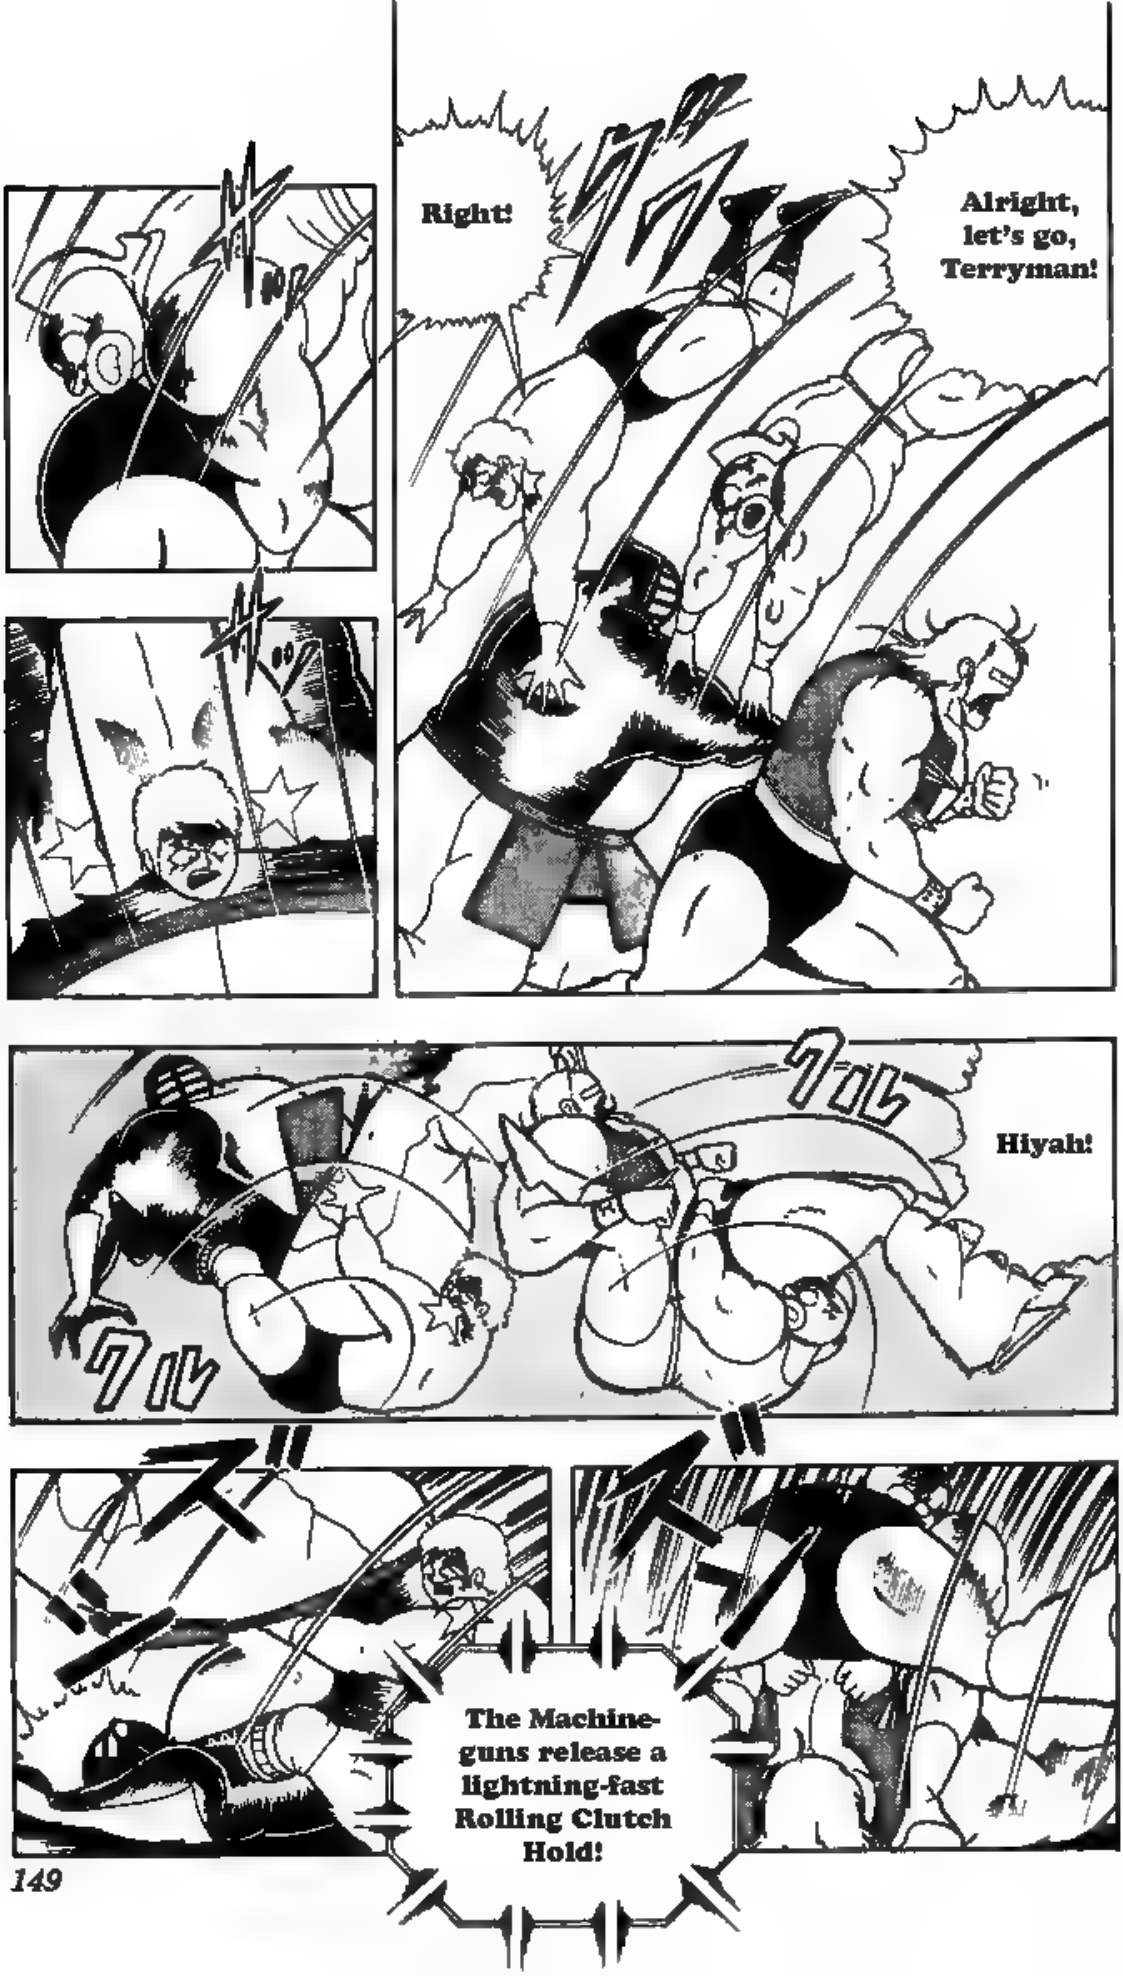
Terryman, alerting the unprepared Kinnikuman, has directed them to jump over the Missionaries' attack!

Right, I almost forgot about Neptuneman and Budo!



Crap!

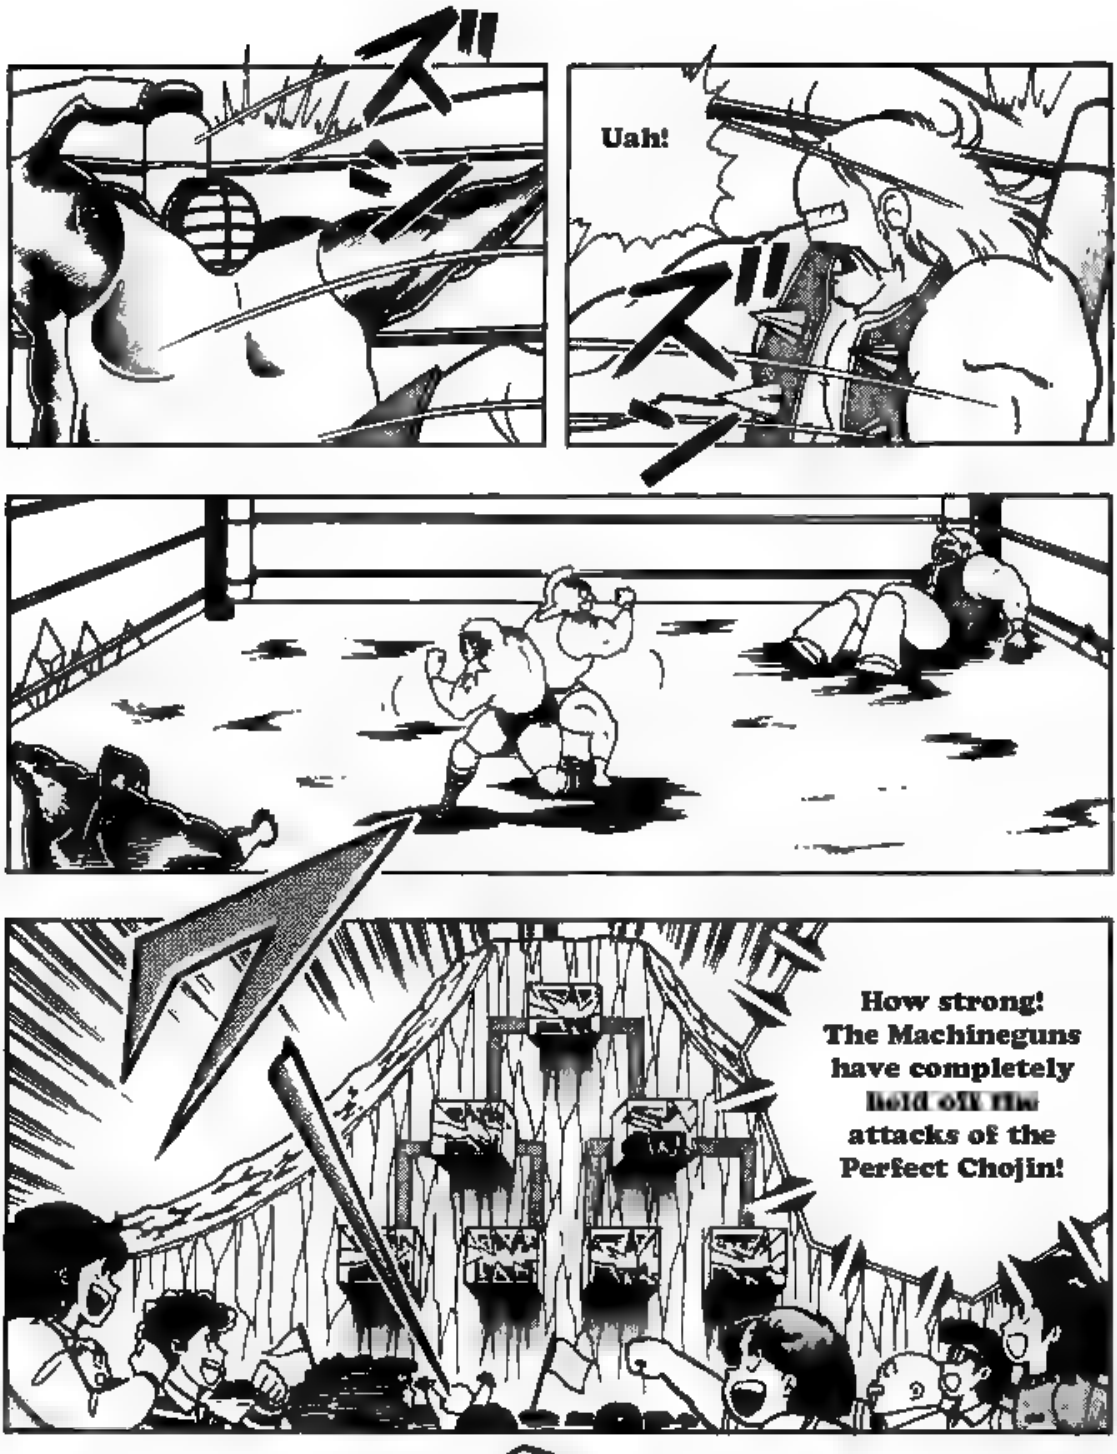
Terry!
Now I've paid back my debt from earlier!



Right!
Alright, let's go, Terryman!
Hiyah!
The Machine-guns release a lightning-fast Rolling Clutch Hold!

Ugh!
Che!
The Missionaries have got out without delay!
Kinnikuman and Terryman have been sent on a collision course into the center of the ring!

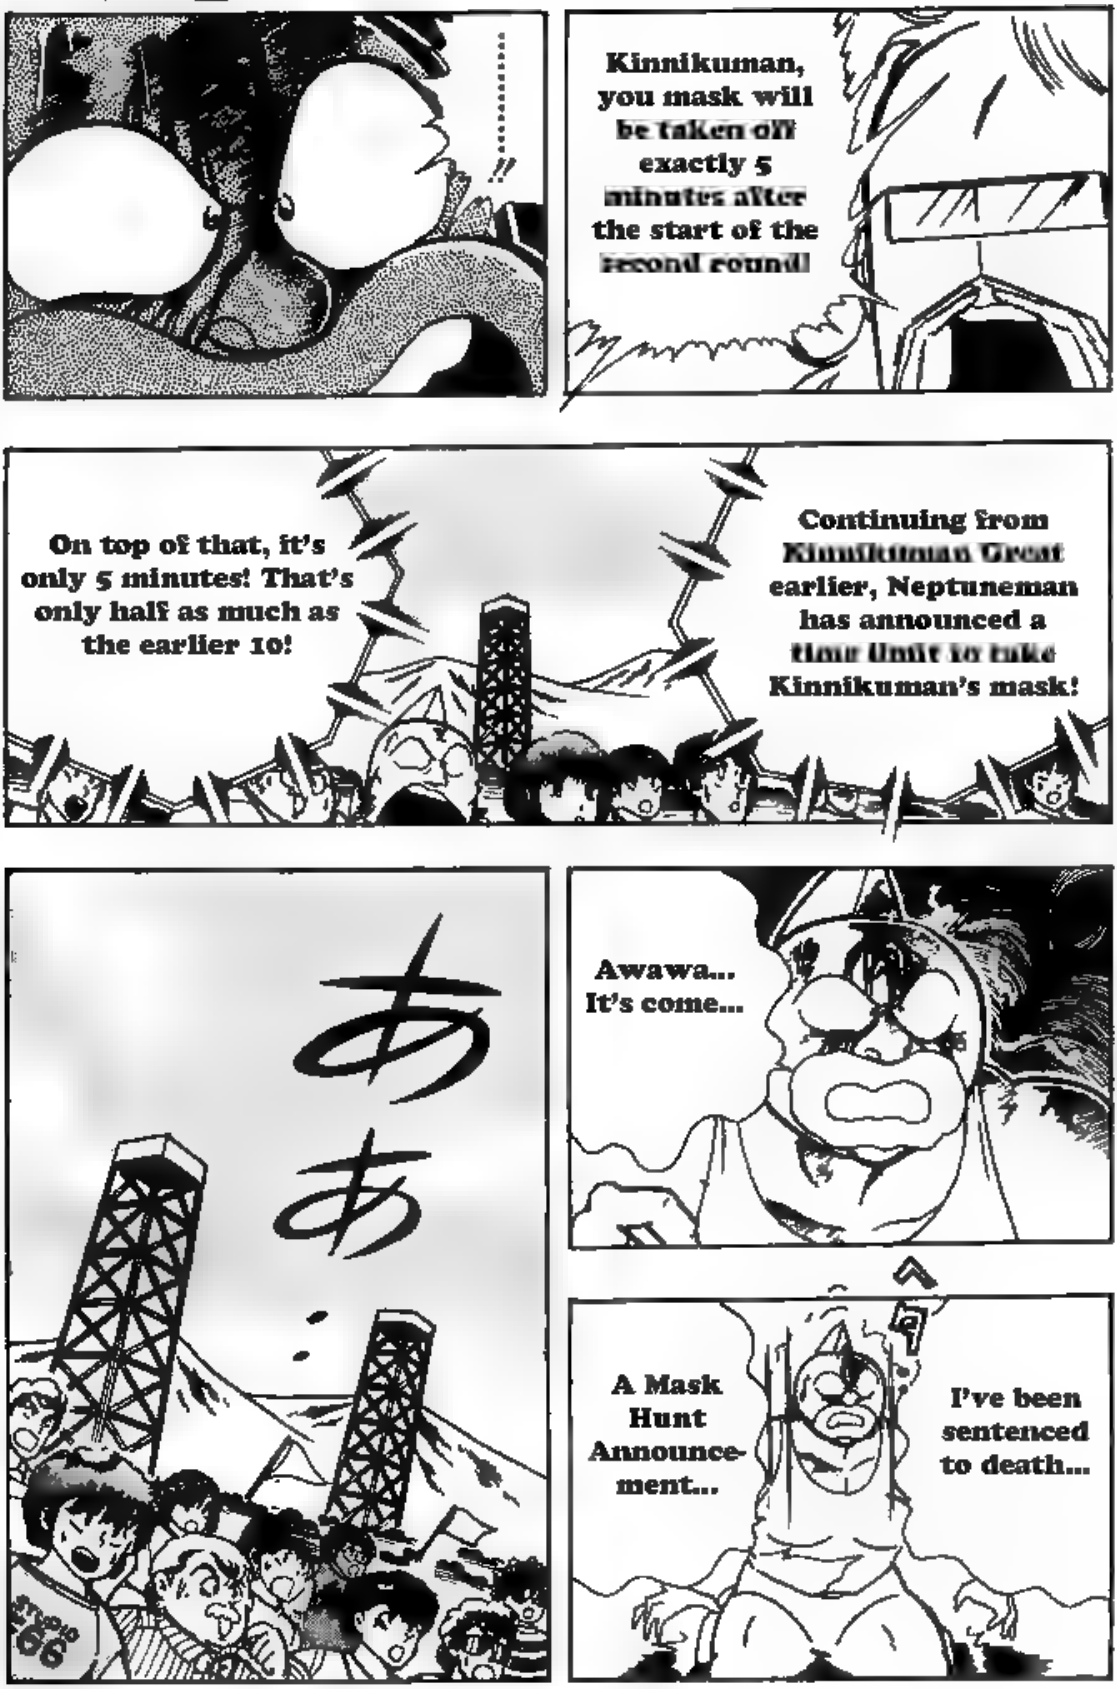
Uwa!
Watch out!
How skilled! They've locked their arms to change their course into a Drop Kick!



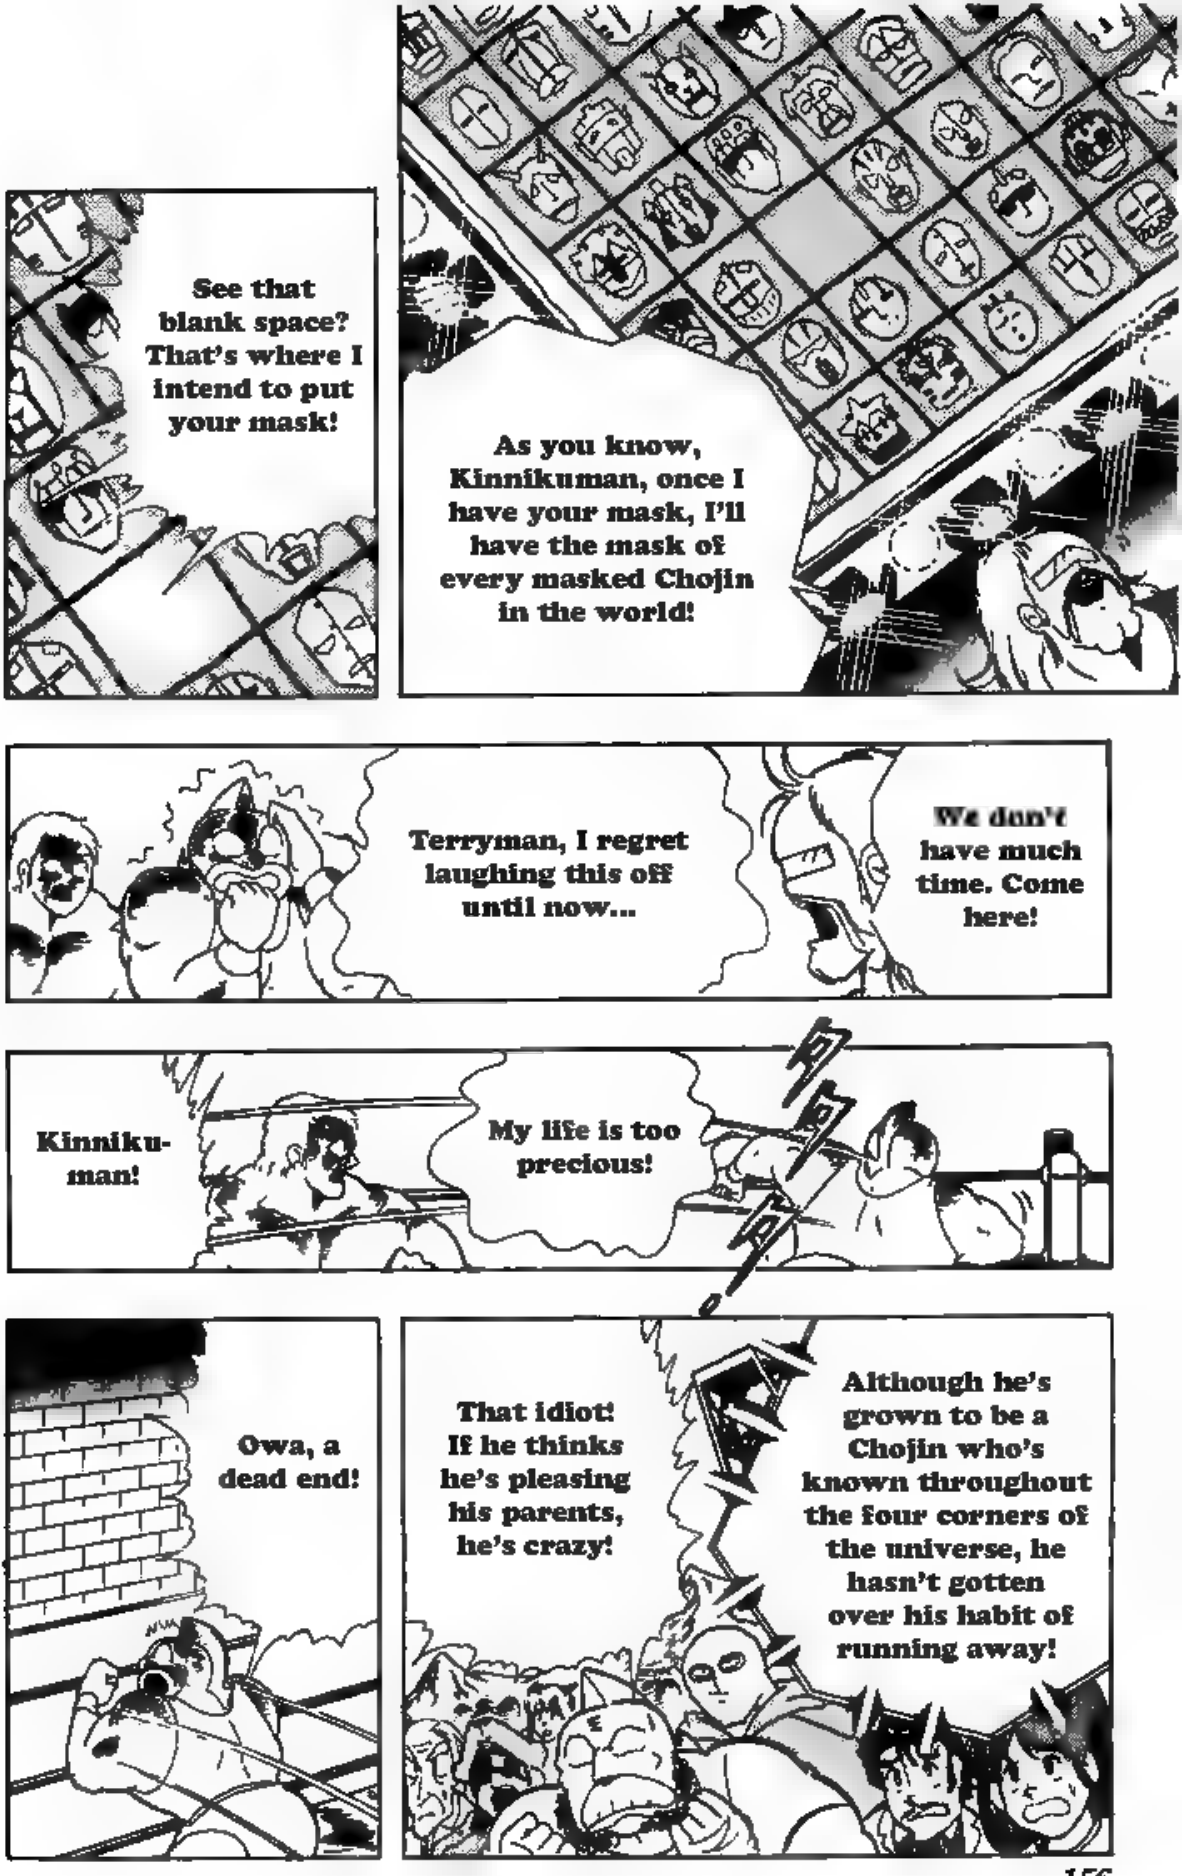
Uah!
How strong! The Machineguns have completely held off the attacks of the Perfect Chojin!
I thought they were going to lose, but The Machineguns are a terrifying team!
They really are strong! They'll be able to win the next two rounds without much problem!

Ugh!
Thank you, Kinnikoman!
Their mutual stimulation has made them a great combination!
The fight those two had today has increased their unity!

Prince Kamehame, the tag-team of you and Kinnikuman was great, but the team of Kinnikuman and Terryman is an even greater tag team!
The one who knows this best may be Kamehame.
Budo, what are you doing!? Get up now!
Perfect Chojin don't go down!
Stop... I'm not down, I slipped!
The count has begun for the Missionaries who are down in the middle of the ring!
Mask-Hunt Announcement No. 2!
Because you're the long-awaited final one, I was going to take your mask slowly, but I'm changing my plans!



!!
Kinnikuman, you mask will be taken off exactly 5 minutes after the start of the second round!
On top of that, it's only 5 minutes! That's only half as much as the earlier 10!
Continuing from Kinnikuman Great earlier, Neptuneman has announced a time limit to take Kinnikuman's mask!
あ あ・・・
Awawa... It's come...
A Mask Hunt Announce-ment...
I've been sentenced to death...
STUDIO 66

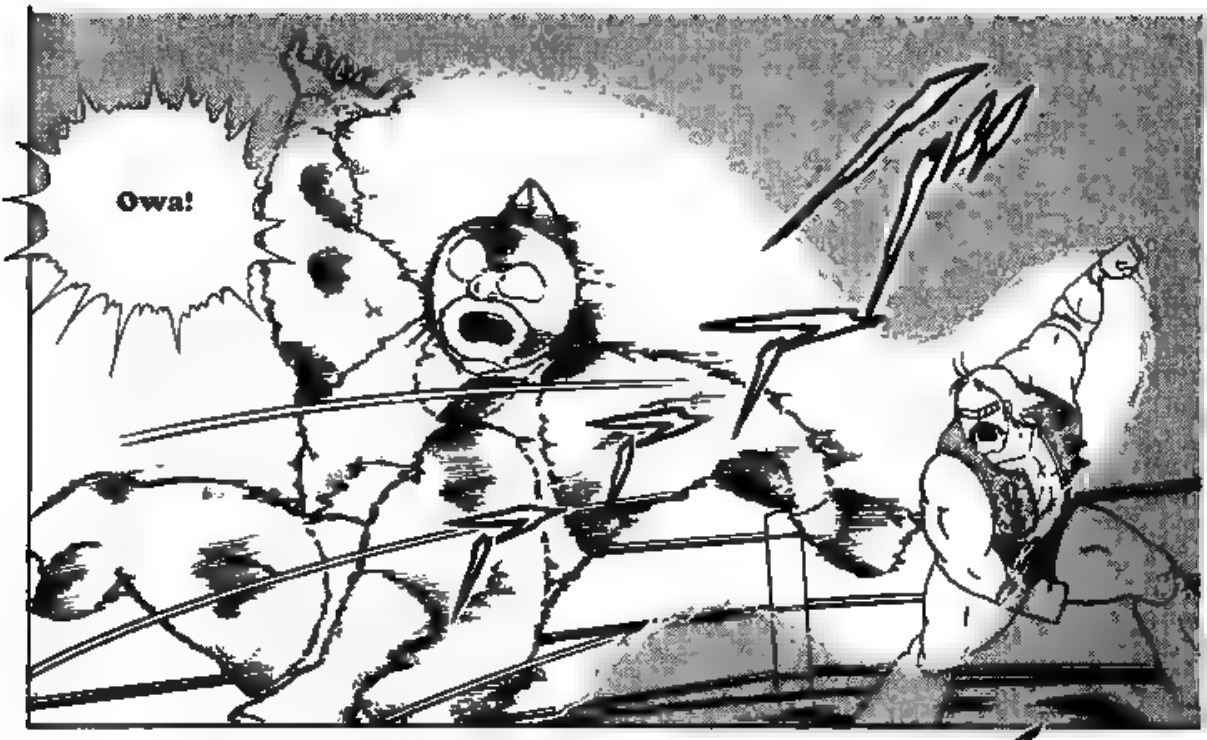


See that blank space? That's where I intend to put your mask!
As you know, Kinnikuman, once I have your mask, I'll have the mask of every masked Chojin in the world!
Terryman, I regret laughing this off until now...
We don't have much time. Come here!
Kinniku-man!
My life is too precious!
Owa, a dead end!
That idiot! If he thinks he's pleasing his parents, he's crazy!
Although he's grown to be a Chojin who's known throughout the four corners of the universe, he hasn't gotten over his habit of running away!

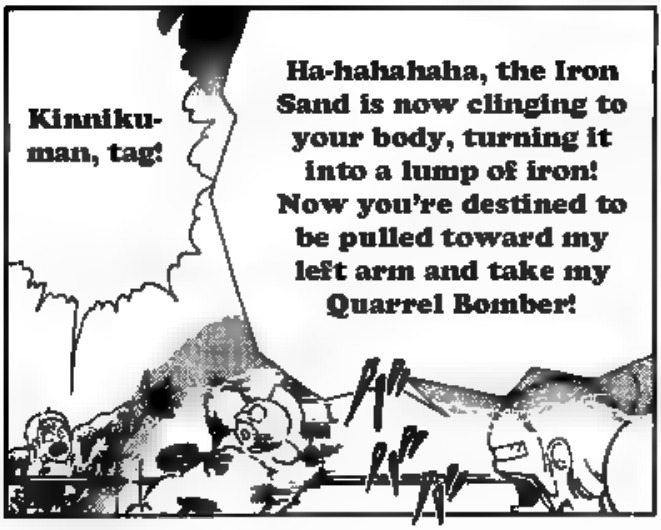
Yah!
Yes.
Budo, make a path for Kinnikuman to escape!
Budo Exploding Kick!
That's intense! With a blow of Budo's Drop Kick, a hole was opened in the side of Tournament Mountain!
Thanks!

What exactly is he doing?
Magnet Power On!
Owa!
Neptuneman has released Magnet Power out of the hole that Budo created, which is crashing into Mt. Fuji!

Owa!
A waterfall of sand is flowing from Mt. Fuji!
Owa!
Iron Sand!?
Heh heh heh heh... Do you like the flavor of Mt. Fuji's special Iron Sand Shower!
This isn't sand.
Run, Terry!
What do you think will happen if a body covered in Iron Sand is bathed in Magnet Power?
This sand is definitely Iron Sand, if you'd even call it sand at all...

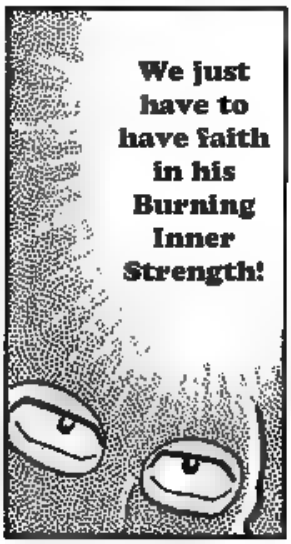


Owa!

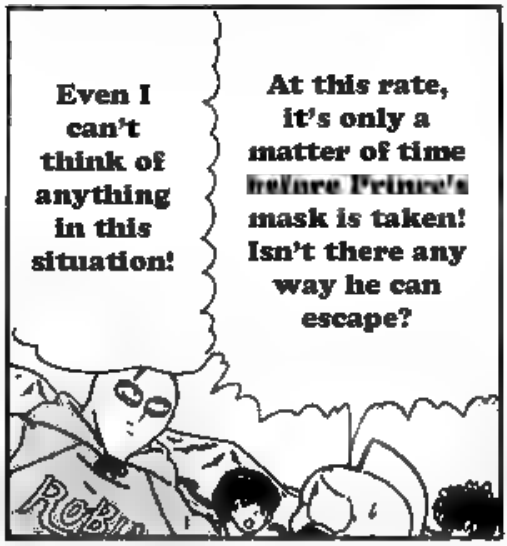


Kinniku-man, tag!
Ha-hahahaha, the Iron Sand is now clinging to your body, turning it into a lump of iron! Now you're destined to be pulled toward my left arm and take my Quarrel Bomber!

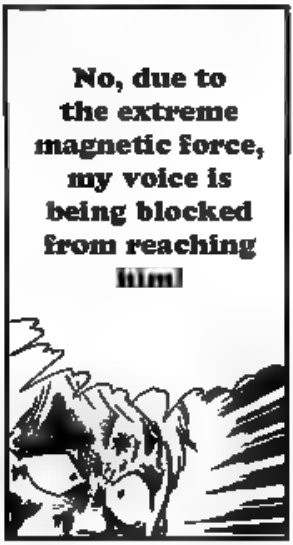
My body feels like it's being torn apart!



We just have to have faith in his Burning Inner Strength!

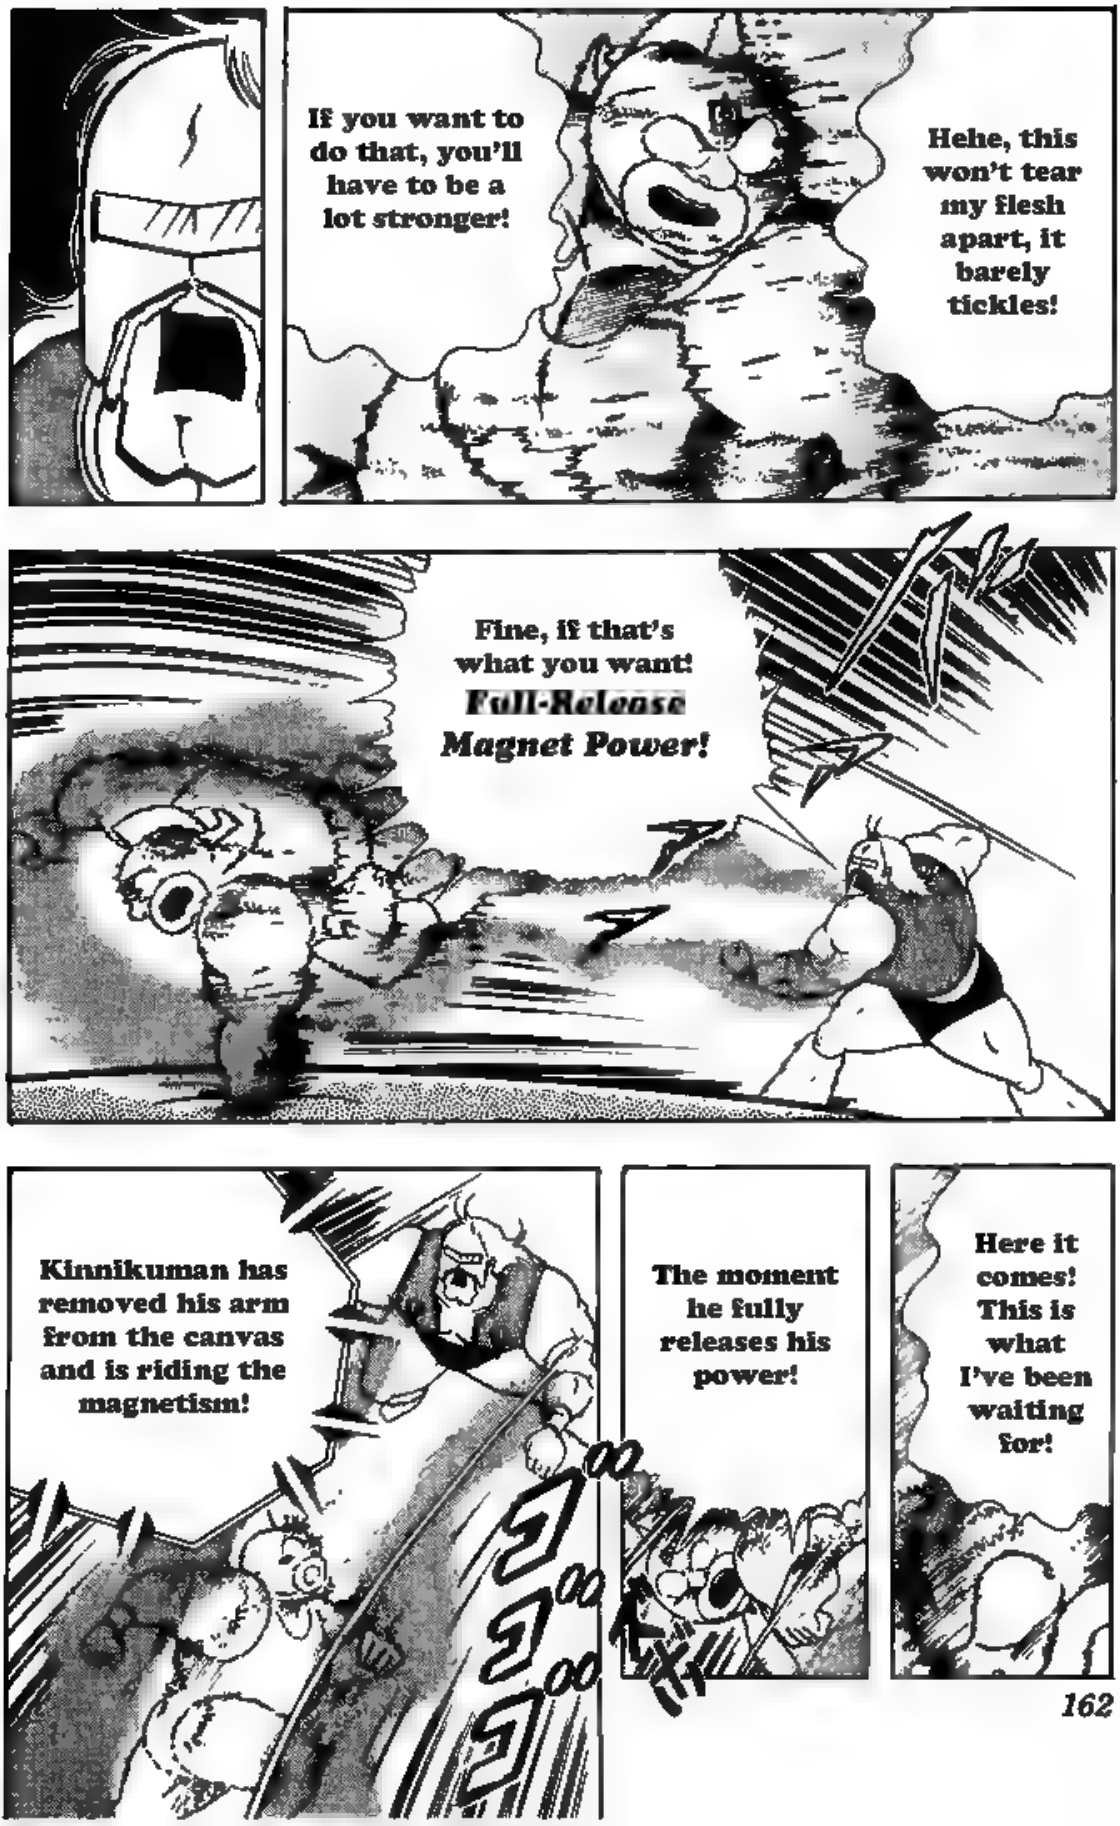


Even I can't think of anything in this situation!
At this rate, it's only a matter of time before Prince's mask is taken! Isn't there any way he can escape?



No, due to the extreme magnetic force, my voice is being blocked from reaching him!

I can't even stop this with a tag move with Terry! Am I going to die alone!?
Uh...
Due to Kinnikuman's left arm being punched into the canvas, he's being anchored from Neptuneman's Magnet Power!
Hahahaha, Kinnikuman, I will tear apart you and your mask, no matter how long you resist my pull!
Right, I'm not alone... Buffaluman is alive within this arm!
Buffalo-man!

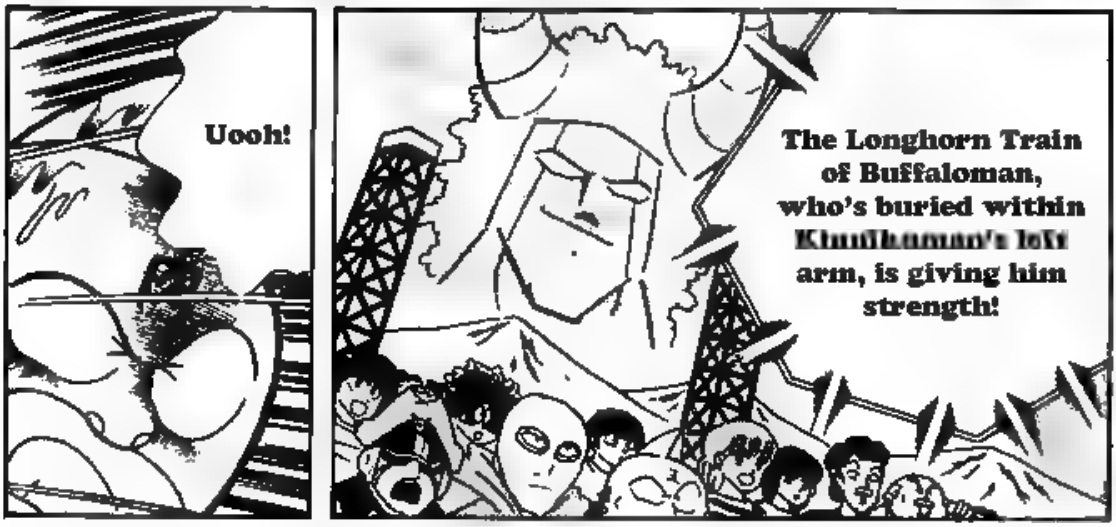


If you want to do that, you'll have to be a lot stronger!
Hehe, this won't tear my flesh apart, it barely tickles!
Fine, if that's what you want! Full-Release Magnet Power!
Kinnikuman has removed his arm from the canvas and is riding the magnetism!
The moment he fully releases his power!
Here it comes! This is what I've been waiting for!

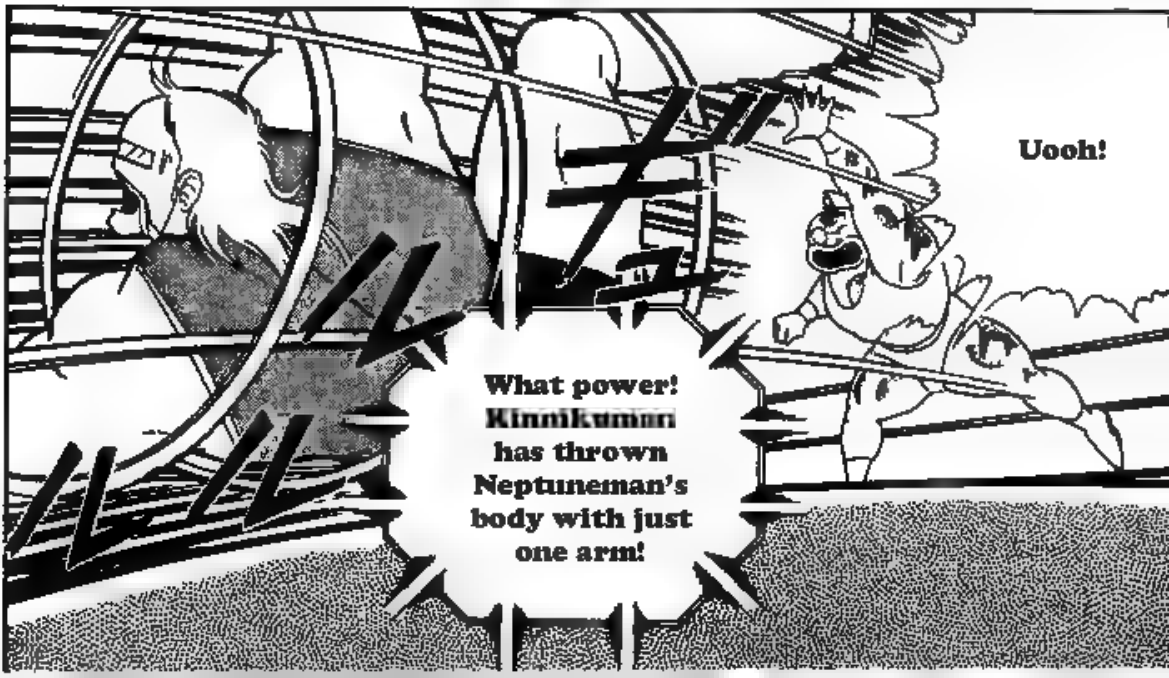
LONGHORN
BOMBER!

Dream Chojin Tag Arc 55

Mask! The End!

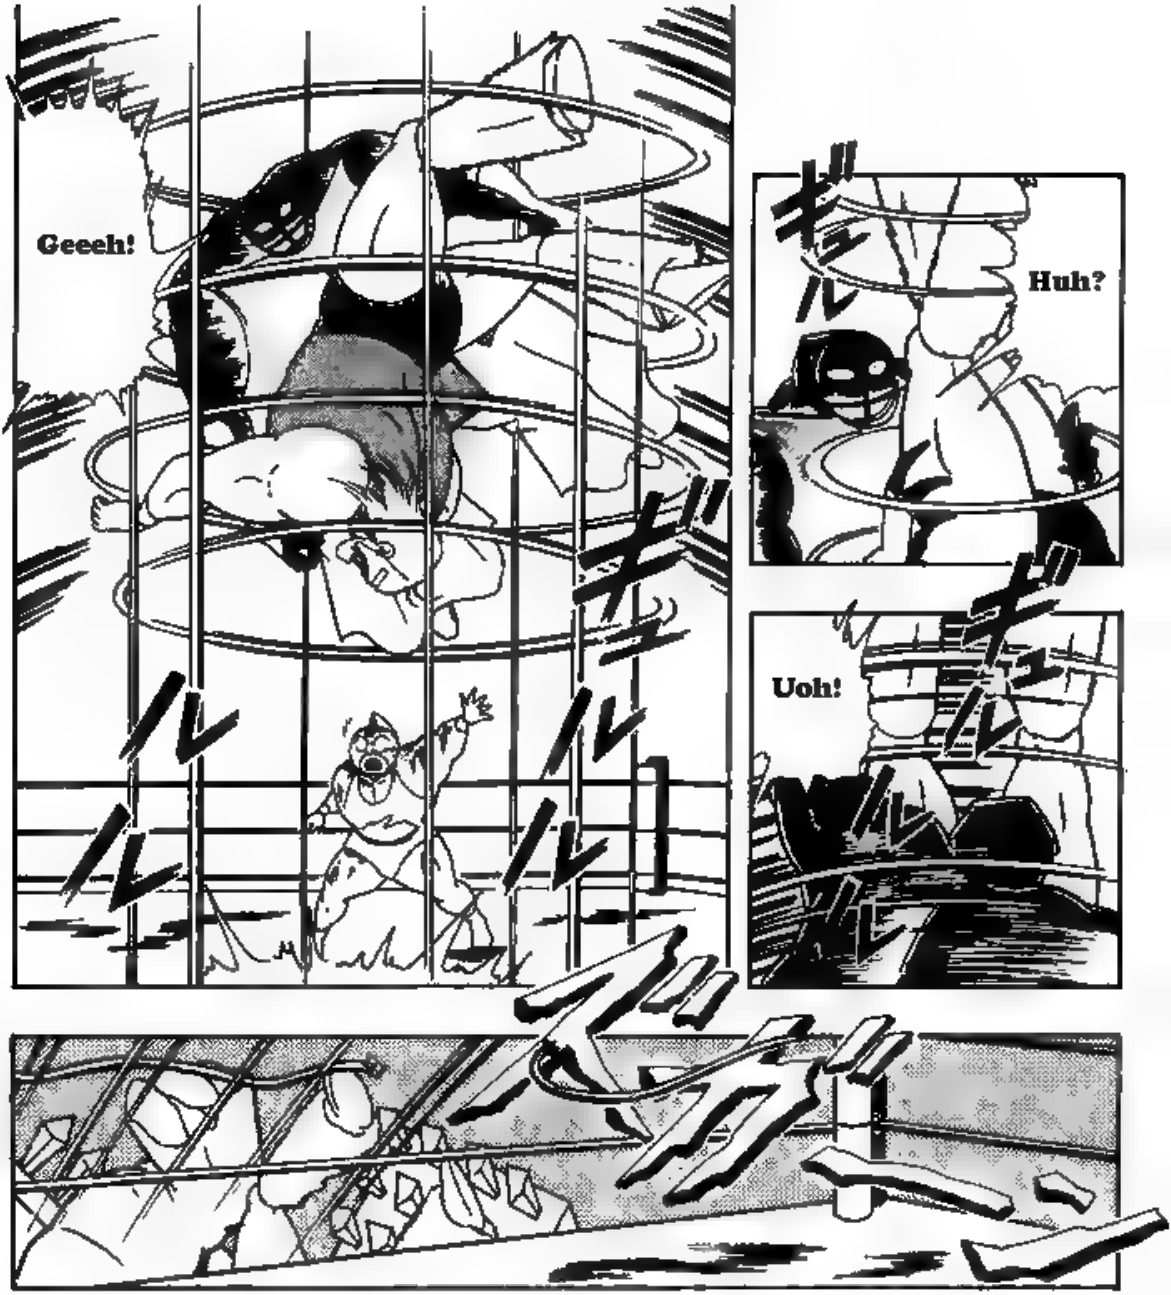


Uooh!
The Longhorn Train of Buffaloman, who's buried within Kinnikuman's left arm, is giving him strength!



Uooh!
What power! Kinnikuman has thrown Neptuneman's body with just one arm!

No, he can't stop himself!
Kinnikuman has made Buffaloman's 10 Million Power his own!
Thanks to a show of good partnership, Neptuneman is saved from landing out of the ring!



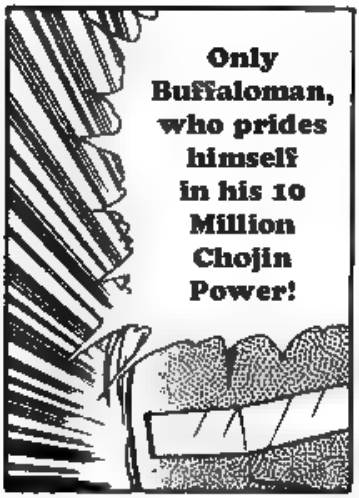
Geeeh!
ギル
ギル
ギル
ギル
Huh?
Uoh!
ギル

Somehow, even the giant Budo has been knocked down by the force of Kinnikuman's Bomber!

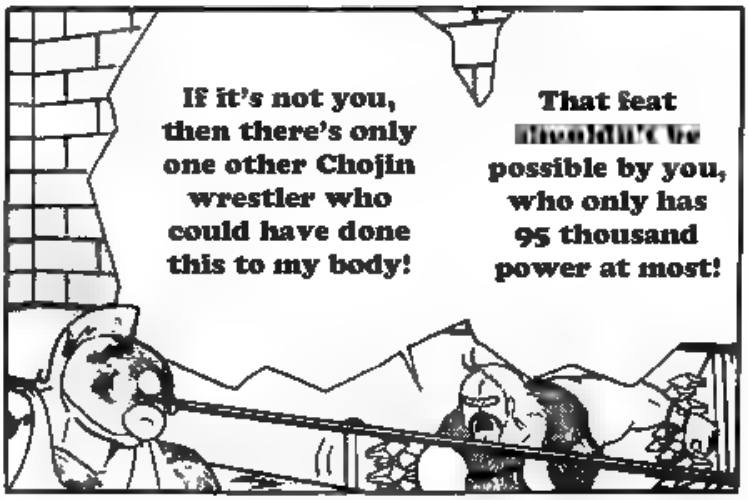
He was a man with 10 Million Power...
Amazing!
Gyahahaha! Even those Perfect Chojin can't get up from that! It's a 1-1 score, now!
Neptuneman and Budo have fallen outside of the ring and the ring-out count is now starting!
If they don't get back in the ring within a 20 count, the 2nd round goes to The Machineguns!
Please, don't get up!

What's that!?
Heh heh heh, I'm offended, Kinnikuman. Even though it's a 2-on-2 match, you have another second besides Terryman!
Neptuneman is standing!
But you ruined it all when you did this to my chest!

Look at his chest!

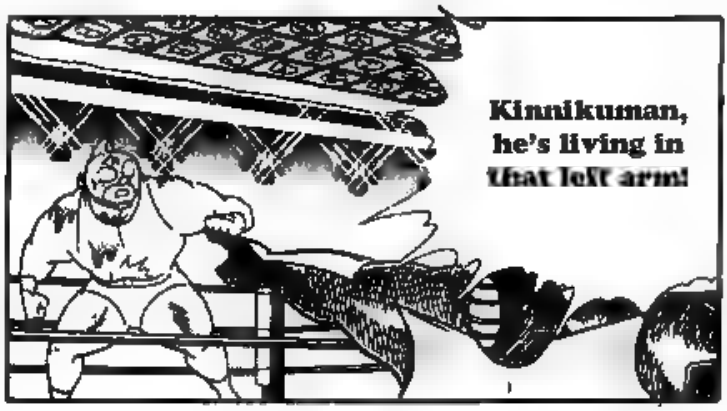


Only Buffaloman, who prides himself in his 10 Million Chojin Power!



If it's not you, then there's only one other Chojin wrestler who could have done this to my body!
That feat shouldn't be possible by you, who only has 95 thousand power at most!

Buffaloman, who we defeated in the semifinals, is somehow putting his power into your techniques...

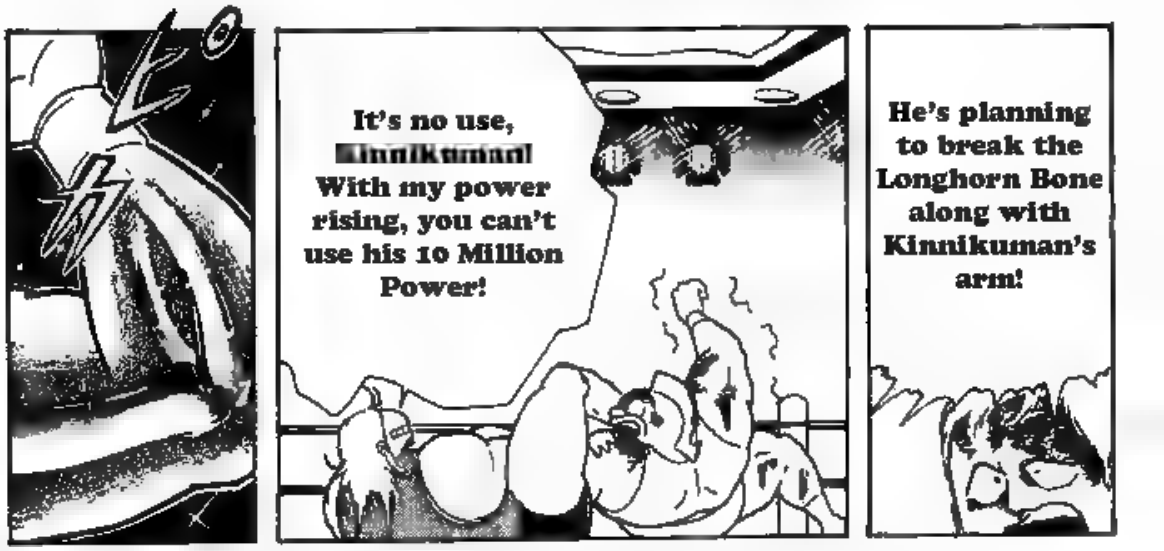


Kinnikuman, he's living in that left arm!

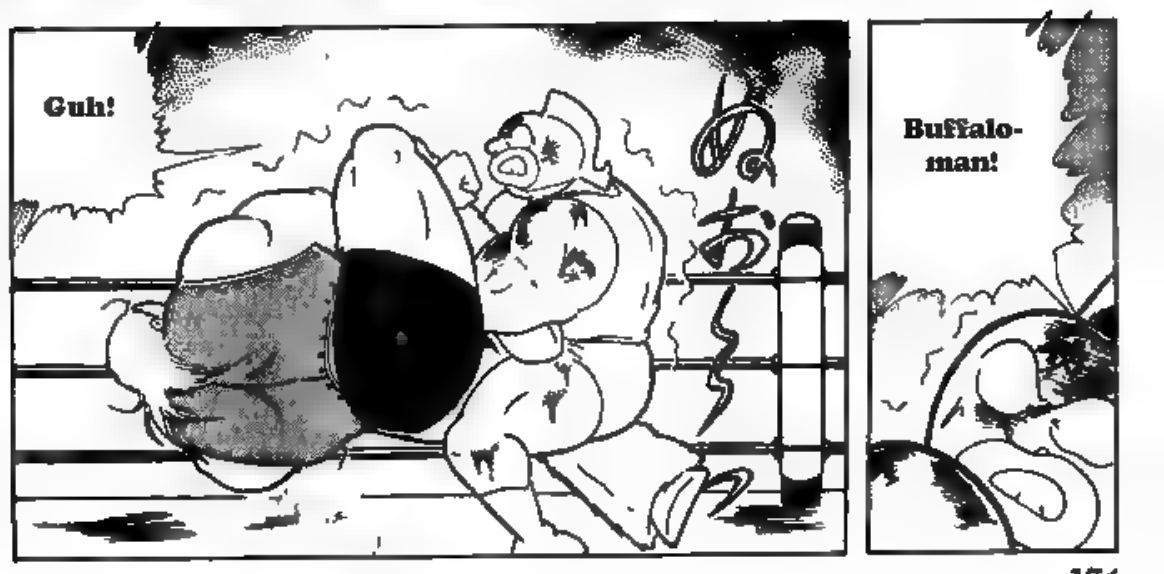
Magnet Power!
That reaction means we hit the bullseye!
Neptuneman's Magnet Power is focused on Kinnikuman's left arm!
Owa!
But why!? Why is Kinnikuman's left arm, which isn't metallic, being affected by Magnet Power?
Why!?
Ha-hahahaha, no matter how much you struggle, that left arm has a part of Buffaloman inside, so it can never escape my Magnet Power!

Can it...
Since Buffaloman was overexposed to our Magnet Power during the semifinals, his entire body became charged with magnetism, so your left arm can be pulled since it's a part of his body!
Uwa!
Hiyah!
Uhahahaha, Buffaloman really is in there!

My arm is cracking...
Neptuneman is hardening the Key Lock on Kinnikuman's left arm, crushing it!
Ha-hahaha, you can't escape now, Kinnikuman!

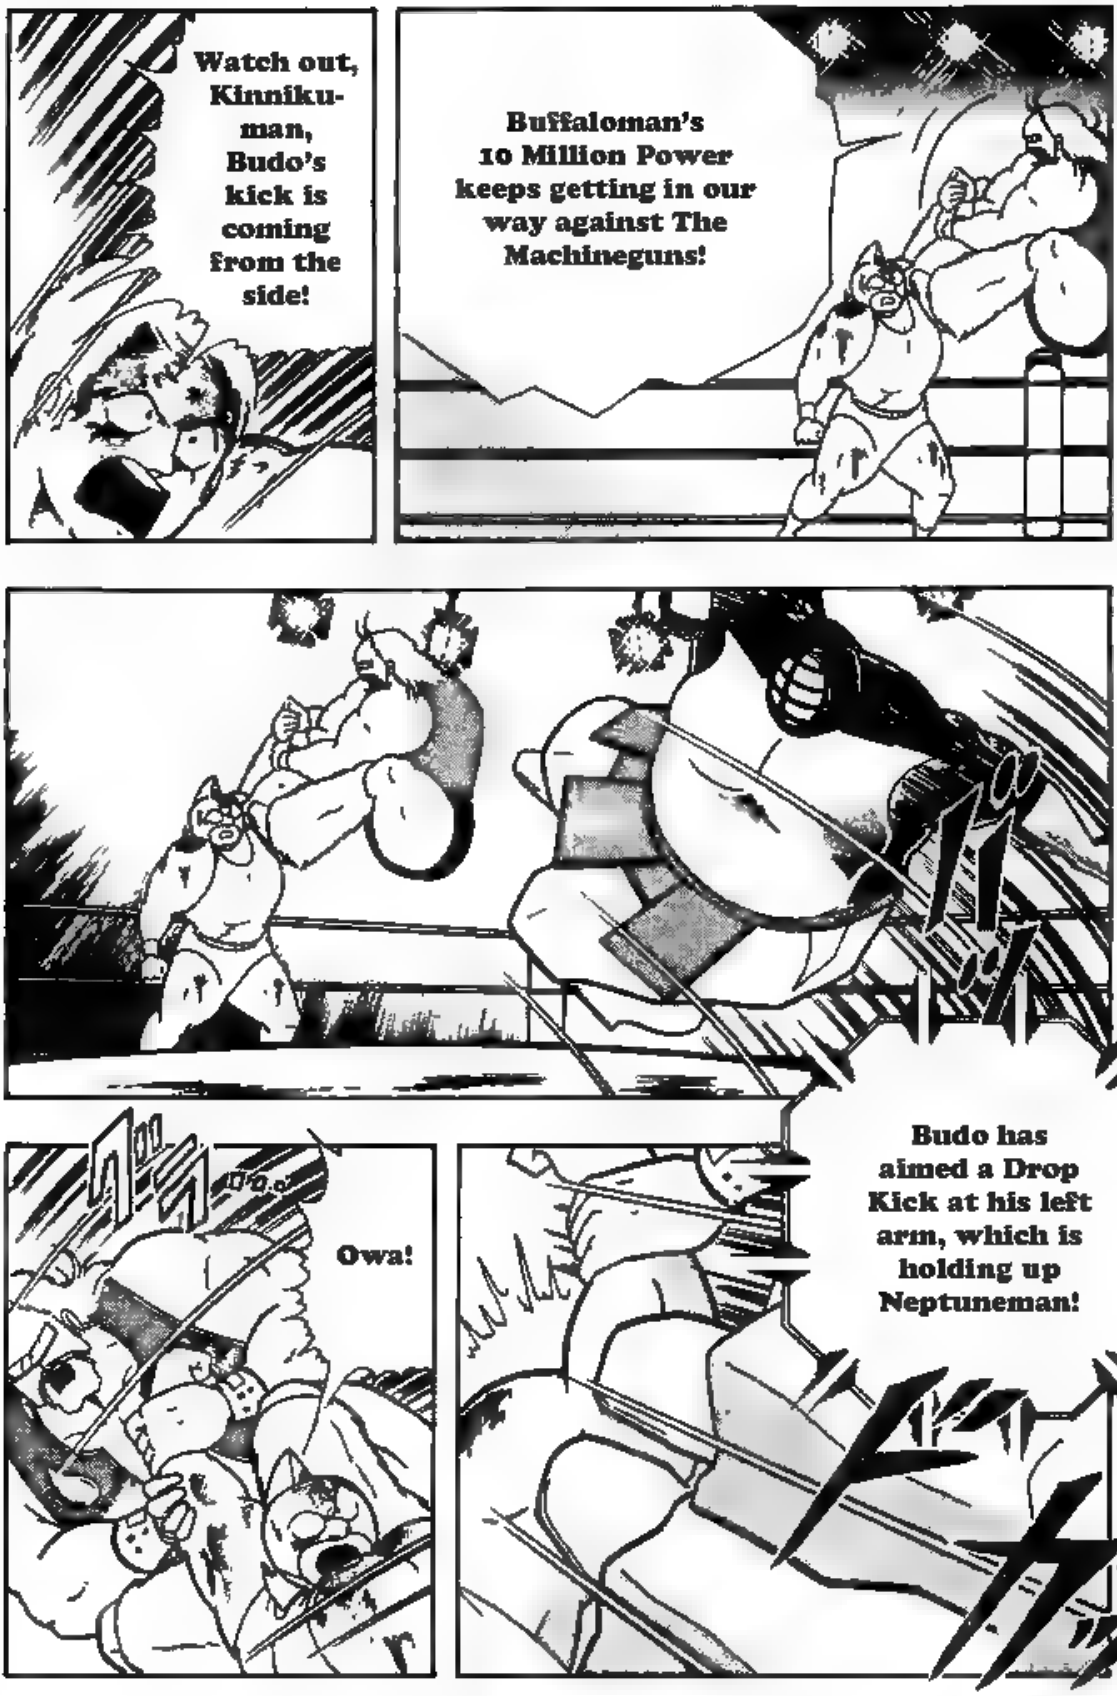


It's no use, Kinnikuman! With my power rising, you can't use his 10 Million Power!
He's planning to break the Longhorn Bone along with Kinnikuman's arm!

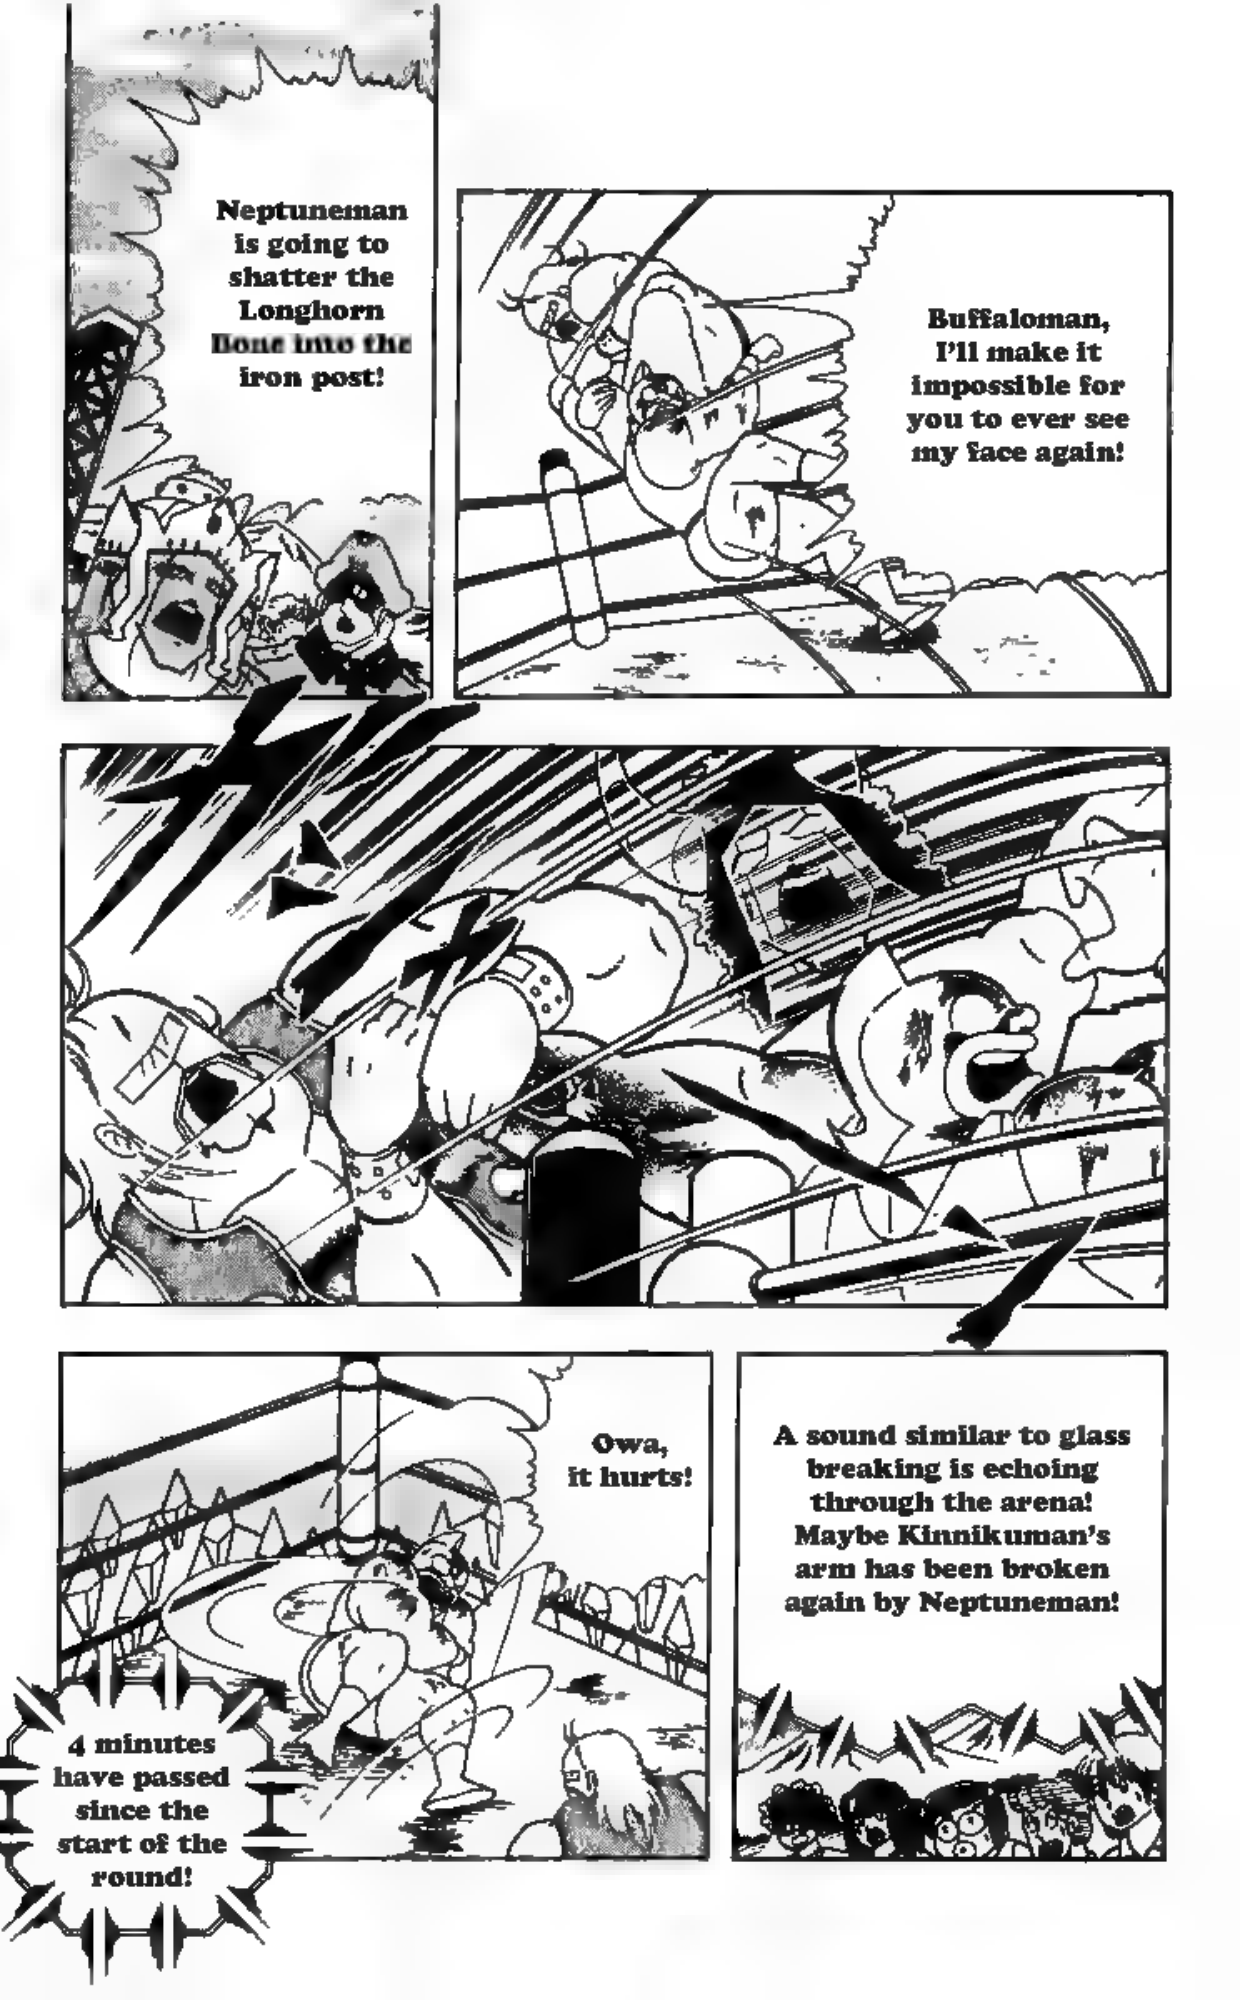


Guh!
Buffalo-man!

No, it's a trap! Go away, Buffaloman!
Do you see, Neptuneman? This is the strength of the arm where Buffaloman's Long Horn is buried!
The power of Kinnikuman's left arm is growing abnormally, enough to lift Neptuneman's large body!
He-hehehe, there's no mistaking it: this is Buffaloman's power!
Heh heh heh heh, I've seen enough. Now I know, thanks to you.

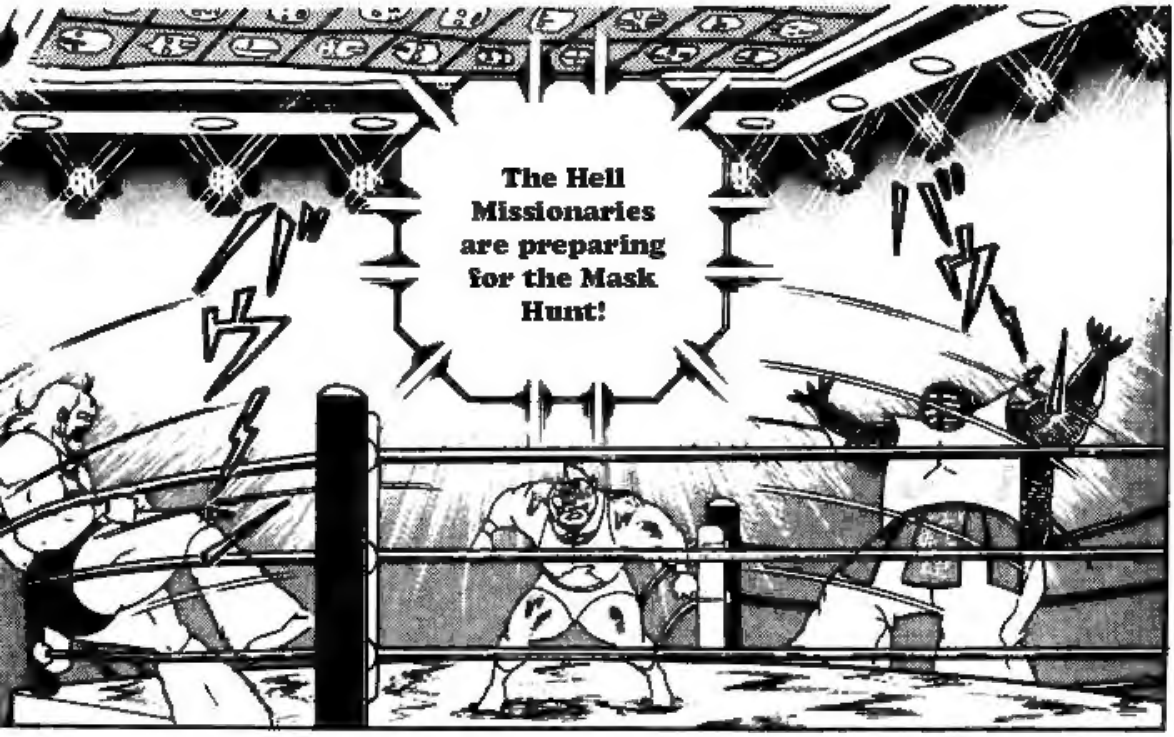


Watch out, Kinnikuman, Budo's kick is coming from the side!
Buffaloman's 10 Million Power keeps getting in our way against The Machineguns!
Budo has aimed a Drop Kick at his left arm, which is holding up Neptuneman!
Owa!



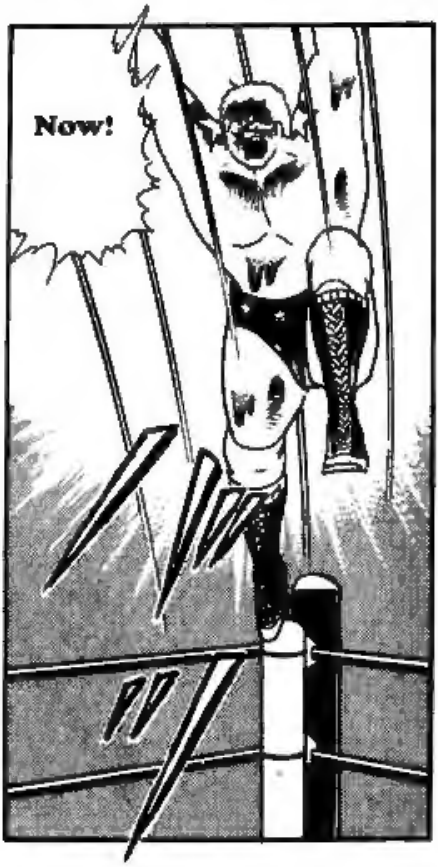
Neptuneman is going to shatter the Longhorn Bone into the iron post!
Buffaloman, I'll make it impossible for you to ever see my face again!
Owa, it hurts!
A sound similar to glass breaking is echoing through the arena! Maybe Kinnikuman's arm has been broken again by Neptuneman!
4 minutes have passed since the start of the round!

They won't fail once that time comes. They managed to achieve their time in taking my mask without going even a second over!
Right!
Kinnikuman, don't forget that you only have a minute left until we take your mask.
Well...
You have to do something!
With the remaining minute, what do you say we have a bit of fun with Kinnikuman's Mask Hunt?
Right!
"Mask The End"!
No, Kinnikuman already knows too much about it. Why don't we go with the other one?
Are we going to do the Cross Bomber?



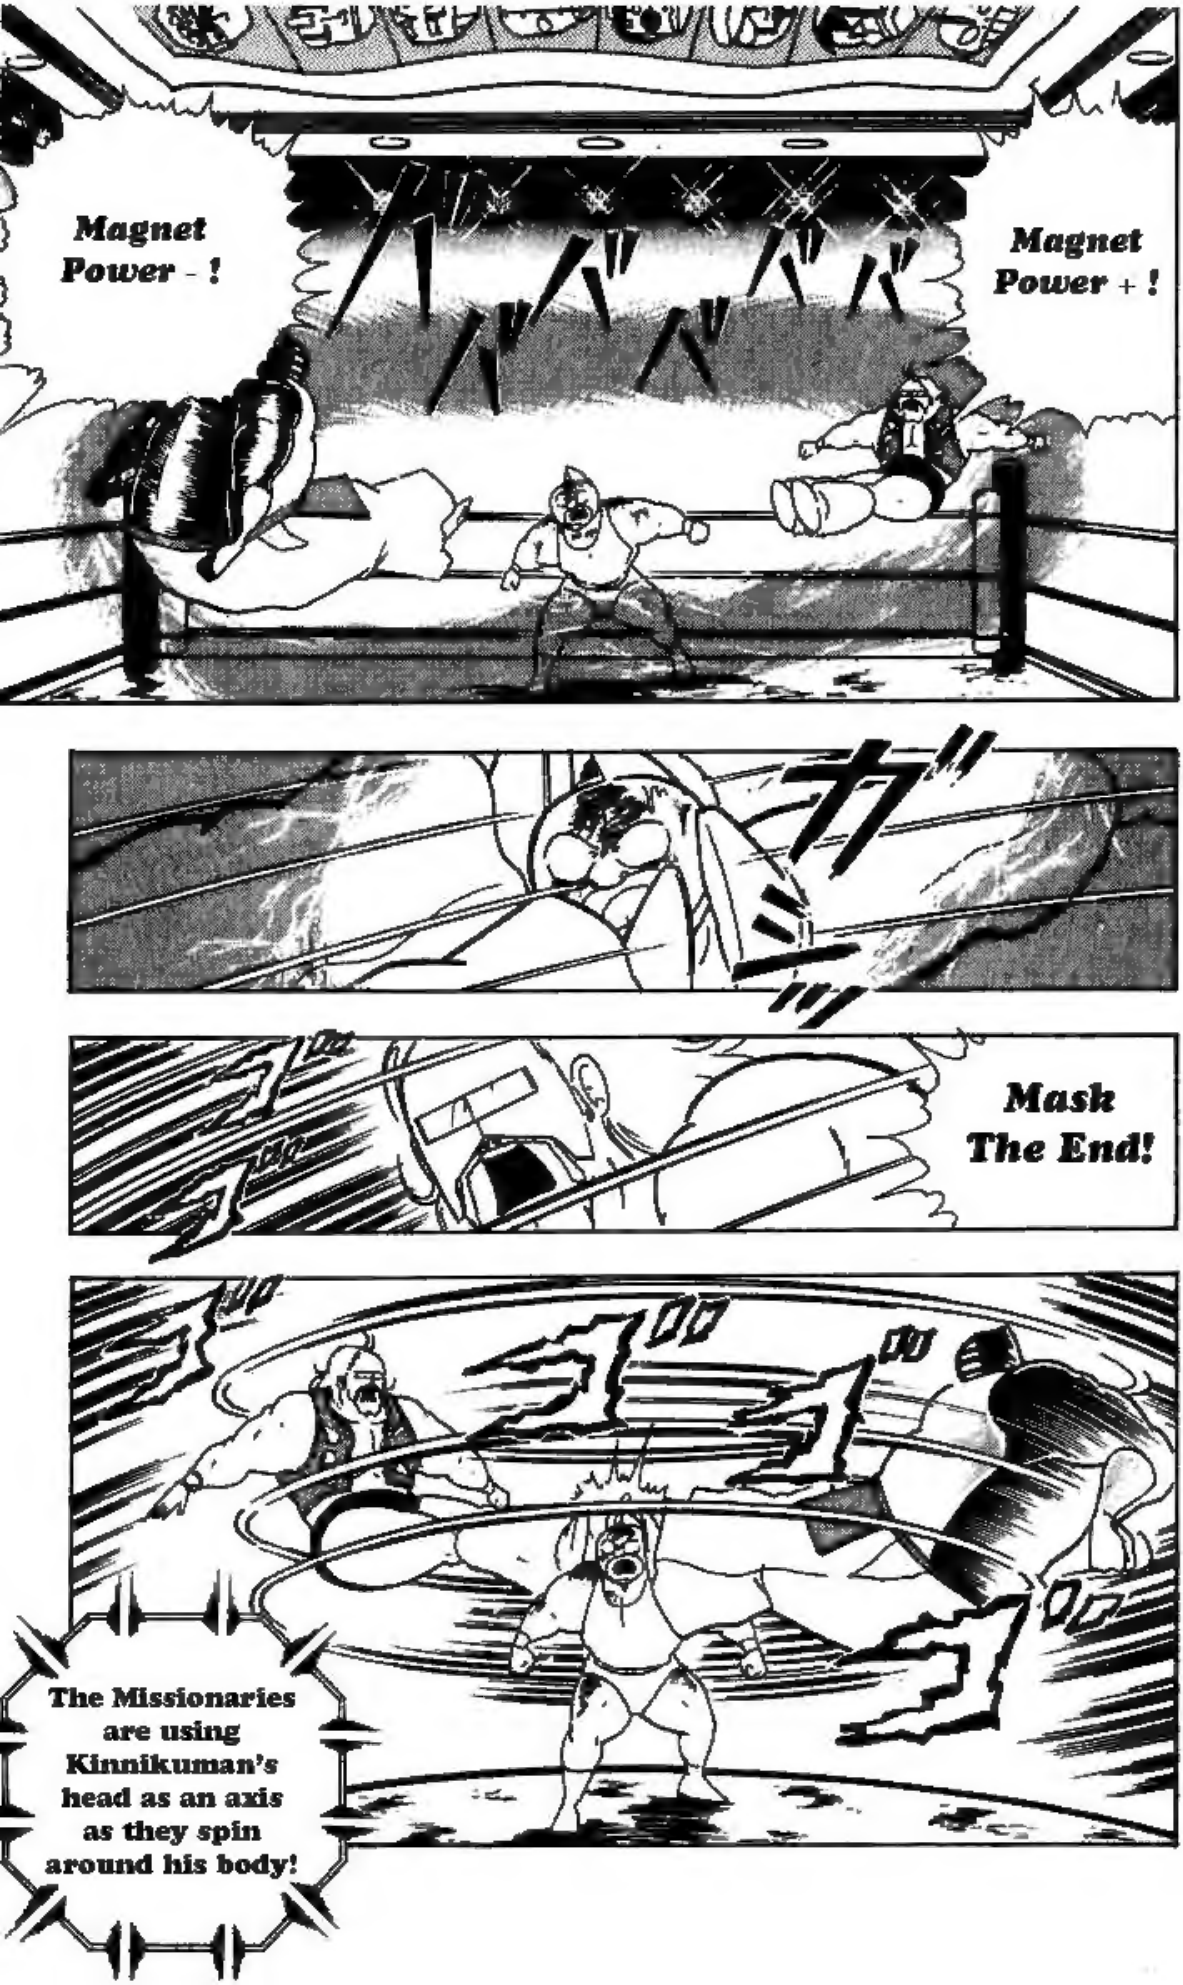
The Hell Missionaries are preparing for the Mask Hunt!

Uwa! They're going to take off the Prince's mask!



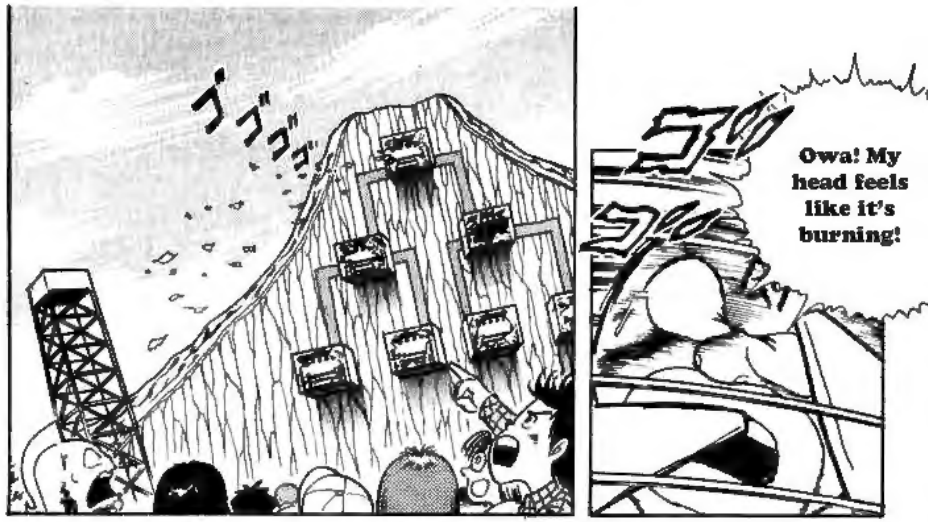
Now!

あぁ
Are The Machineguns fighting again!?
Yes.
Hey, didn't you just hear me say that there's only a minute left, and you're wasting our time fighting!? Budo, drag him back in here!
Right!



Magnet Power - !
Magnet Power + !
Mask The End!
The Missionaries are using Kinnikuman's head as an axis as they spin around his body!

Due to them spinning their bodies around Kinnikuman's head while dragging their feet on it, it's shaving off Kinnikuman's mask!
Aah! It's a piece of Suguru's mask!
Huh, what's this?



ゴゴゴゴ
Owa! My head feels like it's burning!

It's being peeled off like an apple...!!
